Court-appointed Lead Plaintiff[1] Justin Dufoe, individually and on behalf of the putative class, submits this Memorandum of Law in Support of Lead Plaintiff's Motion for Final Approval of Class Action Settlement and Approval of Plan of Allocation (the "Motion") pursuant to Federal Rule of Civil Procedure 23(e) requesting that the Court: (i) approve the proposed Settlement, which the Court preliminarily approved on February 28, 2025 (the "Preliminary Approval Order") (ECF No. 89); (ii) approve the proposed Plan of Allocation; and (iii) find that notice to the Class satisfied due process.

I. INTRODUCTION

Here, the $10 million all-cash Settlement represents an excellent result for the Class. The Settlement was reached by experienced and knowledgeable counsel only after an extensive investigation by Class Counsel, the filing of a detailed Amended Complaint for Violations of the Federal Securities Laws (the "Amended Complaint"), full briefing regarding Defendants' motion to dismiss the Amended Complaint, discovery conducted in advance of the mediation, an all-day mediation involving rigorous and extensive negotiations before a neutral third party, and continued confirmatory discovery and information sharing.

It is Class Counsel's informed opinion that in light of the significant risks and the delay, expense, and uncertainty of pursuing the litigation through class certification, summary judgment, trial, and post-trial appeals—a process that could last many additional years—the Settlement is a certain and reasonable result for the Class. The benefit that the proposed Settlement will provide to the Class weighs in favor of final approval when considered against the risks that, absent the Settlement, the Class might recover less or nothing at all. Although Lead Plaintiff believes that he

[1] Unless otherwise indicated, defined terms shall have the definitions set forth in the Stipulation of Settlement ("Settlement" or "Settlement Agreement"). The Settlement Agreement and its exhibits are attached as Exhibit 1 to the Declaration of Sarah E. Flohr in Support of Plaintiff's Unopposed Motion for Preliminary Approval of Settlement ("Flohr Decl.") filed on February 26, 2025 (ECF No. 87-2). Citations to the Settlement Agreement are abbreviated as "§ __."

has meritorious responses to each of Defendants' arguments against liability and damages, the proposed Settlement, if approved, will enable the Class to be compensated now for damages without incurring the risk of further litigation. Class Counsel, with extensive experience in prosecuting securities class actions and other complex litigation, believes that the Settlement satisfies each of the applicable Rule 23(e)(2) factors, is fair, reasonable, and adequate under the First Circuit's standards for approval, and is in the best interests of the Class. Likewise, the Plan of Allocation, which provides recovery to Settlement Class Members in an amount that will equal their recognized loss associated with the claims in this Action, was developed by Class Counsel with the assistance of a securities markets damages expert, is a fair, reasonable, and adequate method for distributing the Net Settlement Fund to Class Members, and should be approved.

The fairness of the Settlement is further evidenced by the positive reaction from the Class. Pursuant to the Court's Preliminary Approval Order, direct notices have been sent to 1,554,528 potential Class members based on Settlement Class Information provided by Defendants. In addition, the Settlement Administrator caused the Publication Notice to be transmitted once over PR Newswire, a national newswire service. The Long-Form Notice and Claim Form were also posted on the Settlement-specific website at www.draftkingsnftsettlement.com. As of June 23, 2025, 13,957 claims have been filed and only two (2) objections have been filed and three (3) exclusion requests (by a group represented by the same counsel) have been received. The deadline for Class Members to file claims expires July 21, 2025. The deadline for Class Members to object to or exclude themselves from the Settlement and Plan of Allocation expires on July 9, 2025. Class Counsel will further address the Class response, including the number of claims filed and any subsequent, timely objections or exclusion requests in a reply memorandum due no later than July 23, 2025.

II. BACKGROUND OF THE LITIGATION

Class Counsel began investigating this matter in September 2022. Before filing the original Complaint, Class Counsel reviewed publicly available statements by Defendants, other public records, internet and social media forums, and documents that were provided by Lead Plaintiff. Fata Decl. ¶ 15. In March 2023, Lead Plaintiff filed the initial complaint. ECF No. 1. After further investigations, Lead Plaintiff filed the Amended Complaint in August 2023. ECF No. 38. On July 2, 2024, after considerable briefing and a hearing thoroughly examining the relevant legal issues, the Court denied the Defendants' motion to dismiss in its entirety. On July 29, 2024, the Court set a schedule requiring substantial discovery to be completed by fall 2024 and class certification briefing to begin in December 2024. Fata Decl. ¶ 24. That same day, DraftKings announced its decision to close the DraftKings Marketplace. *Id*. ¶ 27. Following the Court's schedule, Class Counsel propounded discovery requests and began to receive and analyze documents. *Id*. ¶ 30. The Parties simultaneously engaged in settlement negotiations, including the exchange of mediation statements detailing their respective positions on legal issues and the Class's potential damages. *Id*. ¶ 37. These positions were thoroughly explored in an all-day formal mediation session. *Id*. ¶ 38. Negotiations then continued over critical settlement terms until the Settlement Agreement was finalized and submitted to this Court, which preliminary approved the Settlement on February 28, 2025. *Id*. ¶ 40. After the Court granted preliminary approval of the Settlement, Class Counsel coordinated the implementation of the Court-approved Notice Plan and communicated extensively with potential Class Members. *Id*. ¶ 44.

III. ARGUMENT

A. Applicable Standards Favor Approval of Class Action Settlement

In determining whether to approve the Settlement, the Court should be guided by the "strong public policy in favor of settlements" over continued litigation, particularly in complex actions. *See, e.g.*, *U.S. v. Davis*, 261 F.3d 1, 27 (1st Cir. 2001); *U.S. v. Comunidades Unidas Contra La Contaminacion*, 204 F.3d 275, 282 (1st Cir. 2000) (same). To grant final approval of a class

action settlement, the court must find that the settlement is "fair, reasonable, and adequate." Fed. R. Civ. P. 23(e)(2); *see also Voss v. Rolland*, 592 F.3d 242, 251 (1st Cir. 2010) (same).

Rule 23(e)(2) provides that the Court may approve Settlement after hearing and finding that the settlement is fair, reasonable, and adequate after considering: (1) class counsel and the class representative have adequately represented the class; (2) the proposal was negotiated at arm's length; (3) the relief provided for the class is adequate taking into account the costs, risks, and delay of trial and appeal, the method of processing class member claims and distributing relief to the class, and the terms of any attorneys' fee award; and (4) the proposed settlement treats class members equally. Fed. R. Civ. P. 23(e)(2); *see also Robinson v. Nat'l Student Clearinghouse*, 14 F.4th 56, 59 (1st Cir. 2021) ("[w]here 'the parties negotiated at arm's length and conducted sufficient discovery, the district court must presume the settlement is reasonable'") (quoting *In re Pharm. Indus. Average Wholesale Price Litig.*, 588 F.3d 24, 32-33 (1st Cir. 2009)).

Although the First Circuit has not espoused any single test for determining whether a proposed settlement is fair, reasonable, and adequate,[2] courts within this Circuit commonly reference factors identified by the Second Circuit in *City of Detroit v. Grinnell Corp.*, 495 F.2d 448, 470 (2d Cir. 1974), *abrogated sub nom.*, *Goldberger v. Integrated Res., Inc.*, 209 F.3d 43 (2d Cir. 2000). *See Lupron*, 228 F.R.D. at 93. Courts in this Circuit have further distilled the *Grinnell* factors into a more concise list, examining the: (i) risk, complexity, expense, and duration of a case; (ii) comparison of the settlement proposed with the potential result of continued litigation; (iii) class's reaction to the settlement; (iv) stage of litigation including the extent of discovery completed; and (v) quality of counsel and conduct during the litigation and settlement negotiations. *In re Tyco Int'l, Ltd. Multidistrict Litig.*, 535 F. Supp. 2d 249, 259-260 (D.N.H. 2007).

[2] *See, e.g.*, *In re Lupron Mktg. & Sales Practices Litig.*, 228 F.R.D. 75, 93 (D. Mass. 2005) ("the First Circuit has not established a formal protocol for assessing the fairness of a settlement"); *In re Compact Disc Minimum Advertised Price Antitrust Litig.*, 216 F.R.D. 197, 206 (D. Me. 2003) ("There is no single test in the First Circuit for determining the fairness, reasonableness and adequacy of a proposed class action settlement.").

When evaluating whether a settlement is fair, reasonable, and adequate, courts balance the benefits of the settlement against the risks of continued litigation. *Voss*, 592 F.3d at 251. "[T]he court cannot, and should not, use as a benchmark the highest award that could be made to the plaintiff[s] after full and successful litigation of the claim[s]." *Rolland v. Cellucci*, 191 F.R.D. 3, 14-15 (D. Mass. 2000). "[A]ny settlement is the result of a compromise—each party surrendering something in order to prevent unprofitable litigation, and the risks and costs inherent in taking litigation to completion." *Greenspun v. Bogan*, 492 F.2d 375, 381 (1st Cir. 1974); *see also Compact Disc*, 216 F.R.D. at 211 ("I am not to prejudge the merits of the case . . . and I am not to second-guess the settlement; I am only to determine if the parties' conclusion is reasonable"); *Lupron*, 228 F.R.D. at 97-98 (the court should not "hypothesize about larger amounts that might have been recovered."). The factors set forth in Rule 23(e)(2) are applied in tandem with the applicable approval factors and "focus the court and the lawyers on the core concerns of procedure and substance that should guide the decision whether to approve the proposal." Fed. R. Civ. P. 23(e)(2) Advisory Committee's Notes to 2018 Amendments. In this case, an examination of the foregoing factors firmly demonstrates that the Settlement satisfies both Rule 23(e)(2) and the applicable First Circuit factors, is fair, reasonable, and adequate to the Class, and should be approved by the Court.

B. The Proposed Settlement Merits Final Approval

1. The Settlement Satisfies the Requirements of Rule 23(e)(2)

As discussed in the Memorandum of Law in Support of Lead Plaintiff's Motion for Preliminary Approval of Class Action Settlement (ECF No. 87) at 9-12, and as acknowledged by the Preliminary Approval Order ¶ 6, Lead Plaintiff has met all of the requirements imposed by Rule 23(e)(2). Courts analyzing the Rule 23(e)(2) factors have noted that a plaintiff's satisfaction of these factors at final approval is virtually assured where, as here, little has changed between preliminary and final approval. *See In re Chrysler-Dodge-Jeep Ecodiesel® Mktg., Sales*

Practices., & Prods. Liab. Litig., No. 17 MDL 02777, 2019 WL 2554232, at *2 (N.D. Cal. May 3, 2019) (finding that the "conclusions [made in granting preliminary approval] stand and counsel equally in favor of final approval now"); *Snyder v. Ocwen Loan Servicing, LLC*, No. 14 Civ. 8461, 2019 WL 2103379, at *4 (N.D. Ill. May 14, 2019) (noting in analyzing Rule 23(e)(2) that "[s]ignificant portions of the Court's analysis remain materially unchanged from the previous order [granting preliminary approval]").

Lead Plaintiff and Class Counsel have adequately represented the Class as required by Federal Rule of Civil Procedure 23(e)(2)(A). They have diligently prosecuted this Action on the Class's behalf. Specifically, Class Counsel conducted a thorough pre-filing investigation, drafted a detailed Complaint, successfully opposed Defendants' motion to dismiss, reviewed and produced discovery in advance of the mediation, participated in an all-day mediation which involved rigorous and extensive negotiations before a neutral third party, and follow-up negotiations, also involving a neutral third party. Even after the settlement was reached, Class Counsel continued confirmatory discovery and information sharing, and achieved a Settlement of $10 million, which will provide a significant recovery to the Class. Fata Decl. ¶¶ 39-40. Lead Plaintiff actively and faithfully oversaw the prosecution of the case over the course of the Litigation in accordance with his duties as Lead Plaintiff. *See* Declaration of Justin Dufoe in Support of (i) Lead Plaintiff's Motion for Final Approval of Class Action Settlement and Plan of Allocation and (ii) Lead and Class Counsel's Motion for Attorneys' Fees, Litigation Expenses, and Service Award to Lead Plaintiff ("Dufoe Declaration" or "Dufoe Decl."), filed contemporaneously with this Motion ¶ 4. Lead Plaintiff and Class Counsel stood ready to, and at all times did advocate for the best interests of the Class.

2. The Settlement Was Reached After Significant Investigation and Discovery and Is the Product of Arm's-Length Negotiations Among Experienced Counsel

Where, as here, the settling parties have bargained at arm's length, "'there is a presumption in favor of the settlement.'" *Nat'l Ass'n of Chain Drug Stores v. New Eng. Carpenters Health Benefits Fund*, 582 F.3d 30, 44 (1st Cir. 2009) (quoting *City P'ship Co. v. Atl. Acquisition Ltd. P'ship*, 100 F.3d 1041, 1043 (1st Cir. 1996)); *see also Roberts v. TJX Cos., Inc.*, No. 13 Civ. 13142-ADB, 2016 WL 8677312, at *5 (D. Mass. Sept. 30, 2016) (where "the parties' Settlement is the product of arms-length negotiation by competent counsel . . . it is entitled to a presumption of reasonableness."). Moreover, where, as here, the Settlement was reached with the assistance of an experienced mediator, there is "a presumption that the settlement achieved meets the requirements of due process." *In re Penthouse Exec. Club Comp. Litig.*, No. 10 Civ. 1145, 2013 WL 1828598, at *2 (S.D.N.Y. Apr. 30, 2013) ("The assistance of [an] experienced mediator[] . . . reinforces that the Settlement Agreement is non-collusive.").

At the time of the Settlement, all Parties were in an excellent position to evaluate the strengths and weaknesses of their respective claims and defenses. Lead Plaintiff and Class Counsel vigorously prosecuted this Action since inception. Fata Decl. ¶¶ 3-4. In response to their requests and following negotiations over the scope of discovery necessary during settlement negotiations, Defendants produced an extensive list of documents to determine the overall damages to the Class. *Id.* ¶ 34. The Parties' settlement negotiations included the exchange of comprehensive mediation statements, which detailed their respective positions and included spreadsheets with payment information used to calculate the overall damages to the Class. *Id.* ¶ 37. At the formal mediation session with Jed Melnick and Orna Artal, the Parties' positions were fully explored. *Id.* ¶ 38. This accumulation of information permitted Lead Plaintiff and Class Counsel to be well-informed about the strengths and weaknesses of the case, resulting in a significant recovery of $10 million for the Class. *Id.* ¶ 39. Thus, the proposed Settlement is procedurally fair and entitled to a presumption of reasonableness. *See Bussie v. Allmerica Fin. Corp.*, 50 F. Supp. 2d 59, 77 (D. Mass. 1999) (quoting

In re Painewebber Ltd. P'ships Litig., 171 F.R.D. 104, 125 (S.D.N.Y. 1997)) ("settlement negotiations . . . conducted at arms' length . . . support 'a strong initial presumption' of the Settlement's substantive fairness.").

Moreover, the judgment of experienced and well-informed class counsel should be afforded great weight by the Court. *Rolland*, 191 F.R.D. at 10 ("[w]hen the parties' attorneys are experienced and knowledgeable about the facts and claims, their representations to the court that the settlement provides class relief which is fair, reasonable and adequate should be given significant weight"); *Bussie*, 50 F. Supp. 2d at 77 ("[t]he Court's fairness determination also reflects the weight it has placed on the judgment of the parties' respective counsel, who are experienced attorneys and have represented to the Court that they believe the settlement provides to the Class relief that is fair, reasonable and adequate."). Lead Counsel is a national class action firm with significant experience in securities litigation. *See* ECF Nos. 23, 24-4. In addition, Lead Counsel was fully supported by Liaison Counsel (also an accomplished national class action firm with experience in securities litigation) and other Class Counsel (who themselves are highly experienced in securities litigation and securities markets).

3. The Risk, Complexity, and Expense of Continued Litigation Favors Final Approval

The Settlement is also substantively fair. *See* Fed. R. Civ. P. 23(e)(2)(C)(i). While Lead Plaintiff believes that the claims asserted against Defendants have merit, he recognizes that there were significant risks as to whether Lead Plaintiff would ultimately be able to prove liability and establish damages on his claims. Dufoe Decl. ¶ 5. Continued litigation would be complex, risky, and costly. *See In re StockerYale, Inc. Sec. Litig.*, No. 05 Civ. 00177, 2007 WL 4589772, at *3 (D.N.H. Dec. 18, 2007) (quoting *In re Cendant Corp. Litig.*, 264 F.3d 201, 231 (3d Cir. 2001)) (this factor "'captures the probable costs, in both time and money, of continued litigation.'"). Securities class actions are "notorious[ly] complex[]" and "[t]he difficulty of establishing liability

is a common risk of securities litigation.'" *In re AOL Time Warner, Inc.*, No. 02 Civ. 5575, 2006 WL 903236, at *8, *11 (S.D.N.Y. Apr. 6, 2006). The Settlement provides an immediate benefit to the Class that when balanced against the potential costs and risks associated with continued litigation, supports a finding that the Settlement is fair, reasonable, and adequate. *See In re Relafen Antitrust Litig.*, 231 F.R.D. 52, 74 (D. Mass. 2005) (quoting *In re Lorazepam & Clorazepate Antitrust Litig.*, 205 F.R.D. 369, 394 (D.D.C. 2002)) ("Although fully litigating the claims through trial could possibly result in a higher recovery, the settlement represents a necessary compromise between inherent risks of doing so and a guaranteed cash recovery.").

Defendants vigorously contested their liability on the merits and have denied, and continue to deny, each and every claim and allegation of wrongdoing alleged by Lead Plaintiff. Fata Decl. ¶¶ 6, 17, 20, 21, 37, 43. Specifically, Defendants have argued that Lead Plaintiff's claims are in substantial part untimely, Lead Plaintiff has no viable Securities Act Claim for secondary market transactions, and Lead Plaintiff will not prevail on his Exchange Act theories because DraftKings is not a broker or dealer and the DraftKings' Marketplace is not an exchange. *Id.* ¶ 6.

The risks of continued litigation were increased by a sea change in the regulatory environment. When this Action begin in 2023, the Securities and Exchange Commission ("SEC") maintained that many digital assets are securities and that many participants in the digital asset markets were failing comply with existing laws and regulations.[3] There were several ongoing SEC enforcement actions and investigations into digital asset platforms for selling unregistered securities and/or functioning as unregistered exchanges. Since January 2025, the SEC has voluntarily dismissed many of these enforcement actions and ended investigations without

COMM'N, *Kennedy and Crypto* (Sept. 8, 2022), https://www.sec.gov/newsroom/speeches-statements/gensler-sec-speaks-090822 ("Of the nearly 10,000 tokens in the crypto market . . . I believe the vast majority are securities. Offers and sales of these thousands of crypto security tokens are covered under the securities laws.").

charges. For example, on February 27, 2025, the day before Lead Plaintiff filed his motion for preliminary approval of this Settlement, the SEC announced the dismissal of its ongoing enforcement action alleging that Coinbase was operating as a unregistered securities exchange.[4] The Acting Chairman framed the decision as facilitating "the Commission's ongoing efforts to reform and renew its regulatory approach to the crypto industry."[5] Less than a week later, on March 3, 2025, the SEC filed a joint stipulation to dismiss its 2023 enforcement action against the Kraken exchange for operating as an unregistered securities exchange.[6] Later in March, the SEC ended its investigation into one of the world's largest crypto trading platform, Crypto.com.[7] The new SEC Chairman has defined the development of a new regulatory framework for digital assets as a "key priority," delineated a firm departure in SEC policy from those prior enforcement actions, and described how the SEC should exercise its "broad discretion under the securities acts to accommodate the crypto industry."[8] As a result, what was an excellent result before these developments has only become an even better result for the Class.

Lead Plaintiff also faced significant risks during his anticipated motion for class certification and proving damages. Fata Decl. ¶¶ 4-6. Specifically, Defendants argued during the mediation that the proposed class is not certifiable because Lead Plaintiff could not seek to represent purchasers of NFTs he did not purchase and individualized issues—such as the specific

NFTs purchased, the purchasers' motivations and expectations, and the financial outcomes that each NFT purchaser experienced as a result of their purchase—will overwhelm any common questions of law or fact. *Id*. ¶ 6.

Although Lead Plaintiff believed that he would have succeeded on his motion for class certification and Defendants' forthcoming summary judgment motions, there remained significant hurdles to recovery, at trial, and any post-trial appeals. *See, e.g.*, *StockerYale*, 2007 WL 4589772, at *3 (this factor supported settlement where the defendants had defenses to liability and loss causation that "could result in no liability and zero recovery for the class."). This Settlement obviates all of those risks.

4. Comparing the Proposed Settlement to the Likely Result of Continued Litigation Weighs in Favor of Final Approval

This factor requires the Court to consider the reasonableness of the settlement fund in light of the possible recovery in the litigation and risks of further litigation. The issue is not whether the settlement represents the best possible recovery, but how the settlement relates to the strengths and weaknesses of the case. Thus, the court "consider[s] and weigh[s] the nature of the claim, the possible defenses, the situation of the parties, and the exercise of business judgment in determining whether the proposed settlement is reasonable." *Grinnell*, 495 F.2d at 462. Courts agree that the determination of a reasonable settlement "'is not susceptible of a mathematical equation yielding a particularized sum.'" *In re PaineWebber P'ships Litig.*, 171 F.R.D. 104, 130 (S.D.N.Y. 1997), *aff'd*, 117 F.3d 721 (2d Cir. 1997) (quoting *In re Michael Milken and Associates Sec. Litig.*, 150 F.R.D. 57, 66 (S.D.N.Y. 1993)); *accord Relafen*, 231 F.R.D. at 73 ("[a] high degree of precision cannot be expected in valuing a litigation, especially regarding the estimation of the probability of particular outcomes."). Instead, "in any case there is a range of reasonableness with respect to a settlement." *Newman v. Stein*, 464 F.2d 689, 693 (2d Cir. 1972).

Here, the $10 million cash Settlement is well within the range of reasonableness under the

circumstances so as to warrant final approval of the Settlement. Taking competing arguments into consideration, the range of realistic and supportable damages range from $18 million to approximately $58 million, and the recovery, therefore, amounts to 26% of the mid-point of potentially recoverable damages in this case—an outstanding recovery under the circumstances. Fata Decl. ¶ 41; *see also Relafen*, 231 F.R.D. at 74 (approving a settlement that represented "approximately 26% to 55% of the alleged damages"). In addition, even when factoring in potential additional Class damages, the realistic range increases only to a maximum of $68 million, with the $10 million recovery equal to at least 23% of the midpoint.

Thus, under the circumstances here, the Settlement achieved represents an excellent result for the Class and is reasonable in light of the best possible recovery, especially when compared to the funds available to satisfy a judgment and the overall range of recovery involving securities class action settlements.

5. Lead Plaintiff Had Sufficient Information to Make Informed Decisions About Settling This Case

This factor questions "'whether the parties had adequate information about their claims such that their counsel can intelligently evaluate the merits of plaintiff's claims, the strengths of the defenses asserted by defendants, and the value of plaintiffs' causes of action for purposes of settlement.'" *In re Bear Stearns Cos., Inc. Sec., Derivative, & ERISA Litig.*, 909 F. Supp. 2d 259, 267 (S.D.N.Y. 2012) (quoting *In re IMAX Sec. Litig.*, 283 F.R.D. 178, 190 (S.D.N.Y. 2012)). "The threshold necessary to render the decisions of counsel sufficiently well informed . . . is not an overly burdensome one to achieve—indeed, formal discovery need not have necessarily been undertaken yet by the parties." *In re IMAX*, 283 F.R.D. at 190; *see also In re Puerto Rican Cabotage Antitrust Litig.*, 815 F. Supp. 2d 448, 474 (D.P.R. 2011) (even where formal discovery had not occurred, counsel's investigation and informal discovery provided "sufficient information to make a well-informed decision").

Prior to filing the original complaint, Class Counsel conducted a thorough review of DraftKings' press releases, public statements, SEC filings, and analysts' reports and advisories about the Company and reviewed other publicly available information relating to DraftKings. Fata Decl. ¶ 3(a). Class Counsel also coordinated to research applicable law with respect to the claims asserted and potential defenses thereto and prepared the original complaint, the Amended Complaint, and the opposition to Defendants' motion to dismiss. *Id*. ¶ 3(d). Finally, the Parties exchanged detailed evidentiary-based mediation statements and engaged in negotiations under the guidance of an experienced mediator. *Id*. ¶ 3(k). Thus, Lead Plaintiff and Class Counsel engaged in sufficient investigation and discovery to thoroughly understand the claims, merits, and weaknesses of the Action before agreeing to the Settlement.

It is also important to note that the core issue was whether the NFTs issued and traded on DraftKings's marketplace constituted investment contracts and thus securities. This issue was amply explored in the Parties' dismissal briefing, and the legal and factual framework were thoroughly explained by this Court in the dismissal ruling. ECF No. 60. Thus, all pertinent facts at the time of settlement were well-known to the Parties.

6. The Favorable Reaction of the Class to Date Supports Final Approval

Pursuant to the Preliminary Approval Order, the Claims Administrator caused over 1,554,528 notices to be mailed or emailed to potential Class members. *See* Declaration of Kathleen M. Brauns Regarding Implementation of the Settlement Notice Program ("Brauns Declaration" or "Brauns Decl."), attached hereto as Ex. B, ¶ 6. The Claims Administrator also caused the Publication Notice to be transmitted over PR Newswire, a national newswire service, on April 4, 2025. *Id.* ¶ 11. As of June 23, 2025, 13,957 claims have been received and only two (2) objections have been filed and three (3) exclusions have been received. *Id.* ¶¶ 17, 20, 21. The Class Members' overwhelmingly positive reaction to the Settlement fully supports final approval.

Such a favorable reaction of the Class to the Settlement supports its approval. While not dispositive, "[t]he number of requests for exclusion from the settlement, as well as the number and substance of objections filed . . . constitutes strong evidence of fairness of proposed settlement and supports judicial approval." *Bussie*, 50 F. Supp. 2d at 77. Moreover, Lead Plaintiff fully supports the Settlement. Dufoe Decl. ¶ 9; *see also StockerYale*, 2007 WL 4589772, at *3 ("The Court finds it significant that the Lead Plaintiffs are fully in support of the settlement.").

7. The Plan of Allocation of Settlement Proceeds Should Be Approved

A plan of allocation, like the settlement itself, should be approved if it is fair, reasonable, and adequate. *See Tyco*, 535 F. Supp. 2d at 262 ("Like the settlement itself, the plan of allocation must be fair, reasonable, and adequate."). "A plan of allocation is fair and reasonable as long as it has a 'reasonable, rational basis.'" *Hill v. State St. Corp.*, No. 09 Civ. 12146–GAO, 2015 WL 127728, at *11 (D. Mass. Jan. 8, 2015) (quoting *In re IMAX*, 283 F.R.D. at 192); *see also City of Providence v. Aeropostale, Inc.*, No. 11 Civ. 7132, 2014 WL 1883494, at *10 (S.D.N.Y. May 9, 2014) ("A plan of allocation 'need only have a reasonable, rational basis, particularly if recommended by "experienced and competent" class counsel'"); *aff'd sub nom.*, *Arbuthnot v. Pierson*, 607 Fed. Appx. 73 (2d Cir. 2015). A plan of allocation that reimburses class members based on the extent of their injuries is generally reasonable, and the plan "need not necessarily treat all class members equally." *Schwartz v. TXU Corp.*, No. 02 Civ. 2243, 2005 WL 3148350, at *23 (N.D. Tex. Nov. 8, 2005). A reasonable plan of allocation "may consider the relative strength and values of different categories of claims." *In re IMAX*, 283 F.R.D. at 192; *see In re Cabletron Sys., Inc. Sec. Litig.*, 239 F.R.D. 30, 35 (D.N.H. 2006) (approving a plan of allocation that took into consideration "the strengths and weaknesses of the claims of the various types of class members.").

Here, the Plan of Allocation was developed by Class Counsel in consultation with a

damages expert. It calculates a recognized loss for each Class Member who submits a claim by adding up any payments made to purchase DraftKings NFTs on the primary and secondary market and then subtracting payments received in connection with their ownership of those DraftKings NFTs. The subtractions include: receipts from selling NFTs on the secondary markets; cash prizes received from DraftKings in contests requiring DraftKings NFT ownership; and payments made by DraftKings to NFT holders upon the discontinuation of the NFT Marketplace. Fata Decl. ¶¶ 45-50. Class Counsel believes the proposed Plan of Allocation provides a fair and reasonable method to equitably allocate the Net Settlement Fund among Class Members and that the Plan of Allocation treats Class members equitably relative to each, by providing that each Authorized Claimant shall receive a *pro rata* share of the Net Settlement Fund based on recognized losses. *Id.* ¶ 8. *See* Fed. R. Civ. P. 23(e)(2)(C)(ii). Lead Counsel's opinion is entitled to "great weight" by the Court in deciding whether to approve the plan. *New Eng. Biolabs, Inc. v. Miller*, 20 Civ. 11234-RGS, 2022 WL 20583575, at *4 (D. Mass. Oct. 26, 2022) ("In determining whether a plan of allocation is fair and reasonable, courts give great weight to the opinion of experienced counsel."). Similar plans of allocation have repeatedly been approved by courts within this District. *See, e.g., Machado v. Endurance Int'l Grp. Holdings, Inc.*, No. 15 Civ. 11775-GAO, 2019 WL 4409217, at *1-2 (D. Mass. Sept. 13, 2019); *McGee v. Constant Contact, Inc., et al.*, No. 15 Civ. 13114-MLF, ECF No. 119, Order Approving Plan of Allocation (D. Mass. May 27, 2020); *KB Asset Mgmt. NV v. Aegerion Pharms., Inc.*, No. 14 Civ. 10105-MLW, ECF No. 168, Order Approving Plan of Allocation (D. Mass Nov. 30, 2017); *see also Cabletron*, 239 F.R.D. at 35 (approving a plan where claimants would "receive a pro rata share of the Net Settlement Fund.").

Although the limited objections to date suggest that prize receipts should not be subtracted for purposes of determining the net recognized loss of a Class member, it is well within the range of fairness to subtract prize receipts given the remedy at issue. The unregistered securities and

exchange claims involve a rescission remedy. *See* 15 U.S.C. § 77(a)(1). A recission remedy requires subtracting from the purchase price of the investment any proceeds received from the investment. *See Lummus Co. v. Commonwealth Oil Ref. Co.*, 280 F.2d 915, 927 (1st Cir. 1960) ("The contract is . . . is abrogated and undone from the beginning."). Here, the prize receipts—which were associated with placing certain NFTs in prize contests—are fairly said to derive from the investment itself. Much like trading profits flow from the initial investment notwithstanding additional time and effort by the investor, so too did prize profits flow from the initial investment. Accordingly, it is within the range of fairness to subtract prize receipts for purposes of determining the net recognized loss of a Class member. *See Donell v. Kowell*, 533 F.3d 762, 771 (9th Cir. 2008) (amounts transferred by Ponzi scheme perpetrators to investor are "netted against the initial amounts invested by that individual" so net gains can be redistributed to investors with net losses).

8. Notice to the Class Satisfied the Requirements of Rule 23, Complies with Due Process, and Is Reasonable

The Notices provided to the Class satisfied the requirements of Federal Rule of Civil Procedure 23(c)(2)(B), which requires "the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort." Fed. R. Civ. P. 23(c)(2)(B); *Eisen v. Carlise & Jacquelin*, 417 U.S 156, 173 n. 11 (1974). The Notices also satisfied Federal Rule of Civil Procedure 23(e)(1), which requires that notice of a settlement be directed "in a reasonable manner to all class members who would be bound" by the settlement and that the notice "fairly apprise the prospective members of the class of the terms of the proposed settlement and of the options that are open to them." *Greenspun*, 492 F.2d at 382.

9. The Court-Approved Notices Are the Best Practicable Under the Circumstances

Both the substance of the Court-approved Notices and the method of dissemination to Members of the Class satisfy these standards. In its Preliminary Approval Order, the Court

appointed a nationally-recognized claims administrator, A.B. Data, to serve as the Settlement Administrator for the Settlement. Brauns Decl. ¶ 2. In that role, A.B. Data designed and implemented the settlement notice program (the "Notice Program") to inform Settlement Class Members about their rights and options under the Settlement. *Id*. A.B. Data began implementing the Notice Program on February 28, 2025. *Id*. ¶ 3.

Pursuant to the Preliminary Approval Order, A.B. Data caused a copy of the Email Notice to be emailed to all potential Settlement Class members based on the lists it received from Lead Counsel and DraftKings. *Id*. ¶ 6 and Exhibit A. A.B. Data caused the Email Notice to be emailed to 1,554,528 potential members of the Settlement Class. *Id*. A.B. Data received a report from the email vendor confirming that 1,485,502 emails were sent successfully without a notification of a bounce. *Id*. ¶ 7.

The Long-Form Notice, which was disseminated via email, if requested, and posted on the Settlement Website, contained the information required by Federal Rule of Civil Procedure 23(c)(2)(B), including: (i) an explanation of the nature of the Action and claims asserted; (ii) the definition of the Class; (iii) a description of the claims, issues, and defenses in the Action and the key terms of the Settlement, including the consideration amount and the releases to be given; (iv) the Plan of Allocation; (v) the Parties' reasons for proposing the Settlement; (vi) a description of the attorneys' fees and expenses that would be sought; (vii) an explanation of Class Members' right to enter an appearance through an attorney, to request exclusion from the Class and to object to the Settlement, the Plan of Allocation, or the requested attorneys' fees or expenses, as well as the time and manner for request exclusion and filing objections; and (viii) notice of the binding effect of a judgment on Class Members. *Id*. ¶ 9 and Exhibit C.

In total, A.B. Data caused Postcard Notice to be mailed to 11,310 potential members of the Settlement Class. *Id*. ¶ 8. Since the Postcard Notices were mailed to Settlement Class Members,

A.B. Data has tracked 1,081 Postcard Notices as undeliverable. *Id.* ¶ 10. A.B. Data conducted advance address research and received an updated address for 864 records. *Id.* A.B. Data promptly re-mailed Postcard Notices to these 864 updated addresses. *Id.*

Pursuant to the Preliminary Approval Order, on April 4, 2025, A.B. Data caused the Publication Notice to be transmitted once over the PR Newswire. *Id.* ¶ 11 and Exhibit D. A.B. Data also established a website, www.DraftKingsNFTSettlement.com, dedicated to this Action to provide information to the Settlement Class Members and answer frequently asked questions. *Id.* ¶ 12. The website URL was included in the Email Notice, Long-Form Notice, Claim Form, and Publication Notice. *Id.* Visitors to the website can download copies of the Long-Form Notice, Claim Form, and other case-related documents. *Id.* Visitors can also submit claims online, and, if applicable, upload supporting documentation. *Id.* As of June 23, 2025, the website has received 35,908 visits. *Id.*

A.B. Data also established and maintains an email shared mailbox, a toll-free telephone number, and a P.O. Box Address for potential Settlement Class Members to email, call, and to obtain information about the Settlement. *Id.* ¶¶ 14-16. The email address, phone number, and P.O. Box Address were made available on the settlement website and in the Email Notice, Long-Form Notice, and Claim Form. *Id.* and Exhibits A-C, E. As of June 23, 2025, A.B. Data has responded to 1,524 emails and 305 phone calls to the telephone hotline. *Id.* ¶¶ 14-15.

This combination of direct notice to all Class Members who could be identified based on Defendants' records, supplemented by publication notice, and set forth on a dedicated website constitutes "the best notice . . . practicable under the circumstances." Fed. R. Civ. P. 23(c)(2)(B); *see, e.g.*, *StockerYale*, 2007 WL 4589772, at *2 (finding that due process was satisfied where direct notice to all class members who could be identified with reasonable effort and summary notice was published once in *Investor's Business Daily* and over *PR Newswire*); *see also Cabletron*, 239

F.R.D. at 35-36 (combination of individually mailed notice packets, published in the *Wall Street Journal*, a dedicated website, and a dedicated phone hotline met the standard notice); *Medoff v. CVS Caremark Corp.*, No. 09 Civ. 0554, 2016 WL 632238, at *7 (D.R.I. Feb. 17, 2016).

10. The Class Response to the Notice Program Is Positive and the Claims Administrator Took Necessary Steps to Address the Risk of Fraud

The postmark and online filing deadline for Settlement Class Members to file claims in this Action is July 21, 2025. Brauns Decl. ¶ 17. As of the date of the Brauns Declaration, A.B. Data has received 13,957 timely-filed claim forms. *Id*. These timely-filed claim forms include 5,411 from the 171,050 members of the Settlement Class identified in the Settlement Class Information as having purchased DraftKings NFTs, resulting in a claims rate of 3.16%. *Id*. A.B. Data will continue to process claim forms through the July 21, 2025 claim filing deadline. *Id*. This suggests that the Court approved Notice Program was highly effective in reaching the Class. *See Keil v. Lopez*, 862 F.3d 685, 697 (8th Cir. 2017) ("[A] claim rate as low as 3 percent is hardly unusual in consumer class actions and does not suggest unfairness.").

The Notice Program was developed by the Parties and A.B. Data to address the unique facts of this case and was facilitated by the cooperation of DraftKings. Brauns Decl. ¶ 18. The Notice Program adequately addressed the risk of fraud by limiting accepted claims to those individuals included on the Class List provided by DraftKings. *Id*. ¶ 19.

IV. CONCLUSION

Based on the foregoing, Lead Plaintiff respectfully requests that the Court: (i) grant final approval of the proposed Settlement; (ii) approve the proposed Plan of Allocation; (iii) find that notice to the Class satisfied due process; and (iv) enter the proposed Order Approving Plan of Allocation and proposed Final Judgment.[9]

[9] Proposed orders will be submitted with Lead Counsel's reply submission no later than July 23, 2025, after the July 9, 2025 deadline for Class Members to object or exclude themselves from the Settlement and after the July 21, 2025 deadline for Class Members to submit claims has passed.

EXHIBIT A

UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

JUSTIN DUFOE, on Behalf of Himself and All Others Similarly Situated, Plaintiff, v. DRAFTKINGS INC., JASON D. ROBINS, JASON K. PARK, and MATTHEW KALISH, Defendants.	Case No. 23-cv-10524-DJC CLASS ACTION Honorable Judge Denise J. Casper

DECLARATION OF ANTHONY F. FATA IN SUPPORT OF LEAD PLAINTIFF'S MOTION FOR FINAL APPROVAL OF CLASS ACTION SETTLEMENT AND APPROVAL OF PLAN OF ALLOCATION

I, Anthony F. Fata, declare, pursuant to 28 U.S.C. § 1746, as follows:

1. I am a partner at the law firm Kirby McInerney LLP and am counsel of record for Lead Plaintiff[1] in the above-captioned action. I am admitted to practice *pro hac vice* before this Court. I have been actively involved in the prosecution and resolution of this Action, am familiar with the proceedings, and have personal knowledge of the matters set forth herein based on my active participation and supervision of all material aspects of the Action.

2. Pursuant to Federal Rule of Civil Procedure ("Rule") 23, I submit this declaration in support of Lead Plaintiff's Motion for Final Approval of Class Action Settlement, which provides for a $10,000,000 all-cash recovery on behalf of the Class and for approval of the proposed Plan of Allocation.

[1] Unless otherwise indicated, defined terms shall have the definitions set forth in the Stipulation of Settlement ("Settlement" or "Settlement Agreement"), which was filed on February 26, 2025 (ECF No. 87-2). Citations to the Settlement Agreement are abbreviated as "§ ___."

I. PRELIMINARY STATEMENT

3. The $10,000,000 proposed Settlement is the culmination of over two years of hard-fought litigation. As detailed below, Lead Counsel, with the assistance of Class Counsel, zealously prosecuted Lead Plaintiff's claims throughout this Action. The proposed Settlement was only achieved after Lead Plaintiff and Class Counsel, *inter alia*:

a. conducted a comprehensive, wide-ranging, investigation into the facts, circumstances, and potential claims and defenses that included analysis of SEC filings, media and analyst reports, press releases, shareholder communications, relevant case law and authorities, statements regarding the NFTs and Marketplace by the Defendants and others, and other publicly-available information;

b. conducted a thorough analysis of pertinent statutes, case law and regulatory guidance, and other authorities to develop a legal analytical framework for this novel case;

c. applied the investigatory and research materials to compile the lengthy Complaint and Amended Complaint;

d. researched, prepared and filed an extensive brief in opposition to Defendants' motion to dismiss the Amended Complaint, which, following oral argument, the Court denied in its entirety in a detailed opinion;

e. mapped out a comprehensive discovery plan guided by the investigation and research that included documents, information and witnesses whose testimony was critical to Lead Plaintiff and the Class's claims;

f. negotiated a comprehensive case schedule, prepared for case management

and other Court-directed filings and communications;

g. propounded extensive discovery and reviewed discovery materials produced by Defendants;

h. investigated developments occurring during the litigation with respect to Defendants' NFTs, including the closure of the DraftKings Marketplace;

i. continued researching developments in the evolving law concerning digital assets and whether they constitute securities;

j. communicated extensively with Class members who had questions about the litigation as it relates to their investments in the NFTs at issue and developments surrounding the DraftKings Marketplace and NFTs;

k. participated in lengthy settlement negotiations, including an in-person mediation session with Jed D. Melnick. Esq. and Orna Artal, Esq. of JAMS, which included the exchange of mediation statements, presentations, and evidence supporting the parties' respective positions on liability and damages, and extensive follow-up communications;

l. developed an extensive Class Notice program and the content of communications with the Class concerning the Settlement;

m. prepared extensive paperwork for the Court's review in connection with the Settlement and Preliminary Approval of the Settlement; and

n. oversaw implementation of the Notice plan and engaged in extensive communications with the Class concerning the Settlement, claims administration and related issues.

4. As further detailed herein, given Class Counsel's comprehensive prosecution of this

Action, Lead Plaintiff fully understood the strengths of the case as well as the substantial risks in proceeding with the litigation at the time that the Settlement was reached. And, while Class Counsel was confident that the evidence developed through fact and expert discovery would support the Amended Complaint's allegations, Class Counsel understood that proceeding to a decision on Lead Plaintiff's forthcoming motion for class certification and Defendants' anticipated motion for summary judgment, as well as other pretrial motions and then a jury trial (and possible appeal) presented substantial litigation risks. The risks were compounded given the nature of the NFTs at issue and the evolving law surrounding whether digital assets are securities.

5. At all times, Class Counsel were acutely aware of the somewhat new regulatory and analytical framework governing NFTs, which, in the absence of decades of precedent as in other legal contexts, could materially change at any time.

6. Lead Plaintiff alleges Defendants sold unregistered securities and operated an unregistered securities exchange in violation of federal and Massachusetts law. Defendants have argued in response that Lead Plaintiff will not prevail on his claims because the NFTs sold on its marketplace were not "investment contracts" or "securities" subject to registration, DraftKings is not a broker or dealer and the marketplace is not an exchange. If the Settlement had not been reached, Lead Counsel had little doubt that Defendants would have continued defending itself vigorously against Lead Plaintiff's claims throughout the litigation, including at class certification, summary judgment, trial and potentially on appeal.

7. The proposed Settlement avoids the substantial additional costs and risks of further litigation if this case were to continue. Class Counsel and Lead Plaintiff concluded that the $10,000,000 Settlement was in the Class's best interest.

8. In addition to seeking final approval of the Settlement, Lead Plaintiff seeks

approval of the proposed Plan of Allocation. The Plan of Allocation, which is set forth in the Notice which the Court approved prior to granting Preliminary Approval, provides for the distribution of the Net Settlement Fund to Settlement Class Members to submit Proof of Claim and Release forms that are approved for payment by the Court on a *pro rata* basis. The objective of the Plan of Allocation is to equitably distribute the Settlement proceeds to those Settlement Class Members who suffered economic losses as a proximate result of Defendants' alleged wrongdoing, using a rescission model as directed by the statutes and law governing the claims at issue.

9. The following summarizes the facts of the Action and primary events that occurred during the litigation.

II. SUMMARY OF CASE BACKGROUND AND FACTS

10. As alleged in the Amended Complaint, Defendant DraftKings is a publicly traded digital sports entertainment and gaming company. The individual defendants are Officers of DraftKings. Kalish is the President of DraftKings North America. Robins is the Chief Executive Officer, Chairman of the Board, and co-founder of DraftKings. Park is the Chief Financial Officer of DraftKings.

11. Also as alleged in the Amended Complaint, DraftKings owned, controlled, and operated the DraftKings Marketplace, an online platform where investors could buy and sell DraftKings NFTs. DraftKings NFTs feature a static or dynamic image of a professional athlete or character, and were categorized in various rarities.

12. As alleged in the Amended Complaint, under the applicable Terms of Use, an NFT buyer receives only "a limited, non-exclusive non-transferable (except pursuant to a Secondary Sale in accordance with these [Terms of Use]), revocable, non-sublicensable license to the Intellectual Property Rights practiced by, incorporated, or embedded in your purchased DraftKings

NFT solely for purposes of you using, accessing, and/or holding such purchased DraftKings NFT, including viewing the Content associated with such purchased DraftKings NFT." DraftKings retained considerable rights after selling the NFTs to Marketplace participants, such as retaining a reversionary interest in the NFTs if the NFT owner violated the Terms of Use. At all times pertinent to this litigation, DraftKings NFTs had to be kept in wallets owned by DraftKings after they were sold to investors, and the NFTs could only be bought or sold on the Marketplace and DraftKings received a commission on all sales.

13. As alleged in the Amended Complaint, NFT investors could resell NFTs to other Marketplace participants. DraftKings charged fees for every sale. The Terms of Use contemplate that an NFT investor may be able to sell their NFTs outside the DraftKings platform. However, DraftKings had "sole discretion to determine which Marketplace NFTs are eligible to be transferred . . . and to prohibit, for any reason, in DraftKings' sole discretion, any transfers of any Marketplace NFTs from the DraftKings Marketplace to any Self-Custodial Wallet." DraftKings also retained the right to royalties from sales outside the Marketplace. Secondary market transactions between investors also occurred on DraftKings' Marketplace, with DraftKings receiving at least a 5% commission on all such sales. DraftKings aggressively promoted its NFTs and a gamified version of DraftKings NFTs that were eligible for competitions called "Reignmaker" contests. DraftKings promoted its secondary market transactions through its official YouTube channel and podcasts. Additionally, numerous third-party articles and social media posts between 2021 and 2022 offered opinions on whether DraftKings NFTs and the Reignmakers contest were a good investment opportunity and, more importantly, how to "profit" from them.

14. DraftKings generated significant revenue from its initial offerings and commissions on secondary market transactions, and paid a significant portion of these proceeds back to NFT

investors in the form of cash prize payments and cash closure payments.

III. HISTORY OF THE LITIGATION

15. Class Counsel began investigating this matter in September 2022. Before filing the original complaint, Class Counsel analyzed publicly available statements by Defendants, other public records, internet and social media forums, and documents provided by Lead Plaintiff.

16. Lead Plaintiff filed the initial Complaint on March 9, 2023. ECF No. 1. After filing the Complaint, Class Counsel continued its factual investigation. Class Counsel had to develop a thorough understanding of DraftKings NFTs and functioning of the Marketplace.

17. From its onset, many complex issues in this Action set this case apart from a "typical" securities class action. Among other things, Class Counsel needed to develop a thorough analytical framework for assessing the NFTs under the *Howey* test for "investment contracts" and DraftKings role as an "exchange." In addition, a substantial portion of the NFTs at issue were "gamified," meaning they could be placed in prize competitions. This gamification would be the subject of vigorously asserted "utility" defenses by Defendants. It directly affected the complexity and risk of proving the elements under the *Howey* test for investment contracts.

18. On June 6, 2023, the Court appointed Mr. Dufoe as Lead Plaintiff to represent the proposed Class and approved Kirby McInerney LLP as Lead Counsel for the Class and Berman Tabacco as Local Counsel for the Class. ECF No. 32. In addition, Class Counsel also includes Hannafan & Hannafan Ltd. and G. Dowd Law LLC, who worked on behalf of the Class at the direction of Lead Counsel.

19. On August 4, 2023, Lead Plaintiff filed the operative Amended Complaint on behalf of himself and a class of investors who purchased Defendants' NFTs during the period of August

11, 2021, through the present. ECF No. 38.[2] Lead Plaintiff alleged DraftKings engaged in the sale of unregistered securities and the operation of an unregistered securities exchange in violation of federal and Massachusetts law.

20. On September 25, 2023, Defendants filed a motion to dismiss the Amended Complaint. ECF No. 46. On November 10, 2023, Lead Plaintiff filed its opposition to Defendants' motion to dismiss. ECF No. 55. On December 11, 2023, Defendants filed their reply in support of their motion to dismiss. ECF NO. 56. On December 19, 2023, the Court heard oral argument on Defendants' motion to dismiss.

21. In the substantial briefing and oral argument, Defendants made compelling arguments in connection with their motion to dismiss which required substantial attention by Class Counsel, who needed to thoroughly analyze the factual allegations in the context of the relevant legal framework.

22. On July 2, 2024, the Court denied Defendants' motion to dismiss in its entirety, sustaining all of Lead Plaintiffs' claims under federal and Massachusetts law in a thorough opinion detailing its analysis of the legal and factual issues. ECF No. 60.

23. On July 22, 2024, the Parties filed a Joint Statement, including a proposed schedule for this action which accelerated discovery and class certification briefing to be completed faster than what occurs in many cases. ECF No. 69.

24. On July 29, 2024, the Court held a case management conference to discuss

---

[2] The Amended Complaint alleges the following causes of action: (I) Sale of Unregistered Securities in violation of §§ 5 and 12(a) of the Securities Act; (II) Control Person Liability for violation of § 15 of the Securities Act; (III) Contracts with Unregistered Exchange in violation of §§ 5 and 29(b) of the Exchange Act; (IV) Unregistered Broker and Dealer in violation of §§ 15(a)(1) and 29(b) of the Exchange Act; (V) Control Person Liability for violation of § 20 of the Exchange Act; (VI) Unregistered Broker and Dealer in violation of Mass. Gen. Laws. Ch. 110A § 201(a); and (VII) Sale of Unregistered Securities in violation of Mass. Gen. Laws. Ch. 11A § 301.

settlement and setting deadlines relating to discovery and class certification. ECF No. 72.

25. The Court set a tight schedule, with class certification discovery to be completed by Fall 2024, and class certification to be briefed commencing December 2024. Informed by the Court's detailed ruling on the motion to dismiss, Class Counsel developed a comprehensive discovery plan inclusive of documents, information and witnesses needed for the entirety of the case, including class certification, summary judgment and trial.

26. On July 29, 2024, DraftKings sent a letter to NFL Players Inc., NFL Players Association, and OneTeam Partners, LLC terminating its Amended and Restated License Agreement with these entities related to its NFTs, Reignmakers, and the Marketplace. In this letter, DraftKings attributed its decision to this Action. Specifically, DraftKings stated: "On July 2, 2024, the district court denied the defendants' motion to dismiss and, in its ruling, **determined that the NFTs sold on Marketplace are securities subject to federal and state registration requirement**s. This unforeseen change in circumstance creates, among other things, material legal, business and financial risk for DraftKings." (emphasis added).

27. On July 30, 2024, DraftKings publicly announced its decision "to discontinue Reignmakers and our NFT Marketplace, effective immediately, **due to recent legal developments**." (emphasis added). DraftKings subsequently offered closure payments to Class members holding DraftKings NFTs.

28. On August 15, 2024, Defendants answered the Amended Complaint. ECF No. 74.

29. On September 6, 2024, Lead Plaintiff filed a Joint Motion for entry of stipulation and order regarding the protocol for production of electronically stored information and a Joint Motion for a protective order. ECF. Nos. 75-76. On September 11, 2024, the Court granted both Joint Motions and entered the respective Orders. ECF Nos. 77-80.

30. On September 19, 2024, Lead Plaintiff propounded initial discovery requests on Defendants and served deposition notices on the Individual Defendants as well as a corporate representative of DraftKings. Lead Plaintiff subsequently served a subpoena on third party, Discord, Inc.

31. To prepare for class certification briefing and litigation on the merits, Class Counsel prepared extensive memoranda on several complex legal and procedural issues critical to a meticulously planned prosecution of the Class's claims.

IV. NATURE AND ADEQUACY OF THE SETTLEMENT

32. Following the discontinuation of the DraftKings Marketplace and the offering and issuance of closure payments by DraftKings to Class members, Class Counsel was contacted by several potential Class members. Class Counsel was not consulted on the closure decision or the method by which Defendants distributed the funds, but the litigation implied to be the cause for the payments, and Class members had many questions regarding their rights with respect to the Action.

33. Following the case management conference, the Parties commenced extensive communications regarding voluntary settlement discussions.

34. In response to their requests and following negotiations over the scope of discovery necessary during settlement negotiations, Defendants produced documents that revealed, among other things, the scope of potentially recoverable damages.

35. The parties exchanged information regarding proposed mediators.

36. Also around this time, the Parties exchanged preliminary discovery in advance of mediation, allowing them to comprehensively evaluate the strengths and weaknesses of the Action. Furthermore, the discontinuation of the DraftKings Marketplace following the motion to dismiss

order and subsequent payments to potential Settlement Class Members present additional damages issues.

37. The Parties' settlement negotiations included the exchange of comprehensive mediation statements, which detailed their respective positions on legal issues and included spreadsheets with payment information used to estimate the potential damages for the Class. Lead Plaintiff's mediation statement set forth evidence based on the documents produced and interviews obtained. Defendants' mediation statement made compelling arguments, including arguments that their liability under the Securities Act did not extend to secondary transactions and that as the issuer of the alleged securities is not subject to registration requirements. These and many other matters required substantial attention by Class Counsel, who needed to analyze the factual record and pertinent law carefully.

38. At the formal mediation session with Jed Melnick and Orna Artal the Parties' positions were fully explored in a lengthy all-day session.

39. This accumulation of information permitted Lead Plaintiff and Lead Counsel to be well-informed about the strengths and weaknesses of the case, resulting in a significant recovery of $10,000,000 for the Class.

40. After the Parties agreed to a settlement in principle, Defendants provided Lead Counsel with confirmatory discovery. Negotiations continued regarding specific terms of the Settlement Agreement, which was executed four months after the mediation, on February 28, 2025.

41. Taking competing arguments into consideration, the range of realistic and supportable damages range from $18 million to $58 million, and the recovery, therefore, amounts to 26% of the mid-point of potentially recoverable damages in this case—an outstanding recovery under the circumstances. In addition, when factoring in potential additional Class damages, the

realistic range increases only to a maximum of $68 million, with the $10 million recovery equal to at least 23% of the midpoint.

42. Members of the Class will receive substantial compensation that was totally uncertain when the case began. From the outset of this Action in 2023, it was apparent that Class Counsel faced formidable challenges to establishing liability and damages on behalf of the Class. Significant risk existed that the case could be litigated for many years but result in no recovery for the Class and no payment for Class Counsel. Specifically, Class Counsel faced substantial risks and uncertainties in, among other things, proving that the NFTs at issue satisfied the elements of the *Howey* Test, Defendants' liability for secondary market transactions, and establishing the total amount of damages.

43. There is also a significant risk that Defendants could successfully challenge class certification because this was not a typical "10b-5" case, and there is very little precedent for class certification in the unregistered securities and exchange claim context. In the absence of a settlement, the Class faced a substantial litigation risk with no guarantee of a greater recovery, or any recovery for that matter.

44. After the Court granted preliminary approval of the Settlement, Class Counsel coordinated with the Settlement Administrator to ensure the successful implementation of the Notice Plan approved by the Court. Before and after the distribution of Notice to the Class, Class Counsel was contacted by dozens of Class members and potential Class members with questions about the Settlement and the claims process. Class Counsel promptly responded to these Class member inquiries.

V. THE PLAN OF ALLOCATION

45. The amount paid to each Settlement Class Member will be based on the proposed Plan of Allocation, which was set forth in the Long-Form Notice.

46. The objective of the Plan of Allocation is to equitably distribute the Settlement proceeds to those Settlement Class Members who suffered economic losses as a proximate result of Defendants' alleged wrongdoing.

47. No Settlement Class Member will receive preferential treatment; indeed, all such individuals will be eligible to recover an amount calculated on the same basis.

48. The proposed Plan of Allocation was drafted based upon investigation and discovery and with the assistance of Peregrine Economics, a firm whose principal has over 26 year of experience as a consultant and expert on hundreds of matters.

49. The Plan of Allocation takes into account all cash payments made by Class members to DraftKings for NFTs that they purchased, and all cash payments received by Class members from DraftKings that are associated with NFTs.

50. The computations under the Plan of Allocation the best method known to Class Counsel for measuring the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

I declare under penalty of perjury that the foregoing is true and correct.

A true and correct copy of the Long-Form Notice is attached as Exhibit C.

10. Since the Postcard Notices were mailed to Settlement Class Members, A.B. Data

has tracked 1,081 Postcard Notices as undeliverable. Of this total, A.B. Data conducted advance address research utilizing a third-party subscription service and received an updated address for 864 records. Postcard Notices were promptly mailed to these 864 updated addresses.

It became operational on March 21, 2025, and is accessible 24 hours a day, 7 days a week. As of the date of this Declaration, A.B. Data has received a total of 305 calls to the telephone hotline. Of the 305 calls, 269 were transferred to a live agent.

P.O. BOX

16. A.B. Data also established and continues to maintain a P.O. Box address for potential Settlement Class Members to use to obtain information about the Settlement. The P.O. Box 173039, Milwaukee, WI 53217, was made available on the settlement website and in the Email Notice, Long-Form Notice, and Claim Form.

CLAIM FORMS AND EXPECTED PAYMENT PERCENTAGE

17. The postmark and online filing deadline for Settlement Class Members to file claims in this Action is July 21, 2025. As of the date of this Declaration, A.B. Data has received 13,957 timely-filed claim forms. These timely-filed claim forms include 5,411 from the 171,050 members of the Settlement Class identified in the Settlement Class Information as having purchased DraftKings NFTs, resulting in a claims rate of 3.16%. A.B. Data will continue to process claim forms through the claim filing deadline.

ADDRESSING RISK OF FRAUD

18. The Notice Program was developed by the Parties and A.B. Data to address the

unique facts of this case and was facilitated by the cooperation of DraftKings.

19. The Notice Program adequately addressed the risk of fraud by limiting accepted claims to those individuals included on the Class List provided by DraftKings.

EXCLUSION REQUESTS

20. The Notice Program informed Settlement Class Members that requests for exclusion from the Class are to be postmarked no later than July 9, 2025. As of the date of this Declaration, A.B. Data has received three (3) requests for exclusion. A.B Data will submit a supplemental declaration after the July 9, 2025, deadline addressing any additional requests for exclusion. A true and correct copy of the requests for exclusion received to date are attached as Exhibit F.

OBJECTIONS

21. The Notice Program informed Class Members that objections were to be filed using ECF or mailed to the Clerk of Court for scanning and uploading to the docket and that the postmark deadline to object to the Settlement was July 9, 2025. As of the date of this Declaration, A.B. Data is aware of two (2) objections that were filed with the Court.

ADMINISTRATION COSTS

22. As of the Date of this Declaration, A.B. Data has incurred approximately $108,612.71 for administrative fees and costs. This includes, but is not limited to, costs incurred in connection with out-of-pocket spending on the publication notice program, postage, developing the website, monthly telephone charges, and professional fees and expenses. This amount does not include future costs related to claims processing, distribution of funds, etc.

23. A.B. Data is still administering this Settlement and expects to provide more information on its fees and costs in advance of the Final Approval Hearing. A.B. Data's total fees

and charges are capped at $180,000.00 absent work outside the scope agreed upon with the Parties at the outset. To date, no such additional work has been performed.

CONCLUSION

24. The Notice Program, as implemented, reached more than 92% of potential Settlement Class Members through direct and indirect (media) notice efforts described above.

25. In my experience, this reach percentage is consistent with other effective court-approved notice programs. In addition, it meets the 70-95% reach standard set forth in the Federal Judicial Cetner's *Judges' Class Action Notice and Claims Process Checklist and Plain Language Guide* ("FJC's Checklist").

26. In my opinion, the Notice Program provided the best notice practicable under the circumstances of this case, satisfied due process, and met the "reasonably certain to inform" due process communications standard of *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 315 (1950). In addition, the Notice Program conformed to all aspects of Federal Rule of Civil Procedure 23, comported with the guidance for effective notice articulated in the *Manual for Complex Litigation, Fourth*, and the FJC Checklist, which considers 70% reach among class members to be a "high percentage" and reasonable.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

EXHIBIT C

UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

JUSTIN DUFOE, on Behalf of Himself and All Others Similarly Situated, Lead Plaintiff, v. DRAFTKINGS INC., JASON D. ROBINS, JASON K. PARK, and MATTHEW KALISH, Defendants.	Case No. 1:23-cv-10524-DJC

NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION, SETTLEMENT HEARING, AND RIGHT TO APPEAR

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

NOTICE OF PENDENCY OF CLASS ACTION: Please be advised that your rights may be affected by the above-captioned securities class action (the "Action") pending in the United States District Court for the District of Massachusetts (the "Court"), if, during the period from August 11, 2021, through and inclusive of the date of entry of the Judgment (the "Settlement Class Period"), you purchased, acquired, sold, disposed of, owned, held, used, or otherwise transacted in non-fungible tokens ("NFTs") in a DraftKings Inc. ("DraftKings" or the "Company") account, including, but without limitation, DraftKings Marketplace ("DK Marketplace") NFTs, and were damaged thereby.[1]

NOTICE OF SETTLEMENT: Please also be advised that the Court-appointed Lead Plaintiff, Justin Dufoe ("Lead Plaintiff"), on behalf of himself and the Settlement Class (as defined in ¶ 14 below), have reached a proposed Settlement of the Action for $10,000,000 in cash that, if approved, will resolve all claims in the Action (the "Settlement").

PLEASE READ THIS NOTICE CAREFULLY. This Notice explains important rights you may have, including the possible receipt of cash from the Settlement. If you are a member of the Settlement Class, your legal rights will be affected whether or not you act.

These rights and options – **and the deadline to exercise them** – are explained in this Notice.

[1] All capitalized terms used in this Notice that are not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Settlement dated February 26, 2025 (the "Stipulation"), which is available at www.DraftKingsNFTSettlement.com.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:	
SUBMIT A CLAIM FORM ONLINE, VIA EMAIL, OR POSTMARKED NO LATER THAN JULY 21, 2025.	This is the only way to be eligible to receive a payment from the Settlement Fund. If you are a Settlement Class Member and you remain in the Settlement Class, you will be bound by the Settlement as approved by the Court and you will give up any Released Plaintiffs' Claims (defined in ¶ 23 below) that you have against Released Defendant Parties (defined in ¶ 24 below), so it is in your interest to submit a Claim Form.
EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BY SUBMITTING A WRITTEN REQUEST FOR EXCLUSION SO THAT IT IS *RECEIVED* NO LATER THAN JULY 9, 2025.	If you exclude yourself from the Settlement Class, you will not be eligible to receive any payment from the Settlement Fund. This is the only option that allows you ever to be part of any other lawsuit against any of the Released Defendant Parties concerning the Released Plaintiffs' Claims.
OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION SO THAT IT IS *RECEIVED* NO LATER THAN JULY 9, 2025.	If you do not like the proposed Settlement, the proposed Plan of Allocation, or the request for a Fee and Expense Award, you may write to the Court and explain why you do not like them. You cannot object to the Settlement, the Plan of Allocation, or the request for a Fee and Expense Award unless you are a Settlement Class Member and do not exclude yourself from the Settlement Class.
GO TO A HEARING CURRENTLY SCHEDULED FOR JULY 30, 2025, AT 3:00 P.M., AND FILE A NOTICE OF INTENTION TO APPEAR SO THAT IT IS *RECEIVED* NO LATER THAN JULY 9, 2025.	Filing a written objection and notice of intention to appear by July 9, 2025, allows you to speak in Court, at the discretion of the Court, about the fairness of the proposed Settlement, the Plan of Allocation, and/or the request for a Fee and Expense Award. If you submit a written objection, you may (but you do not have to) attend the hearing and, at the discretion of the Court, speak about your objection.
DO NOTHING.	If you are a member of the Settlement Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Settlement Class, which means that you give up your right to sue about the claims that are resolved by the Settlement, and you will be bound by any judgments or orders entered by the Court in the Action.

The Court overseeing this case still has to decide whether to approve the Settlement.

This Notice summarizes the proposed Settlement. For the precise terms and conditions of the Settlement, you may: (1) see the Settlement Agreement available at www.DraftKingsNFTSettlement.com; (2) contact Class Counsel representing the Settlement Class Members (contact information listed under Paragraph 61 below); (3) access the Court docket in the case, for a fee, through the Court's Public Access to Court Electronic Records (PACER) system at https://ecf.cand.uscourts.gov; or (4) visit the office of the Clerk of Court for the United States District Court for the District of Massachusetts, 1 Courthouse Way, Boston, Massachusetts 02210, between 9:00 a.m. and 4:00 p.m., Monday through Friday, excluding Court holidays.

PLEASE DO NOT CONTACT THE COURT OR THE COURT CLERK'S OFFICE REGARDING THIS NOTICE, THIS SETTLEMENT, OR THE CLAIMS PROCESS.

WHY DID I RECEIVE THIS NOTICE?

1. The Court directed that this Notice be mailed to you because you may have purchased, acquired, sold, disposed of, owned, held, used, or otherwise transacted in DraftKings NFTs during the Settlement Class Period. The Court has directed us to send you this Notice because, as a potential Settlement Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action lawsuit may generally affect your legal rights. If the Court approves the Settlement and the Plan of Allocation (or some other plan of allocation), the Settlement Administrator, selected by Lead Plaintiff and approved by the Court, will make payments pursuant to the Settlement after any objections and appeals are resolved.

2. The purpose of this Notice is to inform you of the existence of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Settlement Class if you wish to do so. It is also being sent to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation, and the motion by Lead Counsel for a Fee and Expense Award and the Service Award (the "Settlement Hearing"). *See* paragraph 51 below for details about the Settlement Hearing, including the date and location of the hearing.

3. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement and a plan of allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

WHAT IS THIS CASE ABOUT?

4. A class action complaint was filed in the Court on March 9, 2023, styled *Dufoe et al. v. DraftKings Inc. et al.*, No. 1:23-cv-10524 (D. Mass.).

5. By Order dated June 6, 2023, Dufoe was appointed Lead Plaintiff, and its selection of Kirby McInerney LLP to serve as Lead Counsel and Berman Tabacco to serve as Local Counsel was approved by the Court. Together, Kirby McInerney LLP, Berman Tabacco, Hannafan & Hannafan Ltd., and G. Dowd Law LLC serve as Class Counsel.

6. On August 4, 2023, Lead Plaintiff filed the Amended Complaint for violation of federal and Massachusetts securities laws alleging claims (i) against all Defendants for alleged violations of §§ 5 and 12(a)(1) of the Securities Act of 1933 ("Securities Act"), (ii) against DraftKings for alleged violations of §§ 5 and 29(b) of the Securities Exchange Act of 1934 ("Exchange Act"), (iii) against DraftKings for alleged violations of §§ 15(a)(1) and 29(b) of the Exchange Act, (iv) against Robins, Park, and Kalish for "control person" liability under § 15 of the Securities Act and § 20 of the Exchange Act, (v) against DraftKings for alleged violations of Mass. Gen. Laws Ch. 110A § 201(a), and (vi) against all Defendants for alleged violations of Mass. Gen. Laws Ch. 110A § 301. Among other things, the Amended Complaint alleged that NFTs purchased, sold, and held on the DraftKings Marketplace constitute securities that were not registered in accordance with federal and state law, and that the DK Marketplace is or was a securities exchange and DraftKings

acts or acted as a securities broker when transacting in NFTs, neither of which were registered as allegedly required by federal and state law.

7. On September 25, 2023, Defendants filed a motion to dismiss the Amended Complaint, which was thereafter fully briefed. On July 2, 2024, the Court issued its Memorandum and Order denying the motion to dismiss. On August 15, 2024, Defendants filed their Answer to the Amended Complaint, after which discovery commenced.

8. In September and October 2024, counsel for the Parties engaged in early settlement communications and the exchange of information and discovery pertinent to alleged liability and damages issues and defenses to the same.

9. On October 22, 2024, counsel for the Parties participated in a full-day mediation session before Jed D. Melnick, Esq. and Orna Artal, Esq. of JAMS. Before the mediation, the Parties exchanged mediation statements and exhibits, which addressed issues of both liability and damages. The mediation was successful, and the Parties reached an agreement-in-principle to settle the Action for $10,000,000 in cash, subject to negotiation and execution of mutually agreeable definitive documentation and approval by the Court. On October 23, 2024, the Parties informed the Court of the settlement-in-principle of the Action.

10. Lead Plaintiff and Lead Plaintiff's Counsel have concluded that the terms and conditions of this Stipulation are fair, reasonable, and adequate to Lead Plaintiff and the other members of the Settlement Class, and in their best interests. Based on Lead Plaintiff's direct oversight of the prosecution of this matter and with the advice of Lead Counsel and other Class Counsel, Lead Plaintiff has agreed to settle and release the Released Plaintiffs' Claims (as defined below) pursuant to the terms and conditions of this Stipulation, after considering, among other things: (a) the financial benefit that Lead Plaintiff and the other members of the Settlement Class will receive under the proposed Settlement; and (b) the significant costs, risks, and delay of continued litigation, trial, and appeal.

11. The Parties agree that certification of a class, for settlement purposes only, is appropriate in the Action. For purposes of this Settlement only, the Settlement Class is defined in paragraph 14. The Parties intend that the provisions herein concerning certification of the Settlement Class shall have no effect whatsoever in the event the Settlement does not become Final.

12. Defendants are entering into this Stipulation to avoid the cost, disruption, and uncertainty of further litigation. Each of the Defendants denies any wrongdoing, and this Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any of the Defendants with respect to any claim or allegation of any fault or liability or wrongdoing or damage whatsoever in any other matter, or any infirmity in the defenses that Defendants have, or could have, asserted. Defendants expressly deny any and all allegations of fault, liability, wrongdoing, or damages. Similarly, this Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of Lead Plaintiff of any infirmity in any of the claims asserted in the Action, or an admission or concession that any of the Defendants' defenses to liability had any merit.

13. On February 28, 2025, the Court preliminarily approved the Settlement, authorized this Notice to be disseminated to potential Settlement Class Members, and scheduled the Settlement Hearing to consider whether to grant final approval to the Settlement.

HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT? WHO IS INCLUDED IN THE SETTLEMENT CLASS?

14. If you are a member of the Settlement Class, you are subject to the Settlement, unless you timely request to be excluded. The Settlement Class consists of:

> All persons or entities who purchased, acquired, sold, disposed of, owned, held, used, or otherwise transacted in NFTs in a DraftKings account from August 11, 2021 through and inclusive of the date of entry of the Judgment, including, without limitation, Marketplace NFTs.

Excluded from the Settlement Class are: (i) Defendants; (ii) DraftKings' officers and directors during the Class Period; (iii) the Immediate Family of Defendants and their legal representatives, heirs, successors, or assigns; and (iv) any entity in which Defendants have or had a controlling interest. Also excluded from the Settlement Class are those persons who are found by the Court to have timely and validly submitted a request for exclusion from the Settlement Class that is accepted by the Court. *See* "What if I Do Not Want to Be a Member of the Settlement Class? How Do I Exclude Myself?," on page 13 below.

PLEASE NOTE: RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE PROCEEDS FROM THE SETTLEMENT. IF YOU ARE A SETTLEMENT CLASS MEMBER AND YOU WISH TO BE ELIGIBLE TO PARTICIPATE IN THE DISTRIBUTION OF PROCEEDS FROM THE SETTLEMENT, YOU ARE REQUIRED TO SUBMIT THE CLAIM FORM THAT IS BEING DISTRIBUTED WITH THIS NOTICE AND THE REQUIRED SUPPORTING DOCUMENTATION AS SET FORTH THEREIN ONLINE OR POSTMARKED NO LATER THAN JULY 21, 2025.

WHAT ARE LEAD PLAINTIFF'S REASONS FOR THE SETTLEMENT?

15. Lead Plaintiff and Lead Counsel believe that the claims asserted against Defendants have merit. They recognize, however, the expense and length of continued proceedings necessary to pursue their claims against the remaining Defendants through trial and appeals, as well as the very substantial risks they would face in establishing liability and damages. For example, Defendants argued and would have continued to argue that DraftKings is not a broker or dealer, that DraftKings NFTs are not securities, and that the Marketplace is not an exchange and therefore DraftKings is not subject to federal or state securities laws. Additionally, Defendants would continue to argue that Lead Plaintiff and the Class: (i) lack standing to challenge NFTs that were not purchased at a loss; (ii) allege claims that are in substantial part untimely; (iii) have no viable securities act claim for secondary market transactions; and (iv) alleged claims for damages are limited. Additionally, Lead Plaintiff would have to prevail at several stages—class certification, motions for summary judgment, trial, and if prevailed on those, on the appeals that were likely to follow. Thus, there were very significant risks attendant to the continued prosecution of the Action.

16. In light of these risks, the amount of the Settlement, and the immediacy of recovery to the Settlement Class, Lead Plaintiff and Class Counsel believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Settlement Class. Lead Plaintiff and Class Counsel believe that the Settlement provides a substantial benefit to the Settlement Class, namely

$10,000,000 in cash (less the various deductions described in this Notice), as compared to the risk that the claims in the Action would produce a smaller, or no recovery after the motion to dismiss, summary judgment, trial, and appeals, possibly years in the future.

17. Defendants have denied the claims asserted against them in the Action and deny having engaged in any wrongdoing or violation of law of any kind whatsoever. Defendants have agreed to the Settlement solely to eliminate the burden and expense of continued litigation. Accordingly, the Settlement may not be construed as an admission of any wrongdoing by Defendants.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

18. If there were no Settlement and Lead Plaintiff failed to establish any essential legal or factual element of the claims asserted against Defendants, neither Lead Plaintiff nor the other members of the Settlement Class would recover anything from Defendants. Also, if Defendants were successful in proving any of their defenses, either at the class certification, summary judgment, trial, or appeal, the Settlement Class could recover substantially less than the amount provided in the Settlement, or nothing at all.

HOW ARE SETTLEMENT CLASS MEMBERS AFFECTED BY THE ACTION AND THE SETTLEMENT?

19. As a Settlement Class Member, you are represented by Lead Plaintiff and Class Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf and must serve copies of his or her appearance on the attorneys listed in the section below entitled, "When and Where Will the Court Decide Whether to Approve the Settlement?".

20. If you are a Settlement Class Member and do not wish to remain a Settlement Class Member, you may exclude yourself from the Settlement Class by following the instructions in the section below entitled, "What if I Do Not Want to Be a Member of the Settlement Class? How Do I Exclude Myself?".

21. If you are a Settlement Class Member and you wish to object to the Settlement, the Plan of Allocation, or Class Counsel's application for a Fee and Expense Award and a Service Award, and if you do not exclude yourself from the Settlement Class, you may present your objections by following the instructions in the section below entitled, "When and Where Will the Court Decide Whether to Approve the Settlement?".

22. If you are a Settlement Class Member and you do not exclude yourself from the Settlement Class, you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (the "Judgment"), which will dismiss with prejudice the claims against Defendants and will provide that, upon the Effective Date of the Settlement, Lead Plaintiff and each of the other Settlement Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, will have fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged any and all Released Plaintiffs' Claims (as defined in ¶ 23 below) against the Released Defendant Parties (as defined in ¶ 24 below), and shall forever be barred and enjoined from

prosecuting any or all of the Released Plaintiffs' Claims against any and all of the Released Defendant Parties.

23. "Released Plaintiffs' Claims" means (i) any and all Claims asserted by Lead Plaintiff in the Action, and (ii) any and all Claims and Unknown Claims (as defined below) that Lead Plaintiff or any member of the Settlement Class asserted or could have asserted in the Action or in any other forum against the Released Defendant Parties in connection with, arising out of, or relating with respect to any Marketplace NFTs or any of the facts alleged in the Action, including, but not limited to, any and all Claims arising out of or relating to: (a) any purchase, acquisition, sale, trade, transfer, disposition of, owning, use, minting, burning, holding, listing, or any other transaction in any Marketplace NFTs during the Class Period; (b) any use or ownership of any Marketplace NFTs during the Class Period; (c) the value of, or consideration paid or received in, any Marketplace NFTs purchased, acquired, sold, traded, transferred, disposed of, owned, used, minted, burned, held, listed, or otherwise transacted in during the Class Period; (d) all disclosures, public statements, press releases, advertising, marketing, or solicitation materials, or other statements issued, made available, or disseminated by any of the Released Defendant Parties relating, directly or indirectly, to any Marketplace NFTs; (e) the fees, expenses or costs (including any Fee and Expense Award) incurred in prosecuting, defending, or settling the Action; (f) the Service Award; or (g) any deliberations, negotiations, representations, omissions, or other conduct leading to the execution of this Stipulation and entering into the Settlement.

Notwithstanding the foregoing, the Released Plaintiffs' Claims do not include (i) all claims relating to the enforcement of this Stipulation and the Settlement; (ii) all claims against Marketplace Licensors unrelated to the purchase, acquisition, sale, trade, transfer, disposition of, owning, use, minting, burning, holding, listing, or any other transaction in Marketplace NFTs on the DK Marketplace, including claims alleged in the complaints filed on or before the date of this Stipulation in the actions captioned *Headley v. LFG NFTs, Corp, et al.*, No. 1:24-cv-24613-FAM (S.D. Fla.), *Headley v. LFG NFTs, Corp, et al.*, No. 2024-015525-CA-01 (Fla. Circ. Ct. Miami-Dade Cty.), and *Mullens v. LFG NFTs, Corp.*, No. 23-SC-331C (Cal. Super. Ct. San Diego Cty.), (iii) the claims alleged derivatively on behalf of DraftKings in *In re DraftKings Inc. Stockholder Derivative Litigation*, Lead Case No. A-23-871543 (Clark Cty., Nev.); and (iv) all claims of any person or entity who or which submits a request for exclusion from the Class that is accepted by the Court.

24. "Released Defendant Parties" means: (i) the Defendants; (ii) the Immediate Family of any Defendant; (iii) Defendants' past or present, associates, members, managers, partners, partnerships, investment funds, subsidiaries, parents, predecessors, and successors; (iv) all entities that control, are controlled by, or are under common control with any Defendant; (v) all officers, directors, employees, agents, advisors, shareholders, and attorneys (including Defendants' Counsel) of any and all of the foregoing persons and entities; (vi) the legal representatives, heirs, executors, administrators, predecessors, successors, predecessors-in-interest, successors-in-interest, and assigns of any and all of the foregoing persons and entities; and (vii) any licensors of intellectual property rights or providers of services to DraftKings in connection with DK Marketplace or Marketplace NFTs, including, without limitation, National Football League Players Association, National Football League Players Incorporated, PGA Tour, Inc., Zuffa Marketing, LLC, LFG NFTS, Corp., and Matic Network BVI LTD, in each case in their capacities as such licensors or service providers to DraftKings and only in connection with the purchase, acquisition, sale, trade, transfer, disposition of, owning, use, minting, burning, holding, listing, or

any other transaction in any Marketplace NFTs on the DK Marketplace (collectively, "Marketplace Licensors").

25. "Unknown Claims" means any Released Plaintiffs' Claims that the Released Plaintiff Parties do not know or suspect to exist in his, her, its, or their favor at the time of the release of the Released Plaintiffs' Claims, and any Released Defendants' Claims that any Defendant does not know or suspect to exist in his, her, its, or their favor at the time of the release of the Released Defendants' Claims, including those which, if known by him, her, it, or them, might have affected his, her, its, or their decision(s) with respect to the Settlement. The Parties acknowledge, and the other Settlement Class Members by operation of law are deemed to acknowledge, that they may discover facts in addition to or different from those now known or believed to be true with respect to the Released Plaintiffs' Claims and the Released Defendants' Claims, but that it is the intention of the Parties, and by operation of law the other Settlement Class Members, to completely, fully, finally, and forever extinguish any and all Released Plaintiffs' Claims and Released Defendants' Claims, known or unknown, suspected or unsuspected, which now exist, or heretofore existed, or may hereafter exist, and without regard to the subsequent discovery of additional or different facts. The Parties also acknowledge, and the other Settlement Class Members by operation of law are deemed to acknowledge, that the inclusion of "Unknown Claims" in the definition of the Released Plaintiffs' Claims and the Released Defendants' Claims was separately bargained for and is a key element of the Settlement.

26. The Judgment will also provide that, upon the Effective Date of the Settlement, Defendants and each of the other Released Defendant Parties, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, will have fully, finally and forever compromised, settled, released, resolved, relinquished, waived, and discharged any and all Released Defendants' Claims (as defined in ¶ 27 below) against Lead Plaintiff and other Released Plaintiff Parties (as defined in ¶ 28 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants' Claims against any of the Released Plaintiff Parties.

27. "Released Defendants' Claims" means any and all Claims, including Unknown Claims (as defined below), that have been or could have been asserted in the Action, or in any court, tribunal, forum, or proceeding, by Defendants or any of their respective successors and assigns against any of the Released Plaintiff Parties, that arise out of the institution, prosecution, settlement, or dismissal of the Action; provided, however, that the Released Defendants' Claims shall not include Claims to enforce the Stipulation or the Judgment.

28. "Released Plaintiff Parties" means: (i) Lead Plaintiff and all other Settlement Class Members; (ii) all Settlement Class Members' past or present, direct affiliates, associates, members, managers, partners, partnerships, investment funds, attorneys (including Class Counsel), subsidiaries, parents, predecessors, and successors; (iii) all officers, directors, employees, and attorneys of any and all of the foregoing persons and entities; and (iv) the legal representatives, heirs, executors, administrators, predecessors, successors, predecessors-in-interest, successors-in-interest and assigns of any of the foregoing persons and entities.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

29. To be eligible for a payment from the proceeds of the Settlement, you must be a member of the Settlement Class and you must timely complete and submit the Claim Form with adequate supporting documentation: **(i) online using the electronic version of the Claim Form hosted at www.DraftKingsNFTSettlement.com no later than July 21, 2025; (ii) by email to info@DraftKingsNFTSettlement.com no later than July 21, 2025; or (iii) by First-Class Mail to *DraftKings NFT Settlement*, c/o A.B. Data, Ltd., P.O. Box. 173039, Milwaukee, WI 53217 so that it is postmarked no later than July 21, 2025.** A Claim Form is included with this Notice, or you may obtain one from the website maintained by the Settlement Administrator for the Settlement, www.DraftKingsNFTSettlement.com, or you may request that a Claim Form be mailed to you by calling the Settlement Administrator toll free at (877) 883-9186. Please retain all records of your ownership of and transactions in DraftKings NFTs, as they may be needed to document your Claim. If you request exclusion from the Settlement Class or do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

HOW MUCH WILL MY PAYMENT BE?

30. At this time, it is not possible to make any determination as to how much any individual Settlement Class Member may receive from the Settlement.

31. Pursuant to the Settlement, Defendants have agreed to pay or caused to be paid ten million dollars ($10,000,000) in cash. The Settlement Amount will be deposited into an escrow account. The Settlement Amount plus any interest earned thereon is referred to as the "Settlement Fund." If the Settlement is approved by the Court and the Effective Date occurs, the "Net Settlement Fund" (that is, the Settlement Fund less: (a) all federal, state, and/or local taxes on any income earned by the Settlement Fund and the reasonable costs incurred in connection with determining the amount of and paying taxes owed by the Settlement Fund (including reasonable expenses of tax attorneys and accountants); (b) the costs and expenses incurred in connection with providing notice to Settlement Class Members and administering the Settlement on behalf of Settlement Class Members; (c) any attorneys' fees and Litigation Expenses awarded by the Court; and (d) any other costs or fees approved by the Court including Service Awards) will be distributed to Settlement Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other plan of allocation as the Court may approve.

32. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal, or review, whether by certiorari or otherwise, has expired.

33. Neither Defendants nor any other person or entity that paid any portion of the Settlement Amount on their behalf are entitled to get back any portion of the Settlement Fund once the Court's order or judgment approving the Settlement becomes Final. Defendants shall not have any liability, obligation, or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund, or the plan of allocation.

34. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

35. Unless the Court otherwise orders, any Settlement Class Member who fails to submit a Claim Form online, by email, or by mail postmarked on or before July 21, 2025, shall be fully and forever barred from receiving payments pursuant to the Settlement, but will in all other respects remain a Settlement Class Member and be subject to the provisions of the Stipulation, including the terms of any Judgment entered and the releases given. This means that each Settlement Class Member releases the Released Plaintiffs' Claims (as defined in ¶ 23 above) against Released Defendant Parties (as defined in ¶ 24 above) and will be enjoined and prohibited from filing, prosecuting, or pursuing any of the Released Plaintiffs' Claims against any of Released Defendant Parties whether or not such Settlement Class Member submits a Claim Form.

36. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the Claim of any Settlement Class Member.

37. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her, or its Claim Form.

38. Only Settlement Class Members, *i.e.*, persons and entities who purchased, acquired, sold, disposed of, owned, held or used DraftKings NFTs during the Settlement Class Period and were damaged as a result of such purchases or acquisitions will be eligible to share in the distribution of the Net Settlement Fund. Persons and entities that are excluded from the Settlement Class by definition or that exclude themselves from the Settlement Class pursuant to request will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Claim Forms.

PROPOSED PLAN OF ALLOCATION

39. The Plan of Allocation set forth below is the plan for the distribution of the Net Settlement Fund that is being proposed by Lead Plaintiff and Class Counsel to the Court for approval. The Court may approve this Plan of Allocation or modify it without additional notice to the Settlement Class. Any order modifying the Plan of Allocation will be posted on the Settlement website at www.DraftKingsNFTSettlement.com.

40. The objective of the Plan of Allocation is to equitably distribute the Settlement proceeds to those Settlement Class Members who suffered economic losses as a proximate result of Defendants' alleged wrongdoing. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

41. Based on the formulas set forth below, an "Individual Recognized Loss" or "IR" and a "Pro Rata Share of the Net Settlement Fund" or "PR" shall be calculated by the Settlement Administrator for each individual Settlement Class Member's recognized loss during the Class Period. Solely to assist in the dissemination of notice, DraftKings shall use reasonable efforts to provide Class Counsel and the Settlement Administrator with information necessary to determine each Settlement Class Member's IR and PR, including each known Settlement Class Member's name, contact information, and account and transaction information. Each Settlement Class Member identified in DraftKings' records will be sent their estimated distribution amount in

advance of distribution so they are able to review the amount and make any necessary inquiries prior to Class Counsel's request for an Order allowing Distribution of the Net Settlement Fund.

42. First, the IR shall be calculated by adding the individual Claimants': (i) "Primary Market Payments" or "PP," which is the aggregate amount the Settlement Class Member paid for all purchases of all NFTs from DraftKings in the primary market or "drops;" and (ii) "Secondary Market Payments" or "SP," which is the aggregate amount the Settlement Class Member paid for all purchases of NFTs in the secondary market or the "Marketplace." The Settlement Administrator will then subtract any: (a) "Secondary Market Receipts" or "SR," which is the aggregate amount received by the Settlement Class Member for all sales of NFTs in the secondary market; (b) "Closure Receipts" or "CR," which is the aggregate amount the Settlement Class Member received from DraftKings in connection with its Marketplace shutdown offer; and/or (c) "Prize Receipts" or "PR," which is the amount the Settlement Class Member received from DraftKings in prize contests.

IR = [PP + SP] – [SR + CR + PR] [2]

43. Next, to determine the Settlement Class Member's PR, the Settlement Administrator will divide the IR (*i.e.*, that particular Settlement Class Member's recognized loss) by the "Aggregate Recognized Loss" or "AR," (*i.e.*, all Settlement Class Member's recognized losses combined) with the resulting percentage multiplied against the "Net Settlement Fund" or "NF" (*i.e.*, the balance remaining in the Settlement Fund after the payment of: (i) any and all Notice Costs; (ii) any and all Administration Costs; (iii) any and all Taxes; (iv) any Fee and Expense Award; (v) any Service Award; and (vi) any other fees, costs, or expenses approved by the Court).

PR = [IR/AR] x NF

44. To participate in the distribution, Authorized Claimants must be entitled to a distribution payment of at least $5.00. If any funds remain in the Net Settlement Fund after the initial distribution, then the remaining balance of the Net Settlement Fund six (6) months after the initial distribution shall be used: (i) first, to pay any amounts mistakenly omitted from the initial distribution to Authorized Claimants who will receive at least a $5.00 payment; (ii) second, to pay any additional Notice Costs and Administration Costs incurred in administering the Settlement; and (iii) finally, to make a second distribution to Authorized Claimants who would receive at least $5.00 from such second distribution, after payment of the estimated costs or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. Six (6) months after such second distribution, if undertaken, or if such second distribution is not undertaken, any funds remaining in the Net Settlement Fund shall be contributed to a *cy pres* recipient agreed on between the Parties and approved by the Court.

45. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, shall be conclusive against all Claimants. No person shall have any claim against Lead Plaintiff, Class Counsel, Lead Plaintiff's consulting expert, Defendants, Defendants' Counsel, any of the other Releasees, or the Settlement Administrator or the agent designated by Class Counsel arising from distributions made substantially in accordance with the Stipulation, the

[2] Should the resulting IR be a negative number, the Settlement Class Member's IR would be adjusted to $0 and the Settlement Class Member would not be eligible for a distribution from the Settlement Fund.

Plan of Allocation approved by the Court, or further Orders from the Court. Lead Plaintiff, Defendants, their respective counsel, and all other Releasees shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund, the Net Settlement Fund, the Plan of Allocation, or the determination, administration, calculation, or payment of any Claim Form or nonperformance of the Settlement Administrator, the payment or withholding of Taxes owed by the Settlement Fund, or any losses incurred in connection therewith.

WHAT PAYMENT ARE THE ATTORNEYS FOR THE SETTLEMENT CLASS SEEKING? HOW WILL THE LAWYERS BE PAID?

46. Class Counsel have not received any payment for their services in pursuing claims against the Defendants on behalf of the Settlement Class, nor has Class Counsel been reimbursed for its out-of-pocket expenses. Before final approval of the Settlement, Class Counsel will apply to the Court for an award of attorneys' fees for all Class Counsel in an amount not to exceed one-third of the Settlement Fund. At the same time, Class Counsel also intends to apply for reimbursement of Litigation Expenses in an amount not to exceed $100,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiff directly related to its representation of the Settlement Class in an amount not to exceed $50,000. The Court will determine the amount of any Fee and Expense Award. Such sums as may be approved by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses.

WHAT IF I DO NOT WANT TO BE A MEMBER OF THE SETTLEMENT CLASS? HOW DO I EXCLUDE MYSELF?

47. Each Settlement Class Member will be bound by all determinations and judgments in this lawsuit, whether favorable or unfavorable, unless such person or entity mails or delivers a written Request for Exclusion from the Settlement Class, addressed to *DraftKings NFT Settlement*, EXCLUSIONS, c/o A.B. Data, Ltd., P.O. Box. 173039, Milwaukee, WI 53217. The exclusion request must be ***received*** no later than July 9, 2025. You will not be able to exclude yourself from the Settlement Class after that date. Each Request for Exclusion must: (a) state the name, address, and telephone number of the person or entity requesting exclusion, and in the case of entities, the name and telephone number of the appropriate contact person; (b) state that such person or entity "requests exclusion from the Settlement Class in *Dufoe v. DraftKings, et al.*, No. 1:23-cv-10524 (D. Mass.)"; (c) identify and state the DraftKings NFTs that the person requesting exclusion purchased/acquired and/or sold during the Settlement Class Period (*i.e.*, from August 11, 2021 through and inclusive of the date of entry of the Judgment), as well as the dates and prices of each such purchase/acquisition and/or sale; and (d) be signed by the person or entity requesting exclusion or an authorized representative. A request for exclusion shall not be valid and effective unless it provides all the information called for in this paragraph and is received within the time stated above, or is otherwise accepted by the Court.

48. If you do not want to be part of the Settlement Class, you must follow these instructions for exclusion even if you have a pending proceeding, or later file another lawsuit, arbitration, or other proceeding relating to any Released Plaintiffs' Claim against any of the Released Defendant Parties.

49. If you ask to be excluded from the Settlement Class, you will not be eligible to receive any payment out of the Net Settlement Fund.

50. Defendants have the right to terminate the Settlement in the event that collective requests for exclusion from the Settlement Class by Settlement Class Members meet the conditions set forth in Defendants' confidential supplemental agreement with Lead Plaintiff, in accordance with the terms of that agreement.

WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT? DO I HAVE TO COME TO THE HEARING? MAY I SPEAK AT THE HEARING IF I DO NOT LIKE THE SETTLEMENT?

51. **Settlement Class Members do not need to attend the Settlement Hearing. The Court will consider any submission made in accordance with the provisions below even if a Settlement Class Member does not attend the hearing. You can participate in the Settlement without attending the Settlement Hearing.**

52. The Settlement Hearing is currently scheduled to be held on July 30, 2025, at 3:00 p.m., before the Honorable Denise J. Such persons may be heard orally at the discretion of the Court.

57. You are not required to hire an attorney to represent you in making written objections or in appearing at the Settlement Hearing. 59. **Unless the Court orders otherwise, any Settlement Class Member who does not object in the manner described above will be deemed to have waived any objection and shall be forever foreclosed from making any objection to the proposed Settlement, the proposed Plan of Allocation, or Class Counsel's motion for a Fee and Expense Award or a Service Award. Settlement Class Members do not need to appear at the Settlement Hearing or take any other action to indicate their approval.**

CHICAGO, April 4, 2025 /PRNewswire/ --

Have you purchased, sold, or held DraftKings NFTs?

If you purchased, sold, held, or otherwise transacted in DraftKings NFTs at any point from August 11, 2021, through and inclusive of the date of entry of the judgment, you should read this Notice of Class Action Settlement as it may impact your legal rights.

A court authorized this notice. This is not a solicitation.

You must file a Claim Form by July 21, 2025, to receive cash benefits from this Settlement. To file a Claim, please visit the website www.DraftKingsNFTSettlement.com.

A Settlement has been reached with DraftKings Inc. and certain of its officers ("DraftKings") in *Dufoe v. DraftKings*, No. 1:23-cv-10524 (D. Mass.), a class action lawsuit (the "Action") alleging that NFTs purchased, sold, held, or otherwise transacted on the DraftKings Marketplace constitute securities that were not registered in accordance with federal and state law. The Action also alleges that the DraftKings Marketplace is a securities exchange and DraftKings acts as a securities broker when transacting in NFTs, neither of which were registered as required by federal and state law. DraftKings denies all allegations of wrongdoing.

Your options are: (1) stay in the Settlement Class and submit a claim; (2) ask to be excluded from the Settlement Class (opt out); or (3) object to the Settlement.

The Court has appointed Class Counsel to represent you and will decide whether to approve the Settlement at a Final Approval Hearing currently scheduled for July 30, 2025. That date is subject to change without further notice. A current date of the Final Approval Hearing can be found on the Settlement website.

Class Counsel may ask the Court for an award of attorneys' fees up to one-third of the $10 million Settlement Amount, and costs not to exceed $100,000, as well as a Service Award not to exceed $50,000 for Lead Plaintiff. The Court will determine the amounts to be paid, which will come from the Settlement Amount.

To learn more about your options or to contact Class Counsel, you may visit the Settlement website at **www.DraftKingsNFTSettlement.com** or call (877) 883-9186. The deadline to file a claim is July 21, 2025, and the deadline to opt out or object is July 9, 2025.

PLEASE DO NOT CONTACT THE COURT OR THE COURT CLERK'S OFFICE REGARDING THIS NOTICE, THIS SETTLEMENT, OR THE CLAIMS PROCESS.
