Pursuant to Federal Rule of Civil Procedure 23(e), Lead Plaintiff Justin Dufoe,¹ on behalf of himself and the Settlement Class, hereby moves this Court for entry of the accompanying Proposed Order Approving Settlement Distribution to Authorized Claimants (the “Distribution Order”) in the above-captioned class action (the “Action”), consistent with the accompanying Declaration of Kathleen M. Brauns Regarding Distribution Plan (“Brauns Distribution Declaration” or “Brauns Distribution Decl.”), dated January 26, 2026, submitted on behalf of the Court-approved Settlement Administrator, A.B. Data (“A.B. Data” or “Settlement Administrator”). In compliance with Local Rule 7.1(a)(2), Lead Counsel conferred with counsel for Defendants, who take no position on the relief requested.²

I. PRELIMINARY STATEMENT

Pursuant to the Settlement Agreement, Defendants agreed to pay, or cause to be paid, \$10,000,000 to settle the claims asserted in the Action. § 1(uu). The Court granted preliminary approval of the Settlement and notice plan by an Order entered February 28, 2025 (ECF No. 89) (the “Preliminary Approval Order”).

In accordance with the Preliminary Approval Order, A.B. Data caused a copy of the Email Notice to be emailed to 1,554,528 potential Settlement Class Members based on the lists it received from Lead Counsel and DraftKings. Brauns Distribution Decl. ¶ 3. For the 12,284 potential Settlement Class Members whose email address was not provided or where the Email Notice was

¹ Unless otherwise indicated, defined terms shall have the definitions set forth in the Stipulation of Settlement (“Settlement” or “Settlement Agreement”), which was filed on February 26, 2025 (ECF No. 87-2). Citations to the Settlement Agreement are abbreviated as “§ ____.”

² Pursuant to the Settlement Agreement, previously approved by the Court, Defendants have no interest in the relief sought by this Motion. *See* § 27 (“No Defendant . . . shall be permitted to review, contest, or object to any Proof of Claim, or any decision of the Settlement Administrator or Class Counsel with respect to accepting or rejecting any claim for payment.”).

undeliverable, A.B. Data provided direct notice utilizing the Postcard Notice. *Id.* ¶ 4. In accordance with Paragraph 10(c) of the Preliminary Approval Order, on April 4, 2025, A.B. Data caused the Publication Notice to be transmitted once over the *PR Newswire*. *Id.* ¶ 5. The Email Notice, Postcard Notice, and Publication Notice informed Settlement Class Members that if they wished to be eligible to participate in the distribution of the Net Settlement Fund, they were required to submit Claim Forms by no later than July 21, 2025. *Id.* ¶ 6.

A.B. Data established and continues to maintain the Settlement Website (www.DraftKingsNFTSettlement.com) dedicated to this Action, and an email box (info@DraftKingsNFTSettlement.com), toll-free helpline (877-833-9186), and P.O. Box (DraftKings NFT Settlement, c/o A.B. Data, Ltd., P.O. Box. 173039, Milwaukee, WI 53217) to assist Settlement Class Members. *Id.* ¶ 7. The Settlement Website informed Settlement Class Members that if they wished to be eligible to participate in the distribution of the Net Settlement Fund, they were required to submit Claim Forms no later than July 21, 2025. *Id.* ¶ 8. If a Settlement Class Member contacted A.B. Data via email, mail, or called the toll-free helpline, they were informed of the requirement to submit Claim Forms no later than July 21, 2025. *Id.* ¶ 9.

The Court granted final approval of the Settlement and the proposed Plan of Allocation by an Order and Final Judgment dated July 30, 2025 (ECF No. 106) (the “Final Approval Order”). The Effective Date of the Settlement occurred on September 1, 2025. § 16. Accordingly, the Net Settlement Fund may be distributed to Authorized Claimants. § 29.

If entered by the Court, the proposed Distribution Order will, among other things: (i) approve A.B. Data’s administrative recommendations accepting and rejecting claims submitted herein; (ii) direct the distribution of the Net Settlement Fund to Settlement Class Members whose claims have been accepted as valid and approved by the Court; (iii) establish a bar date beyond

which no new claims will be allowed; (iv) approve, if any funds remain after the Initial Distribution, payment of the Settlement Administrator's additional Notice Costs and Administration Costs incurred in administering the Settlement in excess of the \$180,000 authorized by the Final Approval Order; (v) approve payment of any residual balance in the Net Settlement Fund after all unpaid costs, expenses, and Taxes, to an appropriate cy pres recipient as to be identified by Defendants and approved by Lead Plaintiff and the Court; and (vi) authorize destruction of Claim Forms after the distribution is complete.

II. CLAIMS ADMINISTRATION PROCESS

Under the terms of the Settlement Agreement and the Notice, all Settlement Class Members wishing to participate in the distribution of the Net Settlement Fund were required to submit Claim Forms no later than July 21, 2025. ECF No. 87-2. Class Counsel had discretion under the Settlement Agreement to admit claims submitted after the July 21, 2025 claims deadline, but before the July 30, 2025 Settlement Hearing. § 27. As set forth in the accompanying Brauns Distribution Declaration, as of January 23, 2026, A.B. Data has completed the processing of the 14,720 Claim Forms. Brauns Distribution Decl. ¶ 10.

A.B. Data has prepared detailed reports of Settlement Class Members who submitted: (1) timely and eligible claims with an individual recognized loss under the Plan of Allocation (Ex. B-1);³ (2) eligible claims with an individual recognized loss under the Plan of Allocation after the July 21, 2025 claims deadline, but before the July 30, 2025 Settlement Hearing (Ex. B-2); (3) untimely claims with an individual recognized loss under the Plan of Allocation after the July 30, 2025 Settlement Hearing and subsequently requested that the untimeliness of their claims be

³ Ten of these Settlement Class Members with an individual recognized loss under the Plan of Allocation disputed A.B. Data's calculation of their recognized loss and are thus listed in both Exhibit B-1 and Exhibit C.

excused (Ex. B-3); (4) timely or untimely claims with no individual recognized loss under the Plan of Allocation (Ex. B-4); (5) untimely claims with an individual recognized loss under the Plan of Allocation after the July 30, 2025 Settlement Hearing and did not request the untimeliness of their claims be excused (Ex. B-5); and (6) individuals who submitted claims but were not members of the Settlement Class (Ex. B-6). These reports are annexed as Exhibits B-1 through B-6 to the Brauns Distribution Declaration, respectively. *Id.* ¶ 29.

Based on these determinations, A.B. Data, in consultation with Class Counsel, recommends that a distribution to the claimants listed in Exhibits B-1 and B-2 be authorized, no distribution be made to the claimants listed in Exhibit B-4, and the claims listed in Exhibit B-6 be rejected. *Id.* ¶ 30.

For the reasons stated in Lead Plaintiff's Response to Late Claimant David Kipe's *Pro Se* Motion for Equitable Tolling and Acceptance of Late Filed Claim ("Kipe Response," ECF No. 116), the Consolidated Response to Late Claimants' *Pro Se* Motions for Equitable Tolling and to Accept Late Filed Claims ("Consolidated Response," ECF No. 117) and Lead Plaintiff's Response to Late Claimant Nyree Hinton's *Pro Se* Petition for Acceptance of Untimely Claim ("Hinton Response," ECF No. 128), Class Counsel takes no position as to whether distribution to the claimants listed in Exhibit B-3 should be authorized.⁴ For these same reasons, Class Counsel takes no position as to whether distribution to the claims listed in Exhibit B-5 should be authorized.

⁴ As Lead Plaintiff and Class Counsel take no position on whether the claims identified in Exhibit B-3 should be authorized, bracketed, alternative language is provided in paragraph 3 of the Distribution Order. The language in the proposed order presents a binary option solely in the interest of simplicity. As discussed in the Kipe Response, the Court may evaluate each late claim on an individual basis and a decision by the Court to accept some late claims does not necessitate the acceptance of all late claims. *See In re Valdez*, 289 Fed. App'x 204, 206 (9th Cir. 2008) (affirming district court's decision to allow late claimants with "plausible excuses for not filing timely" and disallowing claimants who offered no plausible excuse).

Class Counsel notes that the claimants listed in Exhibit B-5 have not requested that the untimeliness of their claims be excused.

Additionally, A.B. Data prepared reports of the claimants who disputed A.B. Data's calculation of their individual recognized loss under the Court-approved Plan of Allocation. These reports include (i) claimants who disputed the A.B. Data's determination that they had no loss under the Plan of Allocation; and (ii) claimants with a recognized loss under the Plan of Allocation who disputed the amount of their recognized loss. This report is annexed as Exhibit C to the Brauns Distribution Declaration. A.B. Data, in consultation with Class Counsel, recommends that the Court approve A.B. Data's calculation of individual recognized loss using the Court-approved Plan of Allocation in regards to the Claimants listed on Exhibit C.

A. Procedures and Review

A.B. Data conducted an extensive review of all Claim Forms received. Brauns Distribution Decl. at ¶ 11. Of the 14,720 claims received, A.B. Data determined that 106 were duplicates of other claims. *Id.* ¶ 12. Next, A.B. Data determined that 249 were not Settlement Class Members because DraftKings had no record of their purchase or holding of a DraftKings NFT. *Id.* ¶ 13, Ex. B-6. After removing duplicates and non-class members, A.B. Data calculated the claimants' recognized losses by applying the Court-approved Plan of Allocation. *Id.* ¶ 14. Of the 14,365 claims from Settlement Class Members, A.B. Data determined that 10,779 had no recognized loss under the Plan of Allocation. *Id.* ¶ 15, Ex. B-4. This category includes 8,854 claims that were gifted DraftKings NFTs and had no primary or secondary purchases and 2,195 claims whose secondary receipts, prize receipts, and closure receipts cumulatively exceeded their primary and secondary purchases. *Id.* ¶ 15, Ex. B-4.

On October 7, 2025, A.B. Data sent four different notices to claimants who submitted a Claim Form to inform them of the eligibility of their claims and of their individual recognized loss

under the Plan of Allocation. *Id.* ¶ 16. Every claimant who submitted a Claim Form received one of these four notices. *Id.* These notices included: (1) a Claim Calculation Notice to all claimants with a recognized loss under the Court-approved Plan of Allocation who submitted claims on or before July 30, 2025, informing them of A.B. Data's determination of their recognized loss (*id.* ¶ 17, *see* Ex. A-1 to the Brauns Distribution Decl.); (ii) an Untimely Claims Notice to all Claimants with a recognized loss under the Court-approved Plan of Allocation who submitted claims after July 30, 2025, informing them that their claim was untimely and could not be accepted under the terms of the Settlement and could only be accepted by the Court (*id.* ¶ 17, *see* Ex. A-2 to the Brauns Distribution Decl.);⁵ (iii) a Claim Rejection Notice to all Claimants with no recognized loss under the Court-approved Plan of Allocation informing them that they had no recognized loss and would not receive a distribution from the Settlement Fund (*id.* at ¶ 17, *see* Ex. A-3 to the Brauns Distribution Decl.); and (iv) a Claim Rejection Notice in response to all duplicate claims informing the claimants that their duplicate claims would not be accepted (*id.* ¶ 17, *see* Ex. A-4 to the Brauns Distribution Decl.).

As set forth in the Brauns Distribution Declaration, of the 14,720 claims received and processed by A.B. Data through January 23, 2026, A.B. Data has determined that 3,544 are eligible to receive a distribution because they were submitted before the July 30, 2025 Settlement Hearing and have a recognized loss. Exs. B-1, B-2. These 3,544 claims have a total recognized loss of \$9,696,396.25. *Id.* ¶ 19. If only timely claims and late claims received on or before the Settlement Hearing of July 30, 2025 are accepted, these Settlement Class Members would recover 67.52% of their individual recognized loss. *Id.* at ¶ 20.

⁵ Late claimants who submitted Claim Forms after October 7, 2025, received the same Untimely Claim Notices after the submission of their claims. Brauns Distribution Decl., ¶ 17 n.2.

B. Disputed Late Claims

The claims processed by A.B. Data include 93 claims that were postmarked or received after the Settlement Hearing on July 30, 2025, of which 42 had recognized losses. *Id.* ¶ 21. All claimants who submitted late claims with recognized losses had been sent an Email Notice using the information provided by DraftKings pursuant to the Court's Preliminary Approval Order and each of these emails were sent successfully without notification of a bounce. *Id.* ¶ 22. Late claimants with a recognized loss were advised in the Untimely Claim Notice that if they believed the untimeliness should be excused, they must submit a written statement to A.B. Data within 21 days and that they had the right to petition the Court to accept their claim. *Id.* ¶ 23, Ex. A-2. Of these 42 late claimants, 27 responded to the Untimely Claim Notice requesting that the untimeliness of their claim be excused. *Id.* ¶ 24. The responses to the Untimely Claim Notices are provided to the Court for its consideration in Exhibit B-3. The 15 late claimants who failed to respond to the Untimely Claim Notice are listed in Exhibit B-5.

A.B. Data has calculated the aggregate recognized loss of the late claimants listed in Exhibit B-3 to be \$1,459,687.82. If all the late claimants listed in Exhibit B-3, are accepted, the estimated recovery percentage for each Settlement Class Member would decrease from 67.52% to 58.68%. *Id.* ¶ 26. A.B. Data has calculated the aggregate recognized loss of the late claimants listed in Exhibit B-5 to be \$89,483.11. If all the late claimants listed in Exhibits B-3 and B-5 are accepted, the estimated recovery percentage for each Settlement Class Member would decrease from 67.52% to 58.22%. As stated in the Kipe Response, the Consolidated Response, and the Hinton Response, Lead Plaintiff and Class Counsel take no position as to whether late claims should be accepted.

To facilitate the efficient distribution of the Net Settlement Fund, there must be a final cut-off date after which no more claims will be accepted. *Id.* ¶ 28. Accordingly, Lead Plaintiff and

Class Counsel respectfully request that the Court order that no new claims received or postmarked after January 26, 2026 may be eligible for payment.

C. Disputed Claim Calculations of Recognized Loss

A.B. Data received 18 challenges to its administrative determinations regarding the calculation of recognized loss. *Id.* ¶ 33. Of these requests, five (5) were made by claimants who are not Settlement Class Members, also listed in Exhibit B-6. *Id.* ¶ 34. Three (3) were made by Settlement Class Members with no documented primary or secondary purchases or with no recognized loss under the Plan of Allocation, also listed in Exhibit B-4. *Id.* ¶ 35. Ten (10) requests were made by Settlement Class Members with a recognized loss under the Plan of Allocations, also listed in Exhibit B-1. *Id.* ¶ 36. One (1) of these ten claimants did not dispute the data used in the calculations but exclusively objected to the Court-approved Plan of Allocation. *Id.* ¶ 37.

In an attempt to resolve the disputes without the Court’s intervention, A.B. Data contacted each claimant requesting Court review to answer any questions and explain the Plan of Allocation and A.B. Data’s determinations. *Id.* ¶ 38. As a result of these efforts, one (1) claim for which Court review was requested has been retracted. *Id.* The 17 claims that remain unresolved were advised in writing of their rights and the reasons why their claims were denied. *Id.* ¶ 39. In accordance with the Settlement Agreement, A.B. Data submits these disputes for the Court’s review. § 25. A.B. Data recommends that the Court reject these claimants’ disputes of recognized loss calculations under the Court-approved Plan of Allocation. *Id.* ¶ 40, Ex. C.

III. DISTRIBUTION PLAN OF THE NET SETTLEMENT FUND

A.B. Data recommends the following plan for the distribution of the Net Settlement Fund, which is set forth in full in the Brauns Distribution Declaration at paragraph 41 (the “Distribution Plan”).

A. Distribution of the Net Settlement Fund to Authorized Claimants

Pursuant to the proposed Distribution Plan, A.B. Data will distribute the Net Settlement Fund, after deducting all payments approved by the Court and Taxes, to Court-approved Authorized Claimants who would receive at least \$5.00 based on their Recognized Loss, as calculated pursuant to the Court-approved Plan of Allocation (the “Initial Distribution”). § 28. Pursuant to the Settlement Agreement, A.B. Data will eliminate from the Initial Distribution any Authorized Claimant whose *pro rata* share calculates to be less than \$5.00. *Id.* ¶ 41(a).

In order to encourage Authorized Claimants to promptly deposit their payments, Class Counsel and A.B. Data propose that the distribution checks bear the notation, “DEPOSIT PROMPTLY, VOID AND SUBJECT TO RE-DISTRIBUTION IF NOT NEGOTIATED WITHIN 90 DAYS OF ISSUE DATE.” *Id.* ¶ 41(b). Authorized Claimants who do not negotiate their checks within the time allotted or on the conditions set forth in paragraph 41(b) of the Brauns Distribution Declaration will irrevocably forfeit all recovery from the Settlement, and the funds allocated to all such stale-dated checks will be available to be re-distributed in any subsequent distribution as described below. *Id.*

B. Additional Distribution(s) of the Net Settlement Fund

After A.B. Data has completed the Initial Distribution and made reasonable and diligent efforts to have Authorized Claimants negotiate their Initial Distribution Checks, but no earlier than six (6) months after the Initial Distribution, A.B. Data shall pay from the remaining balance of the Net Settlement Fund any amounts mistakenly omitted from the Initial Distribution to Authorized Claimants who would receive at least a \$5.00 payment. *Id.* ¶ 41(c).

If any funds remain in the Net Settlement Fund after the Initial Distribution and any amounts mistakenly omitted from the Initial Distribution have been paid, A.B. Data shall be

authorized to pay itself for any Notice Costs and Administration Costs incurred in administering the Settlement in excess of the \$180,000 authorized by the Final Approval Order. *Id.* ¶ 41(d); § 28. *See* § IV, *infra*.

If any funds remain in the Net Settlement Fund after the Initial Distribution, any amounts mistakenly omitted from the Initial Distribution, and any additional Notice and Administration Costs have been paid, A.B. Data shall, if it determines in consultation with Class Counsel that it would be economically feasible to do so, conduct a second distribution of the Net Settlement Fund (the “Second Distribution”). *Id.* ¶ 41(e). In the Second Distribution, any amounts remaining in the Net Settlement Fund after the Initial Distribution (*e.g.*, the funds for all void stale-dated checks), after deducting A.B. Data’s fees and expenses incurred in connection with administering the Settlement for which it has not yet been paid (including the estimated costs of a Second Distribution), and after payment of any Taxes, will be distributed to all Authorized Claimants who cashed their Initial Distribution check and who would receive at least \$5.00 from such distribution based on their *pro-rata* share of the remaining funds. *Id.* ¶ 41(f).

Six months after the completion of the Second Distribution, or if A.B. Data in consultation with Class Counsel determines a Second Distribution will not be cost-effective, the residual balance shall be contributed to an appropriate cy pres recipient, as to be identified by Defendants and approved by Lead Plaintiff and the Court. *Id.* ¶ 41(g).

IV. FEES AND EXPENSES OF THE SETTLEMENT ADMINISTRATOR

Pursuant to the Stipulation, and as explained to members of the Settlement Class in the Notice, the Settlement Fund is to be used to pay, among other things, the costs and expenses incurred in connection with the administration and distribution of the Settlement. *See* Notice at ¶ 31; § 2(b). A.B. Data agreed to be the Settlement Administrator and to conduct the notice program

and the claims administration process in exchange for payment of its fees and expenses. Brauns Distribution Decl. ¶ 42. As of January 23, 2026, A.B. Data has been paid \$50,000 in Notice Costs and Administration Costs. *Id.* ¶ 43. Pursuant to § 29 of the Settlement Agreement, the remaining \$130,000 in Notice Costs and Administration Costs authorized by the Final Approval Order will be paid to A.B. Data prior to the Initial Distribution. *Id.* ¶ 44. As of January 23, 2026, A.B. Data has accrued \$230,310.60 in Notice Costs and Administration Costs, \$50,310.60 in excess of the \$180,000 authorized by the Final Approval Order, which includes but is not limited to: print and postage expenses for additional notification to Settlement Class Members, professional fees related to project management including non-standard declaration reporting, and the costs and fees associated with the continued administration and distribution of the net settlement fund. *Id.* In accordance with the Distribution Plan described above, Lead Plaintiff and Class Counsel respectfully request that A.B. Data, after the Initial Distribution and the payment of any amounts mistakenly omitted from the Initial Distribution, be paid any additional Notice Costs and Administration Costs in excess of the \$180,000 approved by the Court in the Final Approval Order.

V. CONCLUSION

For the foregoing reasons, Lead Plaintiff respectfully submits that its Motion for Authorization to Distribute Net Settlement Fund to Authorized Claimants should be granted in its entirety and that the Proposed Order Approving Settlement Distribution to Authorized Claimants should be entered.

DISTRIBUTION PLAN**

I, Kathleen M. Brauns, declare, pursuant to 28 U.S.C. § 1746, as follows:

1. I am a Project Manager with A.B. Data, Ltd. (“A.B. Data”),¹ the Court appointed Settlement Administrator in the above-captioned matter. I am over 21 years of age and am not a party to this action. I have personal knowledge of the facts set forth herein and, if called as a witness, could and would testify competently thereto.

2. The Court appointed A.B. Data to serve as the Settlement Administrator for the class settlement in *Dufoe v. DraftKings Inc., et al.*, No. 23-cv-10524-DJC (D. Mass.). ECF No. 89 at 9. Pursuant to that role, A.B. Data designed and implemented the settlement notice program authorized by the Court (the “Notice Program”) to inform Settlement Class Members about their rights and options under the Settlement. Details about the Notice Program and A.B. Data’s experience were included in the Motion for Preliminary Approval. ECF No. 87-3, Ex. 2.

¹ Unless otherwise indicated, defined terms shall have the definitions set forth in the Stipulation of Settlement (“Settlement” or “Settlement Agreement”), which was filed on February 26, 2025 (ECF No. 87-2). Citations to the Settlement Agreement are abbreviated as “§ ____.”

NOTICE PROGRAM

3. In accordance with the Preliminary Approval Order, A.B. Data caused a copy of the Email Notice to be emailed to 1,554,528 potential Settlement Class Members based on the lists it received from Lead Counsel and DraftKings.

4. For the 12,284 potential Settlement Class Members whose email address was not provided or where the Email Notice was undeliverable, A.B. Data provided direct notice utilizing the Postcard Notice.

5. In accordance with Paragraph 10 of the Preliminary Approval Order, on April 4, 2025, A.B. Data caused the Publication Notice to be transmitted once over the *PR Newswire*.

6. The Email Notice, Postcard Notice, and Publication Notice informed Settlement Class Members that if they wished to be eligible to participate in the distribution of the Net Settlement Fund, they were required to submit Claim Forms by no later than July 21, 2025.

7. A.B. Data established and continues to maintain the Settlement Website (www.DraftKingsNFTSettlement.com) dedicated to this Action, and an email box (info@DraftKingsNFTSettlement.com), toll-free helpline (877-833-9186), and P.O. Box (DraftKings NFT Settlement, c/o A.B. Data, Ltd., P.O. Box. 173039, Milwaukee, WI 53217) to assist Settlement Class Members.

8. The Settlement Website informed Settlement Class Members that if they wished to be eligible to participate in the distribution of the Net Settlement Fund, they were required to submit Claim Forms no later than July 21, 2025.

9. If a Settlement Class Member contacted A.B. Data via email, mail, or called the toll-free helpline, they were informed of the requirement to submit Claim Forms no later than July 21, 2025.

CLAIMS ADMINISTRATION

10. As of January 23, 2026, A.B. Data has completed the processing of the 14,720 Claim Forms.

11. A.B. Data conducted an extensive review of all Claim Forms received.

12. Of the 14,720 claims received, A.B. Data determined that 106 were duplicates of other claims.

13. Next, A.B. Data determined that 249 were not Settlement Class Members because DraftKings had no record of their purchase or holding of a DraftKings NFT.

14. After removing duplicates and non-class members, A.B. Data calculated the claimants' recognized losses by applying the Court-approved Plan of Allocation.

15. Of the 14,365 claims from Settlement Class Members, A.B. Data determined that 10,779 had no recognized loss under the Plan of Allocation. This category includes 8,584 claims that were gifted DraftKings NFTs and had no primary or secondary purchases and 2,195 claims whose secondary receipts, prize receipts, and closure receipts cumulatively exceeded their primary and secondary purchases.

NOTICES TO CLAIMANTS

16. On October 7, 2025, A.B. Data sent four different notices to claimants who submitted a Claim Form to inform them of the eligibility of their claims and of their individual recognized loss under the Plan of Allocation. Every claimant who submitted a Claim Form received one of these four notices.

17. These notices included: (1) a Claim Calculation Notice to all claimants with a recognized loss under the Court-approved Plan of Allocation who submitted claims on or before July 30, 2025, informing them of A.B. Data's determination of their recognized loss (in the form

attached as Ex. A-1 to this Declaration); (ii) an Untimely Claims Notice to all Claimants with a recognized loss under the Court-approved Plan of Allocation who submitted claims after July 30, 2025, informing them that their claim was untimely and could not be accepted under the terms of the Settlement and could only be accepted by the Court (in the form attached as Exhibit A-2 to this Declaration);² (iii) a Claim Rejection Notice to all Claimants with no recognized loss under the Court-approved Plan of Allocation informing them that they had no recognized loss and would not receive a distribution from the Settlement Fund (in the form attached as Ex. A-3 to this Declaration); and (iv) a Claim Rejection Notice in response to all duplicate claims informing the claimants that their duplicate claims would not be accepted (in the form attached as Ex. A-4 to this Declaration).

ELIGIBLE CLAIMS

18. Of the 14,720 claims received and processed by A.B. Data through January 23, 2026, A.B. Data has determined that 3,544 are eligible to receive a distribution because they were submitted on or before the July 30, 2025 Settlement Hearing and have a recognized loss.

19. These 3,544 claims have a total recognized loss of \$9,696,396.25.

20. If only timely claims and late claims received on or before the Settlement Hearing of July 30, 2025 are accepted, these Settlement Class Members would recover 67.52% of their individual recognized loss.³

² Late claimants who submitted Claim Forms after October 7, 2025, received the same Untimely Claim Notices after the submission of their claims.

³ The individual recovery percentage is an estimate based on the current value of the Settlement Fund. The final recovery percentage will fluctuate with the final number of approved Claims, any additional interest earned, and withholdings made for future tax liability.

DISPUTED LATE CLAIMS

21. The claims processed by A.B. Data include 93 claims that were postmarked or received after the Settlement Hearing on July 30, 2025, of which 42 had recognized losses.

22. All claimants who submitted late claims with recognized losses had been sent an Email Notice using the information provided by DraftKings pursuant to the Court's Preliminary Approval Order and each of these emails were sent successfully without notification of a bounce.

23. Late claimants with a recognized loss were advised in the Untimely Claim Notice that if they believed the untimeliness should be excused, they must submit a written statement to A.B. Data within 21 days and that they had the right to petition the Court to accept their claim.

24. Of the 42 late claimants with a recognized loss, 27 responded to the Untimely Claim Notice requesting that the untimeliness of their claim be excused. The claimants who responded to the Untimely Claim Notices with a recognized loss are provided in Exhibit B-3.

25. The 15 late claimants with a recognized loss who failed to respond to the Untimely Claim Notice are listed in Exhibit B-5.

26. A.B. Data has calculated the aggregate recognized loss of the late claimants listed in Exhibit B-3 to be \$1,459,687.82. If all the late claimants listed in Exhibit B-3 are accepted, the estimated recovery percentage for each Settlement Class Member would decrease from 67.52% to 58.68%.

27. A.B. Data has calculated the aggregate recognized loss of the late claimants listed in Exhibit B-5 to be \$89,483.11. If all the late claimants listed in Exhibits B-3 and B-5 are accepted, the estimated recovery percentage for each Settlement Class Member would decrease from 67.52% to 58.22%.

28. To facilitate the efficient distribution of the Net Settlement Fund, there must be a final cut-off date after which no more claims will be accepted.

REPORTS

29. A.B. Data has prepared and attached as exhibits to this Declaration detailed reports of Settlement Class Members who submitted: (1) timely and eligible claims with an individual recognized loss under the Plan of Allocation (Ex. B-1);⁴ (2) eligible claims with an individual recognized loss under the Plan of Allocation after the July 21, 2025 claims deadline, but on or before the July 30, 2025 Settlement Hearing (Ex. B-2); (3) untimely claims with an individual recognized loss under the Plan of Allocation after the July 30, 2025 Settlement Hearing and subsequently requested that the untimeliness of their claims be excused (Ex. B-3); (4) timely or untimely claims with no individual recognized loss under the Plan of Allocation (Ex. B-4); (5) untimely claims with an individual recognized loss under the Plan of Allocation after the July 30, 2025 Settlement Hearing and did not request the untimeliness of their claims be excused (Ex. B-5); and (6) individuals who submitted claims but were not members of the Settlement Class (Ex. B-6). These reports are annexed as Exhibits B-1 through B-6 to the Brauns Distribution Declaration, respectively.

30. Based on these determinations, A.B. Data, in consultation with Class Counsel, recommends that a distribution to the claimants listed in Exhibits B-1 and B-2 be authorized, no distribution be made to the claimants listed in Exhibit B-4, and the claims listed in Exhibits B-5 and B-6 be rejected.

⁴ Ten (10) of these Settlement Class Members with an individual recognized loss under the Plan of Allocation disputed A.B. Data's calculation of their recognized loss and are thus listed in both Exhibit B-1 and Exhibit C.

31. A.B. Data takes no position on whether the claimants listed in B-3 should be accepted.

DISPUTED CLAIM CALCULATIONS OF RECOGNIZED LOSS

32. A.B. Data prepared reports of the claimants who disputed A.B. Data's calculation of their individual recognized loss under the Court-approved Plan of Allocation. These reports include (i) claimants who disputed the A.B. Data's determination that they had no loss under the Plan of Allocation; and (ii) claimants with a recognized loss under the Plan of Allocation who disputed the amount of their recognized loss. This report is annexed as Exhibit C to the Brauns Distribution Declaration. A.B. Data, in consultation with Class Counsel, recommends that the Court approve A.B. Data's calculation of individual recognized loss using the Court-approved Plan of Allocation in regards to the Claimants listed on Exhibit C.

33. A.B. Data received 18 challenges to its administrative determinations regarding the calculation of recognized loss.

34. Of these requests, five (5) were made by claimants who are not Settlement Class Members, also listed in Exhibit B-6.

35. Three (3) were made by Settlement Class Members with no documented primary or secondary purchases or with no recognized loss under the Plan of Allocation, also listed in Exhibit B-4.

36. Ten (10) requests were made by Settlement Class Members with a recognized loss under the Plan of Allocations, also listed in Exhibit B-1.

37. One (1) of these ten claimants did not dispute the data used in the calculations but exclusively objected to the Court-approved Plan of Allocation.

38. In an attempt to resolve the disputes without the Court's intervention, A.B. Data contacted each claimant requesting Court review to answer any questions and explain the Plan of Allocation and A.B. Data's determinations. As a result of these efforts, one (1) claim for which Court review was requested have been retracted.

39. The 17 claims that remain unresolved were advised in writing of their rights and the reasons why their claims were denied.

40. A.B. Data recommends that the Court reject these claimants' disputes of recognized loss calculations under the Court-approved Plan of Allocation.

DISTRIBUTION PLAN OF THE NET SETTLEMENT FUND

41. A.B. Data recommends the following plan for the distribution of the Net Settlement Fund:

- a. Pursuant to the proposed Distribution Plan, A.B. Data will distribute the Net Settlement Fund, after deducting all payments approved by the Court and Taxes, to Court-approved Authorized Claimants who would receive at least \$5.00 based on their Recognized Loss, as calculated pursuant to the Court-approved Plan of Allocation (the "Initial Distribution"). § 28. Pursuant to the Settlement Agreement, A.B. Data will eliminate from the Initial Distribution any Authorized Claimant whose *pro rata* share calculates to be less than \$5.00.
- b. In order to encourage Authorized Claimants to promptly deposit their payments, Class Counsel and A.B. Data propose that the distribution checks bear the notation, "DEPOSIT PROMPTLY, VOID AND SUBJECT TO RE-DISTRIBUTION IF NOT NEGOTIATED WITHIN 90 DAYS OF ISSUE DATE." Authorized Claimants who do not negotiate their checks within the time allotted or on the conditions set forth

in this paragraph will irrevocably forfeit all recovery from the Settlement, and the funds allocated to all such stale-dated checks will be available to be re-distributed in any subsequent distribution as described below.

- c. After A.B. Data has completed the Initial Distribution and made reasonable and diligent efforts to have Authorized Claimants negotiate their Initial Distribution Checks, but no earlier than six (6) months after the Initial Distribution, A.B. Data shall pay from the remaining balance of the Net Settlement Fund any amounts mistakenly omitted from the Initial Distribution to Authorized Claimants who would receive at least a \$5.00 payment.
- d. If any funds remain in the Net Settlement Fund after the Initial Distribution and any amounts mistakenly omitted from the Initial Distribution have been paid, A.B. Data shall be authorized to pay itself for any Notice Costs and Administration Costs incurred in administering the Settlement in excess of the \$180,000 authorized by the Final Approval Order. § 28.
- e. If any funds remain in the Net Settlement Fund after the Initial Distribution, any amounts mistakenly omitted from the Initial Distribution, and any additional Notice and Administration Costs have been paid, A.B. Data shall, if it determines in consultation with Class Counsel that it would be economically feasible to do so, conduct a second distribution of the Net Settlement Fund (the “Second Distribution”).
- f. In the Second Distribution, any amounts remaining in the Net Settlement Fund after the Initial Distribution (*e.g.*, the funds for all void stale-dated checks), after deducting A.B. Data’s fees and expenses incurred in connection with administering

the Settlement for which it has not yet been paid (including the estimated costs of a Second Distribution), and after payment of any Taxes, will be distributed to all Authorized Claimants who cashed their Initial Distribution check and who would receive at least \$5.00 from such distribution based on their *pro-rata* share of the remaining funds.

- g. Six months after the completion of the Second Distribution, or if A.B. Data in consultation with Class Counsel determines a Second Distribution will not be cost-effective, the residual balance shall be contributed to an appropriate cy pres recipient, as to be identified by Defendants and approved by Lead Plaintiff and the Court.

FEES AND EXPENSES OF THE SETTLEMENT ADMINISTRATOR

42. On March 31, 2025, A.B. Data agreed to be the Settlement Administrator and to conduct the notice program and the claims administration process in exchange for payment of its fees and expenses.

43. As of January 23, 2026, A.B. Data has been paid \$50,000 in Notice Costs and Administration Costs.

44. Pursuant to § 29 of the Settlement Agreement, the remaining \$130,000 in Notice Costs and Administration Costs authorized by the Final Approval Order will be paid to A.B. Data prior to the Initial Distribution. As of January 23, 2026, A.B. Data has accrued \$230,310.60 in Notice Costs and Administration Costs, \$50,310.60 in excess of the \$180,000 authorized by the Final Approval Order, which includes but is not limited to: print and postage expenses for additional notification to Settlement Class Members, professional fees related to project

management including non-standard declaration reporting, and the costs and fees associated with the continued administration and distribution of the net settlement fund.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on January 26, 2026 in Milwaukee, Wisconsin.

RE: DraftKings NFT Settlement
INDIVIDUAL RECOGNIZED LOSS: \$0.00
CLAIM NUMBER: [REDACTED]
RESPONSE DEADLINE: October 28, 2025

Dear Claimant:

We are writing to inform you that your Proof of Claim and Release Form ("Claim") submitted in connection with the DraftKings NFT Settlement was received after the court-approved filing deadline of July 21, 2025, and after the final approval hearing date of July 30, 2025. Under the terms of the Settlement Agreement, Class Counsel and the Settlement Administrator do not have the authority to accept untimely claims received after the final approval hearing on July 30, 2025. Because your Claim was submitted after July 30, 2025, it is untimely and ineligible for a payment from the settlement fund unless the Court determines that it should be accepted in an exercise of its equitable powers.

If you believe this untimeliness determination is incorrect and that your Claim was received by the Settlement Administrator on or before July 30, 2025, you must, within twenty-one (21) days of the date of this notice, send the Settlement Administrator a signed written statement that states your reasons for contesting this determination, along with any supporting documentation. The Settlement Administrator will review any information you submit in response to the determination of your Claim. If there remains a dispute concerning the timeliness of your Claim, such dispute will be presented to the Court for binding resolution.

If you believe that the untimeliness of your Claim should be excused, you must, within twenty-one (21) days of the date of this notice, send the Settlement Administrator a signed written statement that states the reasons why you believe your Claim should be excused. If you fail to submit a signed written statement within twenty-one (21) days of the date of this notice, Class Counsel will report to the Court in its motion for Court approval to distribute the Net Settlement Fund that you declined the opportunity to contest the rejection of your untimely Claim.

You have the right to petition the Court to accept your Claim, and you have the right to retain separate counsel of your choice to represent you in this matter. Any counsel you retain will be at your own expense. Class Counsel cannot represent you in petitioning the Court to accept your individual Claim or provide you with legal advice relating to that petition.

Class Counsel will file a motion for Court approval to distribute the Net Settlement Fund after claimants have had an opportunity to respond to the determination from the Settlement Administrator and all Claims have been finalized. The distribution motion will be posted on the Settlement website (www.DraftKingsNFTSettlement.com). Claim Number: 889682812

Dear Settlement Administrator,

I am writing in response to the Notice of Untimely Claim dated October 7, 2025, regarding my claim submission for the DraftKings NFT Settlement. I hereby contest this untimeliness determination, which should be excused. I am a significant claim holder and did not receive any notice whatsoever of the legal action or the settlement prior to the July 30, 2025, filing deadline. I first learned about the settlement on August 8, 2025, and submitted my claim within hours that same day. Under this circumstance, both law and equity hold that the untimeliness of my claim submission should be excused. I ask the Court to exercise its discretion and equitable power to excuse the untimeliness and allow me -- as a legitimate and significant claim holder that was damaged by the underlying case -- to rightfully participate in the settlement fund disbursement. There is no prejudice to others in the Court doing so.

As I noted, I am a significant claim holder and am currently in the process of assessing whether I need to retain legal counsel on this matter. I'm hoping that will not be necessary, and that the Court will exercise its equitable powers to excuse my claim's untimeliness. That said, I reserve all my rights in law and equity and would request an opportunity to retain counsel and have them advocate on my behalf should the Court not exercise its discretion and excuse my claim's untimeliness based on this submission alone.

I will add that a cursory review by myself, prior to retaining legal counsel, shows ample legal precedents support allowing late claims in class action settlements due to lack of notice or other excusable neglect. For instance, in *Pioneer Investment Services Co. v. Brunswick Associates Ltd. Partnership*, 507 U.S. 380 (1993), the Supreme Court outlined factors for determining excusable neglect, including the reason for the delay, prejudice to other parties, length of delay, and good faith. In my case, the complete absence of notice provides a strong reason for the delay, with minimal prejudice or impact given the short time between my awareness and submission. Additionally, in *In re A.H. Robins Co.*, 880 F.2d 694 (4th Cir. 1989), the court exercised discretion to expand time limits for filing claims where class members received no notice. Similarly, in *Burns v. Elrod*, 757 F.2d 151 (7th Cir. 1985), lack of notice to a class member denied due process, allowing an individual claim. These cases underscore that inadequate notice should not bar participation in the settlement.

Thank you for your attention to this matter. I am available to provide any additional documentation or information to support my case if needed. I can be reached at M:  for any further communication. And, as I noted above, should the untimeliness determination of my claim not be excused based on this submission, I request the opportunity to obtain legal counsel and have them fully brief this matter on my behalf with the Court.

Sincerely, 

CLAIM 889682813

Claim 889682813 | Request for Consideration of Late Claim Due to Lack of Notification | DraftKings NFT Settlement Administrator

Dear DraftKings NFT Settlement Administrator,

I hope this message finds you well. I am writing to respectfully request that my late submission for the DraftKings NFT Settlement be considered for inclusion despite its untimeliness.

Unfortunately, I did not receive any notification regarding the settlement, neither by email nor postal mail, which prevented me from filing my claim within the designated timeframe.

I have verified that my contact information was accurate and current during the relevant period, and I am deeply concerned that I was not made aware of the opportunity to participate in the settlement process.

I believe my circumstances warrant special consideration, as I am among the most significantly impacted claimants. The financial loss I incurred because of the underlying issue is substantial and well-documented.

I would be grateful for the opportunity to provide supporting documentation to demonstrate the extent of my damages, should that be helpful in evaluating my request.

I understand the importance of adhering to deadlines, but I also trust that the settlement process aims to be fair and inclusive of those most affected.

I sincerely hope you will consider allowing my claim to proceed under these exceptional circumstances.

Thank you for your time and attention to this matter. I look forward to your response and am happy to provide any additional information you may require.

Thank you,

Dear DraftKings NFT Settlement Administrator,

This letter is submitted in response to your Notice of Untimely Claim dated October 7, 2025, regarding the settlement in the DraftKings NFT Settlement class action. I formally request that my claim be accepted as timely filed under the doctrine of excusable neglect.

The established deadline for filing claims was July 21, 2025. I assert that I did not receive adequate notice of the settlement prior to this date. I did not receive a paper notice via mail. Furthermore, it is probable that any electronic mail notice sent to class members was automatically filtered into a spam or junk folder..

I first became aware of the settlement from other claimants and I acted promptly upon this notification, submitting my completed claim on August 8, 2025 —approximately three weeks after the deadline and shortly following the final approval hearing on July 30, 2025. This brief delay resulted solely from the lack of prior notice, and my immediate subsequent action demonstrates my good faith.

Acceptance of my claim at this juncture will not prejudice other class members. The Claims Administrator is currently engaged in the review and finalization of loss calculations, and no payments have been distributed. The inclusion of my claim will have a minimal effect on the pro-rata allocation, will not delay the administration of the settlement, and will not materially alter the fund.

Courts have long recognized that a short delay resulting from inadequate notice and demonstrating good faith may be excused under the doctrine of excusable neglect. I respectfully submit that my brief delay constitutes excusable neglect. I request that my claim be accepted and processed for distribution along with all other approved claims.

Thank you for your consideration of this request. Please advise if any additional information or documentation is required to support the acceptance of my claim.

Sincerely,

From: 

To Whom It May Concern,

I am writing in response to your *Notice of Untimely Claim* dated October 7, 2025. I respectfully request that my claim be accepted under equitable grounds. My claim was not submitted by the July 30, 2025 filing deadline solely because I never received actual notice of the settlement or filing requirements, and I acted immediately once I became aware.

No Actual Notice Received

Although you may have sent an email regarding the claims process, I never saw or received it. After reviewing my email account, it appears that if such notice was sent, it may have been filtered into my spam or junk folder and automatically deleted without my knowledge. I also did not receive notice by mail, as I had relocated prior to its delivery.

To further confirm this, I requested and received all USPS scans that were forwarded from my old  since December 9, 2024, and there were no letters from DraftKingsNFTSettlement or your firm among them. This confirms that I never received any mailed notice.

Prompt Action Upon Awareness

The moment I became aware of the settlement and claims process, I submitted my completed claim form without delay. My submission reflects good faith and a genuine intent to comply with the process, with no attempt to disregard court deadlines.

Equitable Grounds for Acceptance

Federal courts have consistently held that deadlines in class action settlements may be tolled or relaxed under equitable principles where a claimant:

- (a) did not receive actual notice,
- (b) acted promptly upon discovering the settlement,
- (c) caused no prejudice to the settlement administration or other class members, and
- (d) seeks relief consistent with fairness and due process.

This principle has been upheld in numerous cases, including *In re Gypsum Antitrust Cases*, 565 F.2d 1123 (9th Cir. 1977); *Silber v. Mabon*, 18 F.3d 1449 (9th Cir. 1994); *In re Orthopedic Bone Screw Prods. Liab. Litig.*, 246 F.3d 315 (3d Cir. 2001); and *In re Cendant Corp. Prides Litig.*, 233 F.3d 188 (3d Cir. 2000). My circumstances align directly with the equitable exceptions recognized in these decisions.

No Prejudice to the Settlement

Accepting my claim will not prejudice other Settlement Class Members or disrupt the administration of the settlement. The settlement fund and distribution mechanism can readily accommodate my claim without any meaningful impact on others.

Conclusion

Given these facts, the equities clearly favor inclusion. Denying my claim would be inconsistent with both the purpose of the settlement and the principles of fairness and due process that govern class action administration.

I therefore respectfully request that my claim be accepted and processed as timely filed under equitable grounds. Please confirm receipt of this letter and advise if any further documentation or information is required.

Sincerely,

Re: Dufoe v. DraftKings, et al., No. 1:23-cv-10524 (D. Mass.) — Request to Accept Late Claim

Dear Claims Administrator,

I am writing in response to your Notice of Untimely Claim dated October 7, 2025. I respectfully request that my claim be accepted as timely filed in the Dufoe v. DraftKings, et al., No. 1:23-cv-10524 (D. Mass.) class action settlement. Although the claim filing deadline was July 21, 2025, I did not receive any notice of the settlement before that date. I was not mailed a paper notice, and no record of an email was ever received. I first learned of the settlement from other claimants on August 8, 2025, and I submitted my claim the same day shortly after the final approval hearing on July 30, 2025. I acted promptly and in good faith once I became aware of the settlement.

Because the claims administrator is still reviewing and finalizing loss calculations and no payments have yet been distributed, accepting my claim at this stage will not prejudice other class members. Any effect on the pro-rata allocation would be minimal, and inclusion of my claim will not delay the administration or materially alter the fund. Courts have long recognized that short delays resulting from lack of notice and good-faith circumstances may be excused under the doctrine of excusable neglect. See *Pioneer Inv. Servs. Co. v. Brunswick Assocs. Ltd. P'ship*, 507 U.S. 380 (1993) (listing factors for excusable neglect, including lack of prejudice, short delay, and good faith); *Zients v. LaMorte*, 459 F.2d 628 (2d Cir. 1972) (permitting late class claims where notice was

inadequate and no prejudice resulted); and *In re Cendant Corp. Prides Litig.*, 233 F.3d 188 (3d Cir. 2000) (accepting late claims where delay was brief, in good faith, and caused no prejudice). Under these standards, I respectfully submit that my brief delay constitutes excusable neglect. I did not receive adequate notice, acted promptly upon learning of the settlement, and my inclusion will not prejudice other claimants or delay distribution. I therefore ask that my claim be accepted and processed along with other approved claims. Thank you very much for your consideration.

Please let me know if you require any additional information or documentation.

Sincerely,

Dear Claims Administrator,

I am writing in response to your *Notice of Untimely Claim* dated October 7, 2025. I respectfully request that my claim be accepted as timely filed in the *Dufoe et al. vs. DraftKings Inc. et al.* class action settlement. My claim number is 889682818. Although the claim filing deadline was **July 21, 2025**, I did not receive any notice of the settlement before that date. I was not mailed a paper notice, and it appears that the email notice sent to some class members may have been automatically filtered into spam or junk mail folders. My email system permanently deletes spam after 30 days, which likely caused the notice to be deleted before I could see it.

I first learned of the settlement from other claimants on or around **August 9, 2025**, and I **submitted my claim on August 11, 2025**—approximately **three weeks after the deadline** and shortly after the **final approval hearing on July 30, 2025**. Because the claims administrator is still reviewing and finalizing loss calculations and no payments have yet been calculated or distributed, accepting my claim at this stage will not prejudice other class members. Any effect on the pro-rata allocation would be minimal, and inclusion of my claim will not delay the administration or materially alter the fund.

Courts have long recognized that short delays resulting from lack of notice and good-faith circumstances may be excused under the doctrine of **excusable neglect**. See *Pioneer Inv. Servs. Co. v. and *In re Cendant Corp. Prides Litig.*, 233 F.3d 188 (3d Cir. 2000) (accepting late claims where delay was brief, in good faith, and caused no prejudice).

Under these standards, I respectfully submit that my brief delay constitutes excusable neglect. I did not receive adequate notice, acted promptly upon learning of the settlement, and my inclusion will not prejudice other claimants or delay distribution. I therefore ask that my claim be accepted and processed along with other approved claims. I believe accepting my claim aligns with both the spirit of the settlement and the principles of fairness that the class-action process is designed to uphold.

Thank you very much for your consideration. If my request cannot be accommodated administratively, please advise whether there is a process to present it to the Court or Class Counsel for review. Please let me know if you require any additional information or documentation.

CLAIM 889682820

13 October 2025

Re: Claim Number 889682820 — Request to Accept Late Claim

Dear Settlement Administrator,

I am writing in response to your Notice of Untimely Claim dated October 7, 2025, which I received today.

I respectfully request that my claim be accepted as timely filed in the DraftKings NFT Settlement.

Although the filing deadline was July 21, 2025, I did not receive any notice of the settlement before that date. I was not mailed a paper notice, and I have confirmed this through my USPS informed delivery records. I also did not receive any email notification. Given that Autograph and DraftKings primarily used Discord as a principal communication channel for NFT-related updates, it is surprising that notice was not disseminated through that medium.

I first learned of the settlement from other claimants on or around August 8, 2025, and I submitted my claim on August 11, 2025—approximately three weeks after the filing deadline and shortly after the final approval hearing on July 30, 2025. I acted promptly and in good faith upon becoming aware of the settlement.

Because the Settlement Administrator is still reviewing and finalizing loss calculations and no distributions have yet been made, acceptance of my claim at this stage would not prejudice other class members. Any effect on the pro-rata allocation would be minimal, and inclusion of my claim would neither delay administration nor materially alter the fund.

Courts routinely recognize that brief delays caused by lack of notice or excusable circumstances may be accepted under the doctrine of excusable neglect. See *Pioneer Inv. Servs. Co. v. Brunswick Assocs. Ltd. P'ship*, 507 U.S. 380 (1993) (listing factors including lack of prejudice, short delay, and good faith); *Zients v. LaMorte*, 459 F.2d 628 (2d Cir. 1972) (accepting late claims where notice was inadequate and no prejudice resulted); *In re Cendant Corp. Prides Litig.*, 233 F.3d 188 (3d Cir. 2000) (allowing late claims where the delay was brief, in good faith, and caused no prejudice).

Under these standards, I respectfully submit that my brief delay constitutes excusable neglect. I did not receive adequate notice, I acted promptly upon learning of the settlement, and inclusion of my claim will not prejudice other claimants or delay the distribution process. I therefore request that my claim be accepted and processed along with other timely claims.

If my claim is not accepted, please provide the name and contact information of the court overseeing settlement administration so that I may seek equitable review directly.

Thank you very much for your consideration. Please let me know if you require any further documentation or information.

Sincerely,

Re: Request for Equitable Acceptance of Untimely Claim

#88968221

DraftKings NFT Settlement

Dear Settlement Administrator: I am writing in response to your Notice of Untimely Claim dated October 7, 2025, regarding my Proof of Claim and Release Form (Claim #88968221) in the Dufoe v. DraftKings, et al. settlement.

I respectfully request that you review and recommend acceptance of my claim under the Court's equitable powers, as outlined in the Settlement Agreement and Notice, due to my lack of actual notice of the filing deadline. Despite residing continuously at [REDACTED] (the address on file and to which this notice was sent), and providing accurate, verified contact information during the class period, I did not receive any notice—via email or postal mail—prior to August 11, 2025.

On that date, I proactively called the helpline (877-883-9186) upon independently discovering the settlement via word of mouth, as I had received neither email alerts nor mailed notices.

The helpline representative instructed me to email the attached claim form to info@draftkingsnftsettlement.com, which I did immediately at 1:39 PM MT (see attached Aug 11, 2025, email). You confirmed receipt the same day at 3:05 PM MT, assigning Claim #88968221 and noting that the Court would determine timeliness (see attached confirmation email).

This submission—just three weeks after the July 21, 2025, deadline, reflects my good-faith diligence, with no intent to disregard deadlines. A thorough review of my email account (including inbox, spam, junk, and promotions folders) from January through August 2025 shows no prior settlement-related communication I have no record of postal delivery at my stable address during this period.

These circumstances, combined with my prompt action via the helpline, constitute exceptional reasons for excusing the untimeliness.

I understand the importance of deadlines but trust the settlement process prioritizes fairness and inclusivity for all eligible claimants. Accepting my claim aligns with these principles and causes no prejudice to other class members or the administration, as the pro-rata distribution mechanism can readily accommodate it, especially given your own

confirmation of my timely follow-through post-discovery. Thank you for your time and attention. I look forward to your response and am happy to provide any additional information.

Please confirm receipt of this submission.

Sincerely,

Request to Accept Late Claim

Dear Claims Administrator,

I am writing in response to your Notice of Unlabeled Claim dated October 7, 2025. I respectfully request that my claim be accepted as timely filed in the DraftKings NFT Settlement (claim number 889682823) class action settlement. Although the claim filing deadline was July 21, 2025, I did not receive any notice of the settlement before that date. Dear Settlement Administrator,

I am writing in response to your **Notice of Untimely Claim**, dated October 7, 2025, regarding my **Proof of Claim and Release Form (Claim #889682824)** in the *Dufoe v. DraftKings, et al.* settlement.

I respectfully request that you reconsider my claim under the Court's equitable authority, as outlined in the Settlement Agreement and accompanying Notice, due to my lack of actual notice regarding the filing deadline. Although I have resided continuously at [REDACTED] —the address on file and the same one to which this notice was sent—and had accurate, verified contact information on record during the class period, I did not receive any prior communication about the settlement via email or postal mail before **August 13, 2025**.

Despite not receiving any prior notifications, I immediately followed the representative's instructions to submit my claim form via email to info@draftkingsnftsettlement.com, which I did at **5:36 PM ET** (see attached). The next day, I received confirmation of receipt at **9:09 AM EST**, assigning my claim number and indicating that the Court would review the timeliness of my submission (attached confirmation email).

Although my claim was submitted approximately three weeks after the **July 21, 2025** deadline, I acted promptly and in good faith upon discovering the settlement. I have thoroughly reviewed my email folders (including inbox, spam, junk, and promotions) from **January through August 2025** and found no evidence of prior notice. Likewise, no mailed notice was received at my address during that time.

Given these circumstances and my immediate action upon learning of the settlement, I believe there is good cause to accept my claim as timely under the Court's equitable discretion. This would not prejudice the administration of the settlement or other class members, as the pro-rata

distribution framework can easily incorporate it. Furthermore, your timely confirmation of my submission reinforces my diligent efforts once aware of the matter.

I appreciate your consideration and respectfully request confirmation of receipt. I am happy to provide any further documentation if needed.

Sincerely,

[REDACTED]

CLAIM 889682839

October 10, 2025

Dear Settlement Administrator,

I respectfully submit this written statement for the Court's consideration regarding my late claim in the DraftKings NFT Settlement.

I understand that under the terms of the Settlement Agreement, neither Class Counsel nor the Settlement Administrator has authority to accept untimely claims after the final approval hearing. However, I respectfully ask that this statement and my accompanying claim form be forwarded to the Court for review and determination as to whether my late filing may be excused.

I did not receive any notice of this settlement—neither by email nor by mail—and only became aware of it recently, after the official claim deadline had already passed. Had I been properly notified, I would have submitted my claim on time.

I believe I am an eligible class member, as I purchased and held DraftKings NFTs during the relevant period, and I have included my completed claim form with this message. The delay in my submission was not intentional or neglectful, but simply due to lack of notice. I acted promptly as soon as I discovered the settlement.

In light of these circumstances, I respectfully request that the Court excuse the untimeliness of my claim and allow it to be considered along with timely submissions, in the interest of fairness and due process.

Thank you very much for your time and understanding.

Sincerely,

10/10/2025

Subject: Request for Acceptance of Late Proof of Claim and Release Form - Re: DraftKings Securities Litigation Settlement

Settlement Administrator and Class Counsel,

I am writing to respectfully request that my Proof of Claim and Release Form, submitted after the July 21, 2025 deadline, be accepted as timely pursuant to the doctrine of excusable neglect.

Unfortunately, I did not receive prior notice of this settlement or my unique claimant ID number before the filing deadline. During the relevant period, my family and I experienced several significant personal events that made it difficult for me to attend to administrative or financial matters. Specifically, my mother passed away, my son graduated from college, and my wife's aunt also passed away around that same time. I am also the Trustee of my mother's estate. These events caused considerable disruption and emotional distress, and I was unaware of the settlement process until finding out yesterday.

As soon as I became aware of the settlement and my eligibility, I promptly completed and submitted this Proof of Claim and Release Form. I am submitting this request in good faith and respectfully ask that my claim be considered valid despite its untimely filing. Accepting this claim would not prejudice the Settlement Fund or delay administration, and I sincerely hope the Court and Settlement Administrator will find that my delay constitutes excusable neglect under the circumstances.

I have included with this submission a copy of my mother's death certificate.

Thank you for your time and understanding in reviewing my request. Please let me know if any further documentation or information is required.

Sincerely,

Formal Statement Regarding Untimely Claim and Lack of Individual Notice

Dated: November 18, 2025

To: Settlement Administrator

Re: DraftKings NFT Settlement – Statement Regarding Untimely Claim and Lack of Individual Notice

I submit this formal statement in connection with my late claim relating to the DraftKings NFT Settlement. Although I purchased a DraftKings NFT within the Settlement Class Period, I did not receive a notice email, notice postcard, Claim Status Letter, or any other individualized communication regarding the Settlement, the claims process, or any applicable deadlines. Because no notice was ever transmitted to me, I was unaware of the existence of the Settlement, the October 7, 2025 mailing, or the claim-filing deadlines.

The failure of notice prevented timely filing and implicates the due-process requirements articulated in *Mullane v. Central Hanover Bank & Trust Co.*, 339 U.S. 306 (1950), which require notice reasonably calculated to apprise interested parties of the pendency of the action and afford them an opportunity to respond. Courts supervising class settlements have repeatedly exercised equitable discretion to accept late claims where a reasonably identifiable class member did not receive individualized notice and acts promptly upon learning of the settlement, particularly in securities and consumer class actions, to avoid forfeiture of valid claims solely due to notice failure rather than claimant inaction.

I became aware of the DraftKings NFT Settlement only incidentally while researching unrelated class actions involving a prior employer. During that research, I encountered a reference to the “\$10M DraftKings NFT class action settlement.” Recognizing that I had purchased a DraftKings NFT, I promptly investigated, confirmed my potential eligibility, and initiated efforts to submit a claim. This was my first notice of the litigation, the Settlement, and any associated deadlines, and I acted without delay once informed.

My late submission is therefore attributable solely to the absence of individualized notice and not to any lack of diligence. In light of the due-process standards governing notice in class actions and the equitable treatment of similarly situated untimely claimants in prior class settlements, I respectfully request that the untimeliness of my claim be excused and that my claim be accepted as valid for participation in the DraftKings NFT Settlement.

CLAIM 889682859

To whom it may concern:

My name is [REDACTED] and I purchased and own multiple draft kings NFTs. In late December of 2025 I went onto the Draft Kings platform to view my NFT collection only to find that DraftKings and their partners had discontinued the service and I could no longer view the NFTs in my account.

It is after this realization that I discovered the class action settlement for which I should clearly be a member of. I went onto the website and immediately emailed the class administrator at info@draftkingsnftsettlement.com.

In double checking, the administrator had not emailed me a single time about my class participation. I looked at my draft kings account and discovered that it still had my old address where I no longer receive mail. While I would assume the administrator tried to contact me there, I do not know. However in a modern world where people move often, I would have also assumed that the administrator would have tried to email me. I've attached a screenshot of my mail program showing that there were no emails sent. I'm also attaching a screenshot showing that my draft kings address is out dated.

Due to this issue, I have never received any notice and I do not even know my class member number.

I am confident that I qualify for the class. My draft kings email is [REDACTED] and my username is [REDACTED].

I would request that I would be allowed to still participate in this action as a member. If I am not allowed, I will reach out to the relevant court and bar associations to bring their attention to the lack of contact and negligence in reaching out.

Thank you in advance

CLAIM 889682860

January 8, 2026

To whom it may concern,

I respectfully request that my late-filed claim be accepted and deemed timely for purposes of the DraftKings NFT settlement.

I did not receive direct notice of the settlement or claims deadline, and I only became aware of the existence of the settlement after recently encountering online discussion and media coverage referencing the resolution of claims related to DraftKings' NFT marketplace. Upon learning of this information, I promptly followed up, obtained the claim materials, and began the process of submitting my claim without delay.

At the time of my NFT purchases, DraftKings publicly promoted its NFT marketplace as a long-term digital collectibles platform tied to its well-established brand, exclusive athlete partnerships, and ongoing marketplace support. I reasonably purchased and held these NFTs with the expectation that they would retain utility, liquidity, and long-term value within an actively maintained ecosystem. Like many consumers, I did not view these assets as short-term speculative trades, but rather as collectibles and digital assets intended to be held over time as the platform matured.

I invested approximately \$3,000 in DraftKings NFTs in reliance on DraftKings' representations regarding the sustainability and legitimacy of the marketplace. I continued to hold these NFTs even as liquidity declined, believing that DraftKings would continue to support the platform, maintain secondary market functionality, and honor the expectations it set for users.

Because I lacked timely notice of the settlement and acted promptly once I became aware of it, I respectfully request that the untimeliness of my claim be excused and that my claim be accepted in the interests of fairness and equity.

Thank you for your consideration.

This email was received from outside AB Data. Always verify the sender and content before clicking links or opening attachments.

To Whom It May Concern,

I am writing in reference to Claim ID: 940156497, which was marked as untimely. I respectfully request reconsideration due to the following circumstances:

- No notice received: I did not receive mailed notice (my address on file appears to have been incorrect) or email notice of the settlement or the July 21, 2025 deadline.
- Documented diligence (pre-deadline): I contacted Kirby McInerney in November 2024 to inquire about the litigation and how to participate, demonstrating my intent to be involved well before the claim period closed. I can provide the email response confirming this outreach.
- Immediate action once discovered: I learned of the claims website after the deadline through independent research and submitted my claim on August 1, 2025, promptly upon discovering the portal.
- Substantial qualifying purchases: I purchased approximately \$10,400 in DraftKings NFTs during this class period, including a Tiger Woods Preseason Emerald and multiple Tiger Woods NFT packs.

Given these facts, I request that my claim be accepted as timely under excusable neglect / lack of notice principles. I acted diligently prior to the deadline (as evidenced by my November 2024 inquiry to Kirby McInerney) and promptly after discovering the portal, and I hold a material financial interest directly tied to the settlement.

I would appreciate confirmation that this reconsideration request has been received and instructions on any supporting documentation you would from me.

Thank you for your time and consideration. I look forward to your response.

Best,

Re: Response to Notice of Untimely Claim

Claimant: [REDACTED]

Claim Number: 940156498

Dear Settlement Administrator:

I am writing in response to the Notice of Untimely Claim dated October 7, 2025, concerning my Proof of Claim and Release Form in connection with the DraftKings NFT Settlement. I respectfully request that my claim be accepted and deemed timely, or alternatively, that the Court exercise its equitable discretion to permit acceptance of my late-filed claim.

Reason for Delay

I did not receive any physical or digital notice providing the necessary information to submit a claim before the July 21, 2025 filing deadline. I only became aware that the settlement final approval hearing took place on July 30, 2025 after learning about it through other parties and promptly reached out to the Settlement Administrator on my own initiative on July 31, 2025. I acted in good faith and without delay upon learning of the final hearing, which aligns with the actions I would have taken upon receipt of the initial notice.

Additionally, I was away from home due to work between July 23 and July 30, 2025, and would not have had the opportunity to file before the final approval hearing date even if I had received timely notice. Therefore, any delay in my filing was not due to negligence or disregard for the settlement procedures, but rather a lack of proper notice and unavoidable personal circumstances.

Request for Consideration

Given these circumstances, I respectfully request that my claim be accepted pursuant to the Court's equitable powers. Denying participation under these facts would result in undue hardship and would be inconsistent with the principles of fairness underlying the settlement process,

particularly since I took prompt and independent action to assert my rights once I became aware that the claim information had been sent to other class members.

Please confirm receipt of this correspondence and advise if any additional documentation is required to support my request. I appreciate your consideration and look forward to a fair resolution.

Respectfully submitted,

[REDACTED]

To whom it may concern,

I am writing in response to your *Notice of Untimely Claim* dated October 7, 2025. I respectfully request that my claim be accepted under equitable grounds. My claim was not submitted by the July 21 2025 filing deadline solely because I never received actual notice of the settlement or filing requirements, and I acted immediately once I became aware on July 31 2025.

No Actual Notice Received

Although you may have sent an email regarding the claims process, I never saw or received it. After reviewing my email account, it appears that if such notice was sent, it may have been filtered automatically into my spam or junk mail folder and automatically deleted without my knowledge. I also did not receive this notice by mail.

Prompt Action Upon Awareness

The same day that I became aware of the settlement and claims process, July 31, 2025. I submitted my completed claim form without delay. My submission reflects good faith and a genuine intent to comply with the process, with no attempt to disregard court deadlines.

Equitable Grounds for Acceptance

Federal courts have consistently held that deadlines in class action settlements may be tolled or relaxed under equitable principles where a claimant:

- (a) Did not receive actual notice
- (b) Acted promptly upon discovering the settlement
- (c) Caused no prejudice to the settlement administration or other members, and
- (d) Seeks relief consistent with fairness and due process

This principle has been upheld in numerous cases including, *In re Gypsum Antitrust Cases*, 565 F.2d 1123 (9th Cir. 1977); *Silvber v. Mabon* 18 F.3d 1449(9th Cir. 1994); *In re Orthopedic Bone Scre Prods. Liab. Litig.*, 246 F.3d 315 (3d Cir. 2001); and *In re Cendant Corp. Prides Litig.*, 233 F.3d 188 (3d Cir. 2000). My circumstances align directly with the equitable exceptions recognized in these decisions.

No Prejudice to the Settlement

Accepting my claim will not prejudice other Settlement Class Members or disrupt the administration of the settlement. The settlement fund and distribution mechanism can readily accommodate my claim without meaningful impact on others.

Conclusion

Given these facts, the equities clearly favor inclusion. Denying my claim would be inconsistent with both the purpose of the settlement and the principles of fairness and due process that govern class action administration.

I therefore respectfully request that my claim be accepted and processed as timely filed under equitable grounds. **Should my claim not be included in the settlement I request the opportunity to obtain legal counsel and have them fully brief this matter on my behalf with the court.** Please confirm receipt of this letter and advise if any further documentation or information is required.

Sincerely,

Signed Statement RE: DraftKings NFT Settlement

Dear Settlement Administrator:

I am writing in response to your Notice of Untimely Claim dated October 7, 2025. This signed written statement outlines the reasons for contesting your determination and formally requests that my claim be deemed timely or, in the alternative, that its untimeliness be excused by the Court in the exercise of its equitable powers.

My claim submission was delayed for reasons entirely beyond my control. The determination of untimeliness should be reversed due to the following extenuating circumstances:

1. **Failure of Initial Notification:** I was never properly served with the initial settlement notice. I did not receive an Email Notice or a Postcard Notice containing the Unique ID and PIN necessary to file a claim. As a result, I was unaware of the filing procedure and the approaching deadline.
2. **Proactive Efforts to Comply:** Upon learning of the settlement through independent means late in the settlement period, I took immediate and proactive steps to participate. On or around **August 4, 2025**, I contacted your office directly to inform you that I had not received a notice and to request the necessary information to file my claim.
3. **Account Access Blocked by Defendant:** As detailed in my previous correspondence, my efforts to gather the required transaction history were severely hampered because DraftKings had blocked my account access. This was due to geolocation restrictions, as I was temporarily residing in Los Angeles. This technical barrier, imposed by the defendant in this action, made it impossible for me to independently verify my transaction records in a timely manner.

The delay between my initial outreach to your office and my eventual submission was a direct consequence of these issues. I was wholly dependent on your office to provide the claim information that should have been sent to me at the outset of the settlement period. My claim was submitted as promptly as possible after I finally received the means to do so.

My situation is not negligence or disregard for the deadline. Rather, it is a clear case where a failure in the notification process, compounded by technical restrictions imposed by the defendant, made timely compliance impossible. Denying my valid claim on these grounds would be profoundly inequitable and would reward a flawed notice procedure.

Therefore, I respectfully request that you reconsider your determination and accept my claim. Should you maintain your position, I request that this statement be presented to Class Counsel and the Court as my formal petition to have the untimeliness of my claim excused.

Thank you for your time and consideration of this matter.

Respectfully,

A small black rectangular redaction box covering the signature.A large black rectangular redaction box covering the signature.

NOTICE OF UNTIMELY CLAIM

DATE: October 07, 2025
RE: DraftKings NFT Settlement
CLAIM NUMBER: 940439468
RESPONSE DEADLINE: October 28, 2025

Dear Claimant:

We are writing to inform you that your Proof of Claim and Release Form ("Claim") submitted in connection with the DraftKings NFT Settlement was received after the court-approved filing deadline of July 21, 2025, and after the final approval hearing date of July 30, 2025. Under the terms of the Settlement Agreement, Class Counsel and the Settlement Administrator do not have the authority to accept untimely claims received after the final approval hearing on July 30, 2025. Because your Claim was submitted after July 30, 2025, it is untimely and ineligible for a payment from the settlement fund unless the Court determines that it should be accepted in an exercise of its equitable powers.

If you believe this untimeliness determination is incorrect and that your Claim was received by the Settlement Administrator on or before July 30, 2025, you must, within twenty-one (21) days of the date of this notice, send the Settlement Administrator a signed written statement that states your reasons for contesting this determination, along with any supporting documentation. The Settlement Administrator will review any information you submit in response to the determination of your Claim. If there remains a dispute concerning the timeliness of your Claim, such dispute will be presented to the Court for binding resolution.

If you believe that the untimeliness of your Claim should be excused, you must, within twenty-one (21) days of the date of this notice, send the Settlement Administrator a signed written statement that states the reasons why you believe your Claim should be excused. If you fail to submit a signed written statement within twenty-one (21) days of the date of this notice, Class Counsel will report to the Court in its motion for Court approval to distribute the Net Settlement Fund that you declined the opportunity to contest the rejection of your untimely Claim.

You have the right to petition the Court to accept your Claim, and you have the right to retain separate counsel of your choice to represent you in this matter. Any counsel you retain will be at your own expense. Class Counsel cannot represent you in petitioning the Court to accept your individual Claim or provide you with legal advice relating to that petition.

Class Counsel will file a motion for Court approval to distribute the Net Settlement Fund after claimants have had an opportunity to respond to the determination from the Settlement Administrator and all Claims have been finalized. The distribution motion will be posted on the Settlement website (www.DraftKingsNFTSettlement.com). Claimants may file objections to the determination of their claim or otherwise make submissions to the Court in response to the distribution motion.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at 1-877-883-9186 or email us at info@DraftKingsNFTSettlement.com. Please reference the Claim number listed above in any communication. If you would like to view or download the Settlement Notice, which contains the Plan of Distribution, you may do so by visiting www.DraftKingsNFTSettlement.com. Additionally, in order to ensure that you receive further communications regarding this settlement, please make sure that all of your contact information is correct and up to date.

Sincerely,

A.B. DATA, LTD.

***last email was sent from my outlook account, here is the correct email*

Dear Settlement Administrator,

I am writing to you as a member of the Settlement Class for the *DraftKings Inc. NFT Settlement*. I qualify as a Settlement Class Member because I purchased numerous NFTs on the DraftKings platform during the Settlement Class Period.

However, I never received an Email Notice or a Postcard Notice containing the Unique ID and PIN number required to submit my Proof of Claim and Release Form online. The deadline to file is July 21, 2025, and I wish to submit my claim as soon as possible.

My relevant personal and account information is as follows:

- **Claimant Name:** [REDACTED]
- **DraftKings Account Email:** [REDACTED]
- **Permanent/Home Address:** [REDACTED]
- **Current Temporary Address:** [REDACTED]
- **Phone:** [REDACTED]

Furthermore, my ability to access my account to retrieve a complete transaction history is currently blocked. Because I am physically located in Los Angeles for a temporary period, DraftKings' geolocation restrictions have prevented all access to my account and its records.

To substantiate my status as a Settlement Class Member, I am providing a list of transactions compiled from the email receipts I have on file.

List of Known NFT Purchases:

- **Aug 25, 2021:** Naomi Osaka Carbon Premier #2494 - **\$37.00**
- **Aug 25, 2021:** Naomi Osaka Carbon Premier #2528 - **\$40.00**
- **Aug 25, 2021:** Naomi Osaka Carbon Premier #3821 - **\$40.00**
- **Aug 27, 2021:** Naomi Osaka Carbon Signed #65 - **\$699.00**
- **Aug 27, 2021:** Tom Brady Platinum Premier #2388 - **\$300.00**
- **Sep 2, 2021:** Simone Biles Carbon Signed #60 - **\$1,199.00**
- **Sep 7, 2021:** Derek Jeter Carbon Premier #2176 - **\$150.00**
- **Sep 7, 2021:** Derek Jeter Carbon Premier #2022 - **\$145.00**

Given that the deadline has passed 12 days ago, I request that you please provide me with a Unique ID and PIN, or an alternative method to file my claim, so I can participate in the settlement. I am eager to resolve this through the established class action process. However, if I am unable to

submit my claim due to this administrative issue and the platform's access restrictions, I will be forced to explore all available legal options to protect my interests, including filing a separate action.

Let me know if you have any questions.

Thanks,

Hi my name is [REDACTED] and I was supposed to take part in the DraftKings settlement but I never received notice. I heard it was going on late and never received notice. When my friends were talking about it 1 month after the deadline I called and explained to the administrator that I never got the notice. They then gave me the info to file online in which I did (1 month late). They finally sent me a denial notice saying I filed late. I then called you and the lady I spoke to said there was nothing left I could do. I'm now seeing documents supporting late claims. Am I included in this? My estimated losses around between 50-80k. Is there anything I can do? Please help if possible. Thank you.

Hello,

Thank you for your email regarding the DraftKings NFT Settlement.

As seen attached, a letter detailing the status of your claim submission was mailed to you on October 7, 2025. You received this letter as your claim was received after the court-approved filing deadline of July 21, 2025, and after the final approval hearing date of July 30, 2025. As detailed in the letter, if you believe that the untimeliness of your Claim should be excused, you had to submit a response by the deadline of October 28, 2025.

At this time, there is no further update for this case. We are not able to move forward with this case until the Court has made a determination regarding late claim submissions and the cutoff, which the decision will be made independently.

If you have any further questions, please let us know.

Plaintiffs,

v.

DRAFTKINGS INC., et al.,
Defendants.

Case No. 1:23-cv-10524-DJC

PRO SE MOTION FOR EQUITABLE TOLLING AND ACCEPTANCE OF LATE-FILED CLAIM

[REDACTED] pro se claimant in the above-captioned class action settlement, respectfully moves this Court under **Federal Rule of Civil Procedure 6(b)(1)(B)** and its inherent equitable powers for an order accepting his late-filed claim under the **DraftKings NFT Settlement** as timely.

In support of this Motion, [REDACTED] submits this filing, his attached Declaration (Exhibit A), a copy of the Settlement Administrator's Notice of Untimely Claim (Exhibit B), and states as follows:

1. Introduction and Relief Requested

On July 31, 2025, this Court granted final approval to the \$10 million settlement resolving claims related to DraftKings' NFT sales. On October 7, 2025, I received a **Notice of Untimely Claim** from the Settlement Administrator (A.B. Data, Ltd.), advising that my Proof of Claim and Release Form had been marked late.

I respectfully request that the Court accept my claim as timely, or otherwise toll the July 21, 2025 filing deadline, on equitable grounds. I never received prior notice of the claim deadline and acted immediately upon learning of the settlement.

2. Factual Background

I am an eligible class member who transacted in DraftKings NFTs during the class period. I have resided continuously at [REDACTED] which remains my correct address of record.

At no time prior to July 21, 2025, did I receive any notice regarding the claim filing deadline. I first learned of the settlement by word of mouth on August 2, 2025. I immediately contacted DraftKings NFT Settlement for my ID and pin information and submitted my claim thereafter. Upon receiving the Notice of Untimely Claim letter dated October 7, 2025, I acted within the allowed twenty-one (21) days to contest the determination, consistent with the settlement's equitable fairness provisions.

The delay in submission was not due to negligence, but solely due to the **lack of actual notice**.

3. Legal Standard and Argument

Federal courts routinely allow equitable tolling of class action deadlines when claimants demonstrate excusable neglect, lack of notice, or prompt good-faith action upon discovery. See:

- *In re Gypsum Antitrust Cases*, 565 F.2d 1123 (9th Cir. 1977) (tolling where absent members lacked notice);
- *Silber v. Mabon*, 18 F.3d 1441 (9th Cir. 1994) (approving exceptions for good-faith late filings);
- *In re Cent. States Health & Life Co. of Omaha*, 504 F.3d 869 (9th Cir. 2007) (recognizing equitable relief for "faultless" late claimants).

Here, all equitable factors favor acceptance of my claim:

- (a) I did not receive actual notice of the filing deadline;
- (b) My late claim causes no prejudice to other class members;
- (c) I acted diligently once notified; and
- (d) Acceptance promotes fairness and due process.

4. No Prejudice to the Settlement or Class

Allowing my claim will not prejudice the settlement fund or other claimants. The pro rata distribution can absorb my valid claim without material impact. Excluding my claim based solely on lack of notice would undermine the settlement's purpose of compensating all eligible class members fairly.

5. Conferral Certification

Pursuant to Local Rule 7.1(a)(2), I contacted **Class Counsel Anthony F. Fata** (afata@kmllp.com) and **Cormac Broeg** (cbroeg@kmllp.com) on October 19, 2025, to request inclusion of my claim prior to filing this motion but received no response.

6. Conclusion

For the foregoing reasons, I respectfully request that this Court grant this Motion, deem my claim timely, and direct the Settlement Administrator to process my payment under the DraftKings NFT Settlement.

Respectfully submitted,

[REDACTED]

Dated: October 19, 2025

Exhibit A – Declaration of [REDACTED]

I, [REDACTED], declare under penalty of perjury under 28 U.S.C. §1746 that:

1. I am over 18 years old and competent to testify.
2. I reside at [REDACTED]
3. I never received notice regarding the DraftKings NFT Settlement claim deadline prior to the July 21, 2025 deadline.
4. I first learned of the settlement on August 2, 2025 and submitted my claims immediately thereafter.
5. I received a NOTICE OF UNTIMELY CLAIM letter from DraftKings NFT Settlement dated October 7, 2025.

NOTICE OF UNTIMELY CLAIM

DATE: October 07, 2025
RE: DraftKings NFT Settlement
CLAIM NUMBER: 940439473
RESPONSE DEADLINE: October 28, 2025

Dear Claimant:

We are writing to inform you that your Proof of Claim and Release Form ("Claim") submitted in connection with the DraftKings NFT Settlement was received after the court-approved filing deadline of July 21, 2025, and after the final approval hearing date of July 30, 2025. Under the terms of the Settlement Agreement, Class Counsel and the Settlement Administrator do not have the authority to accept untimely claims received after the final approval hearing on July 30, 2025. Because your Claim was submitted after July 30, 2025, it is untimely and ineligible for a payment from the settlement fund unless the Court determines that it should be accepted in an exercise of its equitable powers.

If you believe this untimeliness determination is incorrect and that your Claim was received by the Settlement Administrator on or before July 30, 2025, you must, within twenty-one (21) days of the date of this notice, send the Settlement Administrator a signed written statement that states your reasons for contesting this determination, along with any supporting documentation. The Settlement Administrator will review any information you submit in response to the determination of your Claim. If there remains a dispute concerning the timeliness of your Claim, such dispute will be presented to the Court for binding resolution.

If you believe that the untimeliness of your Claim should be excused, you must, within twenty-one (21) days of the date of this notice, send the Settlement Administrator a signed written statement that states the reasons why you believe your Claim should be excused. If you fail to submit a signed written statement within twenty-one (21) days of the date of this notice, Class Counsel will report to the Court in its motion for Court approval to distribute the Net Settlement Fund that you declined the opportunity to contest the rejection of your untimely Claim.

You have the right to petition the Court to accept your Claim, and you have the right to retain separate counsel of your choice to represent you in this matter. Any counsel you retain will be at your own expense. Class Counsel cannot represent you in petitioning the Court to accept your individual Claim or provide you with legal advice relating to that petition.

Class Counsel will file a motion for Court approval to distribute the Net Settlement Fund after claimants have had an opportunity to respond to the determination from the Settlement Administrator and all Claims have been finalized. The distribution motion will be posted on the Settlement website (www.DraftKingsNFTSettlement.com). Claimants may file objections to the determination of their claim or otherwise make submissions to the Court in response to the distribution motion.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at 1-877-883-9186 or email us at info@DraftKingsNFTSettlement.com. Please reference the Claim number listed above in any communication. If you would like to view or download the Settlement Notice, which contains the Plan of Distribution, you may do so by visiting www.DraftKingsNFTSettlement.com. Additionally, in order to ensure that you receive further communications regarding this settlement, please make sure that all of your contact information is correct and up to date.

Claim Number: 940439473

Dear Settlement Administrator,

I am writing in response to the Notice of Untimely Claim dated October 7, 2025, regarding my claim submission for the DraftKings NFT Settlement. I hereby contest this untimeliness determination, which should be excused. I am a significant claim holder and did not receive any notice of the legal action or settlement prior to the July 21, 2025, filing deadline.

I first learned of the settlement by word of mouth on August 2, 2025. I immediately contacted DraftKings NFT Settlement for my ID and pin information and submitted my claim thereafter. Under this circumstance, both law and equity hold that the untimeliness of my claim submission should be excused. I ask the Court to exercise its discretion and equitable power to excuse the untimeliness and allow me to rightfully participate in the settlement fund disbursement. There is no prejudice to others in the Court doing so.

Thank you for your time and attention to this matter.

Regards,

UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

JUSTIN DUFOE, on Behalf of Himself
and All Others Similarly Situated,

Lead Plaintiff,

v.

DRAFTKINGS INC., JASON D.
ROBINS, JASON K. PARK, and
MATTHEW KALISH,

Defendants.

Case No. 1:23-cv-10524-DJC

~~PROPOSED~~ ORDER AND FINAL JUDGMENT

WHEREAS, a putative securities action is pending in this Court entitled *Justin Dufoe v. DraftKings Inc., et al.*, No. 1:23-cv-10524-DJC (the “Action”);

WHEREAS, Lead Plaintiff Justin Dufoe (“Lead Plaintiff”) on behalf of himself and other members of the Settlement Class, and (ii) Defendants DraftKings Inc. (“DraftKings”), Jason D. Robins, Jason K. Park, and Matthew Kalish (together with DraftKings, “Defendants”) have entered into a Stipulation and Agreement of Settlement dated February 26, 2025 (the “Stipulation”), that provides for a complete dismissal with prejudice of the claims asserted against Defendants in the Action on the terms and conditions set forth in the Stipulation, subject to the approval of this Court (the “Settlement”);

WHEREAS, unless otherwise defined in this Judgment, the capitalized terms herein shall have the same meanings as they have in the Stipulation;

WHEREAS, by Order dated February 28, 2025 (the “Preliminary Approval Order”), this Court: (a) found, pursuant to Rule 23(e)(1)(B), that it (i) would likely be able to approve the Settlement as fair, reasonable, and adequate under Rule 23(e)(2), and (ii) would likely be able to

certify the Settlement Class for purposes of the Settlement; (b) ordered that notice of the proposed Settlement be provided to potential Settlement Class Members; (c) provided Settlement Class Members with the opportunity either to exclude themselves from the Settlement Class or to object to the proposed Settlement; and (d) scheduled a hearing regarding final approval of the Settlement;

WHEREAS, due and adequate notice has been given to the Settlement Class;

WHEREAS, the Court conducted a hearing on July 30, 2025 (the “Settlement Hearing”) to consider, among other things: (a) whether the terms and conditions of the Settlement are fair, reasonable, and adequate to the Settlement Class, and should therefore be approved; and (b) whether a judgment should be entered dismissing the Action with prejudice as against the Defendants; and

WHEREAS, the Court having reviewed and considered the Stipulation, all papers filed and proceedings held herein in connection with the Settlement, all oral and written comments received regarding the Settlement, and the record in the Action, and good cause appearing therefor;

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

1. **Definitions** – Capitalized terms not defined in this Order and Final Judgment have the meaning set forth in the Stipulation (certain of which are repeated here for ease of reference only).

2. **Jurisdiction** – The Court has jurisdiction over the subject matter of the Action, and all matters relating to the Settlement, as well as personal jurisdiction over all of the Parties and each of the Settlement Class Members.

3. **Incorporation of Settlement Documents** – This Judgment incorporates and makes a part hereof: (a) the Stipulation filed with the Court on February 26, 2025; and (b) the Email

Notice, Long-Form Notice, and the Publication Notice, both of which were filed with the Court on February 26, 2025.

4. **Class Certification for Settlement Purposes** – The Court hereby certifies for the purposes of the Settlement only, the Action as a class action pursuant to Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure on behalf of the Settlement Class consisting of all persons or entities who purchased, acquired, sold, disposed of, owned, held, used, or otherwise transacted in non-fungible tokens (“NFTs”) in an account at DraftKings during the Class Period, including, without limitation, Marketplace NFTs. Excluded from the Class are: (i) Defendants; (ii) DraftKings’ officers and directors during the Class Period; (iii) the Immediate Family of Defendants and their legal representatives, heirs, successors, or assigns; and (iv) any entity in which Defendants have or had a controlling interest. Also excluded from the Settlement Class are those persons who are found by the Court to have timely and validly requested exclusion from the Settlement Class.

5. **Settlement Class Findings** – For purposes of the Settlement only, the Court finds that each element required for certification of the Settlement Class pursuant to Rule 23 of the Federal Rules of Civil Procedure has been met: (a) the members of the Settlement Class are so numerous that their joinder in the Action would be impracticable; (b) there are questions of law and fact common to the Settlement Class which predominate over any individual questions; (c) the claims of Lead Plaintiff in the Action are typical of the claims of the Settlement Class; (d) Lead Plaintiff and Class Counsel have and will fairly and adequately represent and protect the interests of the Settlement Class; and (e) a class action is superior to other available methods for the fair and efficient adjudication of the claims of the Settlement Class in the Action.

6. **Adequacy of Representation** – Pursuant to Rule 23 of the Federal Rules of Civil Procedure, and for the purposes of the Settlement only, the Court hereby appoints Lead Plaintiff as Class Representative for the Settlement Class, and appoints the law firms of Kirby McInerney LLP, Berman Tabacco, Hannafan & Hannafan, Ltd., and G. Dowd Law LLC as Class Counsel for the Settlement Class. Lead Plaintiff and Class Counsel have fairly and adequately represented the Settlement Class both in terms of litigating the Action and for purposes of entering into and implementing the Settlement and have satisfied the requirements of Federal Rules of Civil Procedure 23(a)(4) and 23(g), respectively.

7. **Sufficiency of Notice** – The form, manner, and content of the Email Notice, Long-Form Notice, and Publication Notice were the best notice practicable under the circumstances, notice was provided to the Settlement Class in accordance with the Preliminary Approval Order, and that the Notice Program in all respects satisfied due process, provided adequate information to the Settlement Class of all matters relating to the Settlement, and fully satisfied the requirements of Federal Rules of Civil Procedure 23(c)(2) and (e)(1), the United States Constitution (including the Due Process Clause), and the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4, as amended, Massachusetts law, and all other applicable law and rules.

8. **CAFA** – The Court finds that the notice requirements set forth in the Class Action Fairness Act of 2005, 28 U.S.C. § 1715 *et seq.*, to the extent applicable to the Action, have been satisfied.

9. Lead Plaintiff shall be paid a \$50,000 Service Award from the Settlement Fund in accordance with the terms of the Stipulation.

10. Class Counsel shall be paid \$3,333,333 in attorneys' fees and \$52,792.07 in Litigation Expenses in accordance with the terms of the Stipulation.

11. The Settlement Administrator, A.B. Data, Ltd., shall be paid Notice Costs and Administration Costs in accordance with the terms of the Stipulation not exceeding \$180,000. The Settlement Administrator shall disburse the Settlement Fund in accordance with the terms of the Stipulation and this Order and Final Judgment.

12. **Final Settlement Approval and Dismissal of Claims** – Pursuant to, and in accordance with, Rule 23(e)(2) of the Federal Rules of Civil Procedure, this Court hereby fully and finally approves the Settlement set forth in the Stipulation in all respects (including, without limitation, the amount of the Settlement, the Releases provided for therein, and the dismissal with prejudice of the claims asserted against Defendants in the Action), and finds that the Settlement is, in all respects, fair, reasonable, and adequate to the Settlement Class. The objections of Cory Siemon (ECF No. 93)¹⁰⁴, Keith Downing (ECF No. 94), and Brad Wyatt (ECF No. 100)¹⁰¹ to the Settlement and Plan of Allocation are denied. 

13. The Action and all of the claims asserted against Defendants in the Action by Lead Plaintiff and the other Settlement Class Members are hereby dismissed with prejudice. The Parties shall bear their own costs and expenses, except as otherwise expressly provided in the Stipulation.

14. **Binding Effect** – The terms of the Stipulation and of this Judgment shall be forever binding on Defendants, Lead Plaintiff, and all other Settlement Class Members (regardless of whether or not any individual Settlement Class Member submits a Claim Form or seeks or obtains a distribution from the Net Settlement Fund), as well as their respective successors and assigns. The persons and entities listed on Schedule 1 hereto are excluded from the Settlement Class pursuant to request and are not bound by the terms of the Stipulation or this Judgment.

15. **Releases** – The Releases set forth in paragraphs 6 and 7 of the Stipulation, together with the definitions contained in paragraph 1 of the Stipulation relating thereto (certain of which

are repeated herein), are expressly incorporated herein in all respects. The Releases are effective as of the Effective Date. Accordingly, this Court orders that:

(a) Without further action by anyone, and subject to paragraph 16 below, upon the Effective Date of the Settlement, Lead Plaintiff and all Settlement Class Members, on behalf of themselves and the Released Plaintiff Parties and any other person or entity legally entitled to bring Released Plaintiffs' Claims on behalf of a Settlement Class Member, in their capacities as such, and by operation of law and of this Judgment, shall thereupon be deemed to have fully, finally, and forever released, settled, and discharged the Released Defendant Parties from and with respect to every one of the Released Plaintiffs' Claims, and shall thereupon be forever barred and enjoined from commencing, instituting, prosecuting, instigating, or continuing to prosecute, or in any way participating in the commencement or prosecution of, any Released Plaintiffs' Claims, either directly or indirectly, representatively, derivatively, or in any other capacity, against any and all of the Released Defendant Parties.

(b) Without further action by anyone, and subject to paragraph 16 below, upon the Effective Date of the Settlement, each of Defendants, on behalf of themselves and their personal representatives, heirs, executors, administrators, successors and assigns, in their capacities as such, and by operation of law and of this Judgment, shall thereupon be deemed to have fully, finally, and forever released, settled, and discharged the Released Plaintiff Parties from and with respect to every one of the Released Defendants' Claims, and shall thereupon be forever barred and enjoined from commencing, instituting, or prosecuting any of the Released Defendants' Claims against any of the Released Plaintiff Parties.

16. Notwithstanding paragraphs 15(a) through (b) above, nothing in this Judgment shall bar any action by any of the Parties to enforce or effectuate the terms of the Stipulation or this Judgment.

17. **Express Release of Unknown Claims** – Regarding the Released Claims, the Parties and the Settlement Class Members shall be deemed to have waived all provisions, rights, and benefits conferred by any law of the United States, any law of any state, or principle of common law which governs or limits a person’s release of Unknown Claims to the fullest extent permitted by law, and to have relinquished, to the full extent permitted by law, the provisions, rights, and benefits of Section 1542 of the California Civil Code, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

18. “Unknown Claims” means any Released Plaintiffs’ Claims that the Released Plaintiff Parties do not know or suspect to exist in his, her, its, or their favor at the time of the release of the Released Plaintiffs’ Claims, and any Released Defendants’ Claims that any Defendant does not know or suspect to exist in his, her, its, or their favor at the time of the release of the Released Defendants’ Claims, including those which, if known by him, her, it, or them, might have affected his, her, its, or their decision(s) with respect to the Settlement. The Parties have acknowledged, and the other Settlement Class Members by operation of law are deemed to acknowledge, that they may discover facts in addition to or different from those now known or believed to be true with respect to the Released Plaintiffs’ Claims and the Released Defendants’ Claims, but that it is the intention of the Parties, and by operation of law the other Settlement Class Members, to completely, fully, finally, and forever extinguish any and all Released Plaintiffs’

Claims and Released Defendants' Claims, known or unknown, suspected or unsuspected, which now exist, or heretofore existed, or may hereafter exist, and without regard to the subsequent discovery of additional or different facts. The Parties also have acknowledged, and the other Settlement Class Members by operation of law are deemed to acknowledge, that the inclusion of "Unknown Claims" in the definition of the Released Plaintiffs' Claims and the Released Defendants' Claims was separately bargained for and is a key element of the Settlement.

19. **Rule 11 Findings** – The Court finds and concludes that the Parties and their respective counsel have complied in all respects with the requirements of Rule 11 of the Federal Rules of Civil Procedure in connection with the institution, prosecution, defense, and settlement of the Action.

20. **Bar Order** – Upon the Effective Date, Lead Plaintiff and all Settlement Class Members, on behalf of themselves and the Released Plaintiff Parties and any other person or entity legally entitled to bring Released Plaintiffs' Claims on behalf of a Settlement Class Member, in their capacities as such, and by operation of law and of this Judgment, shall be deemed to have fully, finally, and forever released, settled, and discharged the Released Defendant Parties from and with respect to every one of the Released Plaintiffs' Claims, and shall be forever barred and enjoined from commencing, instituting, prosecuting, instigating, or continuing to prosecute, or in any way participating in the commencement or prosecution of, any Released Plaintiffs' Claims, either directly or indirectly, representatively, derivatively, or in any other capacity, against any and all of the Released Defendant Parties. Upon the Effective Date, each of Defendants, on behalf of themselves and their personal representatives, heirs, executors, administrators, successors, and assigns, in their capacities as such, and by operation of law and of this Judgment, shall be deemed to have fully, finally, and forever released, settled, and discharged the Released Plaintiff Parties

from and with respect to every one of the Released Defendants' Claims, and shall be forever barred and enjoined from commencing, instituting, or prosecuting any of the Released Defendants' Claims against any of the Released Plaintiff Parties.

21. Order and Final Judgment Not Conditioned on Fee and Expense Award or Service Award – No proceedings or court order with respect to (i) the award of attorneys' fees and expenses to Class Counsel or (ii) any incentive or service award to Lead Plaintiff shall in any way disturb or affect this Judgment (including precluding this Judgment from being Final or otherwise being entitled to preclusive effect), and any such proceedings or court order shall be considered separate from this Judgment.

22. Modification of the Agreement of Settlement – Without further approval from the Court, Lead Plaintiff and Defendants are hereby authorized to agree to and adopt such amendments or modifications of the Stipulation or any exhibits attached thereto to effectuate the Settlement that: (a) are not materially inconsistent with this Judgment; and (b) do not materially limit the rights of Settlement Class Members in connection with the Settlement. Without further order of the Court, Lead Plaintiff and Defendants may agree to reasonable extensions of time to carry out any provisions of the Settlement.

23. Termination of Settlement – If the Settlement is terminated as provided in the Stipulation or the Effective Date otherwise fails to occur, this Order and Final Judgment and any related orders entered by the Court shall be treated as vacated, *nunc pro tunc*; the amount of any fees and expenses awarded to Class Counsel shall be refunded to the Settlement Fund within ten (10) business days after such termination; the Settlement Fund and all interest earned thereon—less all Notice Costs and Administration Costs paid, incurred, or due consistent with the Stipulation—shall be returned to DraftKings within fifteen (15) business days; the Stipulation shall

be null and void and of no force and effect (except as otherwise provided for in the Stipulation); Lead Plaintiff and Defendants shall be deemed to have reverted to their respective litigation status immediately prior to October 22, 2024; Lead Plaintiff and Defendants shall negotiate a new trial schedule in good faith; Lead Plaintiff and Defendants shall proceed as if the Stipulation had not been executed and the related orders had not been entered; and all of their respective claims and defenses as to any issue in the Action shall be preserved without prejudice in any way.

24. Settlement Class Members Bound by Settlement – All Settlement Class Members shall be and are deemed bound by the Stipulation and this Order and Final Judgment. Claim: 940471773: Request for Consideration of Late Claim Due to lack of Notification |
DraftKings NFT Settlement Administrator

Dear DraftKings NFT Settlement Administrator,

I am writing to request my late submission for the DraftKings NFT Settlement since I was never notified by the Claims Administrator by email or postal mail, which did not enable me to submit my claim prior to the administrative deadline.

As soon as I was made aware of the claim via word of mouth I submitted my information to the Claims Administrator on August 6th, 2025 to receive consideration for my claim but was denied in a letter received about ten days ago at my legal residence. My unique ID provided was [REDACTED]

I am willing and able to submit all the documentation providing my financial loss supporting the damages to evaluate my request.

I understand that many of us impacted were never notified by the Settlement Administrator and find there is basis for our losses to be considered as well.

I sincerely hope we are able to recover damages from this unfortunate investment.

Thank you for your attention to this matter and happy to provide any additional Info.

I thank you for your attention to this matter.

Thank You,

CLAIM 936050015

RE: DraftKings NFT Settlement
Claim Number: 936050015

Dear Settlement Administrator,

I received the enclosed Notice of Claim Calculation, and I am responding to dispute such because the amount listed as Prize Receipts (\$19,917.00) is clearly inaccurate, which affects what has been designated as my Individual Recognized Loss (IR) only being listed as \$2,240.76. The total amount of prize receipts never even came close to \$19,917.00. In fact, per documentation provided to me by DraftKings (DK) upon request, the Fair Market Value (FMV) for all of the prizes/rewards combined for 2023 came to a total of \$1,553.09, and the true value was actually less than what DK asserted those values were. Please see the attached Excel spreadsheet titled [REDACTED] (2023), which was emailed to me by “James” (at DraftKings), at 5:58p.m. EST on February 6, 2024. The 2022 NFTs (and any associated prizes) would have also been worth far less, which I will also explain.

I purchased NFTs for the 2022 season and 2023 seasons. For prizes deemed to have value, DraftKings assigned what they determined to be the FMV for each. The DMVs assigned were arbitrary amounts from the beginning. Not every NFT could necessarily be used by any NFT owner, as an owner would need to have all of the right tiers of cards in order to play the NFTs, per the contest rules. Additionally, when a customer would make constant attempts to sell an NFT for what was deemed the FMV, and would have no ability to sell the NFT/s until lowering the sale price to be far less than half of the listed FMV (and at times for practically nothing at all), it only further illustrated that these were not realistic values. With that said, the prizes/rewards were arguably worthless, and definitely should not have been listed as being worth more than \$1,000, let alone \$19,917.

To make matters worse, as a result of the DraftKings’ data breach, on November 21, 2022, my email account was hacked into and my DK account got locked, and despite countless daily attempts, I was unable to regain access to my account until the 2023 season. I was locked out of half of the season’s 2022 contests, unable to participate in such contests despite having paid for the NFTs that served as entry fees, and I remained locked out until all of my 2022 NFTs had lost their value.

Due to the full set of circumstances, I reached out to a total of 26 different law firms, in addition to other external entities, including but not limited to the Texas Attorney General, in hopes of finding justice, but due to my financial status, the attempts were to no avail. A couple of attorneys from one of the many law firms that I reached out to, met with me via Zoom on a couple of occasions and shared a number of email communications, for which I provided them extensive evidence for the allegations, and during one of our last meetings they explained what I already believed to be true, which was that they felt I had a very solid case. However, this highly reputable nationwide firm explained that it would cost at least \$5,000 for the Demand Letter, and that I would be looking at least another \$30,000 to file the Complaint, which I could not afford, especially considering that this was just an amount to get the ball rolling and I'd have no idea how much more I'd have to pour into it. I needed a firm that would take my case on a contingency fee basis, but when they referred me to other counsel who did take such cases, one of the attorneys said that he wasn't licensed to practice in Texas and thus couldn't assist, and the other whom I sought out to start a Class Action Suit, explained to me that he felt that I had too many issues for which I was directly affected and that he felt it would be more beneficial for me to seek my own suit, which I just couldn't afford. He offered to put me in touch with a journalist from the Washington Post, but that was not the route I wanted to take, and thus I never spoke with any journalist.

This entire experience has been immensely frustrating. I still have an enormous amount of evidence of how I was severely victimized, and could have even had true losses of winnings potentially worth up to over \$1,000,000, but the cost of seeking justice was not affordable. To see \$2,240.76 being listed as my "Individual Recognized Loss" (IR) is just an additional insult.

I had paid thousands of dollars for NFTs in 2022 that I had no access to, and DK was not allowing me to regain access. I have a full chronological timeline of the events that took place, which took quite a bit of time to piece together since different DK representatives kept reaching back out to me with new ticket numbers for the same issue, which created a very large volume of threads. I read the Plaintiff's (Justin Dufoe) Complaint a while back and I still to this day believe there is more than ample evidence to support that the losses I suffered from this were far greater than the losses he suffered, but he found counsel that took his case, which no attorneys in Texas were willing or able to do unless I paid far more than I could afford.

Below is a summarized version of the aforementioned timeline of events in order to show what transpired, and to show that any value the NFTs should have had was not accessible for over half of the season of 2022 NFT contests (which would've included postseason (or contests involving playoff games)). I had more communications about this with DK during

that time, and I still have 100% of those emails, but I'll only include what is most relevant herewith.

Summarized timeline:

On or about 6:45p.m. (CST) on 11/21/2022 (a Monday), I entered a few lineups from the DK app on my I Phone. I did this while in my car on a rainy evening while parked in front of a Starbucks in Austin (TX), located at Bee Caves Road and Loop 360. After I finished entering a few lineups I closed out of the app. However, about a minute later, I decided I'd enter 1 more lineup. I opened the app and created the lineup, but just before I could click the *submit* button to have it officially entered, the app closed. This was very odd and I immediately sensed something was wrong. I tried to reopen the app, but it prompted me to manually log-in, which the app never required me to do. Despite not ever needing to manually log in, I knew my login name and password, yet when I tried to enter it, such wouldn't work.

At about 6:52p.m. (CST) on 11/21/2022, I received an email from DK that said my DraftKing's account password had been changed, although I had not ever changed it. I did not see this email notification as soon as it was sent to me, nor did I immediately see a number of the emails I'll reference herewith. I found out about them later.

On or about 7:01p.m. (CST) on 11/21/2022, DK emailed me to indicate that there had been a request to reset the email address.

On or about 7:12p.m. (CST) on 11/21/2022, I emailed DK from [REDACTED], which was my email address that was tied to the DK account. I advised that I'd been kicked out of the app while using it and that it was not allowing me to log in. I explained that when trying to reset my password, it asked me to type in a 6 digit code that was sent to a phone # ending in [REDACTED], which was never my phone number. In the same email I requested a call back at my phone # [REDACTED]

Despite the above warning, and despite that I later learned via social media of DK's massive data breach which began at least 7 hours prior to my email account and DK account being compromised, on or about 7:41p.m. (CST), on 11/21/2022, a \$25 deposit was made by someone other than me. I forwarded that message to DK and asked what this was about, explaining that I was the rightful owner of the account and that I had not made any such deposits, nor would I need to due to how much money I already had in the account. Considering the massive data breach, in which DK publicly acknowledged that at least \$300k had been confiscated during a hack, one would think that DK would have already been on high alert by the time my issue began.

On or about 7:54p.m. (C ST), on 11/21/2022, an email was sent from my email address ([REDACTED]) by an unknown perpetrator, and that email said the below which is in bold faced print:

How do i change my email to a new email that i have

On or about 7:54p.m. (CST) on 11/21/2022, which was the exact same minute in which the perpetrator sent the above message to ask to move my email account, [REDACTED] (DraftKings) responded to the perpetrator's email by advising he would be happy to assist with moving the email account to another email address. This is the one and only time in all of the years that I've been with DK to have ever seen such immediate action taken upon any request. Additionally, the correspondence between [REDACTED] and the perpetrator never discussed what email address the perpetrator was wanting to move my account to. [REDACTED]'s email simply requested for the person to provide the first 6 digits of the credit card that was used to make a deposit.

How were they supposed to move it to another email address without knowing what email address to move it to? And what are the odds that they would've received that request and responded by saying they'd take action within the same minute of receiving the request (without even knowing what the new email address was supposed to be). The perpetrator who sent the above bolded email without proper grammar or punctuation removed the email from my sent box, but throughout the process of constantly working to get answers from DK representatives, one of them ended up sending me an email that included the thread which contained the perpetrator's request. DK representatives do not respond to these sorts of requests that fast. In fact, they do not respond to any requests that quickly. Additionally, you'll see later in this summarized timeline that despite numerous daily emails and attempted phone calls, it wasn't until the evening of November 26, 2022 that I learned that someone at DK had moved my account to an email address called [REDACTED] which obviously was not me; DK also already had picture IDs of me on file, which they required before they ever allowed any prior withdrawals, but they did not require this other person to provide any proof of identification when they quickly moved my account to this other email address that obviously didn't belong to me, and furthermore would not allow me to provide further evidence of who I am in order to regain rightful access to my account, despite numerous attempts. I looked up the name [REDACTED] and found that there was a 26 year old black male who had apparently been arrested on August 13, 2022, in Dallas, Texas. I am a Caucasian male, and I was 46 years old at the time of this incident. My account at that time was either negligently or fraudulently moved to the account, but many of the later correspondences with DK at that time appear to reflect it was the latter.

On or about 7:57p.m. (CST) on 11/21/2022, utilizing my cell phone, I emailed DK from the [REDACTED] email address to ask why there was a \$25 deposit made, and I explained that I did not request or authorize such, and I reiterated that I needed someone at DK to call me before allowing any further activity to occur with my account.

Since this is just the summarized timeline, it doesn't include all of the communications I had, but during the times in which DK personnel responded to my emails, they almost always seemed to ignore what I was specifically inquiring about. They would respond with answers to questions that I was not asking, or they would ask me for information that I'd already provided (even within the same email that they were replying to), yet they were not answering the questions at hand. They clearly were not interested in assisting me with regaining access into my account in a timely manner, no matter how much proof I provided to confirm my identity.

From about 7:57p.m. (CST) to about 8:34p.m. (CST), on 11/21/2022, I was locked out of my Gmail account ([REDACTED]) that's tied to my DK account.

On or about 8:21p.m. (CST) on 11/21/2022, I sent an email to DK via my primary Gmail account ([REDACTED]) which I created well after I already had a DK account. In this I explained the situation again and I requested a call back. I told them of the most recent lineups I'd created before being kicked off the app and I went on to explain everything up to that point, requesting that they call and see me (like via FaceTime or something similar) before allowing any further activity with my account. I expressed that they have a copy of my TX driver's license and Marine Corps retiree ID card on file, including a photo of me holding both forms of identification. Thus, I wanted them to call and confirm before allowing anyone else to impersonate me. I further advised that I was locked out of my email account that is tied to my DK account. I explained that such email address was [REDACTED] and I provided my DK username: [REDACTED].

On or about 8:34p.m (CST) on 11/21/2022, using Google's 2FA, I was able to regain access into my Gmail account ([REDACTED]) and change the password and reset the 2FA.

On or about 11:25p.m. (CST) on 11/21/2022, I received an email at [REDACTED] from DK with a reset password link. I responded to this email at 11:39p.m. (CST) on 11/21/2022, advising that the link didn't work. I explained I was prompted to type in a 6 digit code that was sent to a phone # ending in 9670, which has never been my phone #.

There ended up being numerous times in which DK representatives also sent me links that were supposed to enable me to reset my password, but such links continued to not work.

On or about 12:28a.m. (CST) on 11/24/2022, I responded to Clara R. (DraftKings), by providing her requested information to confirm my identity to let me back into my account.

On or about 10:22a.m. (CST) on 11/24/2022, I received an email from Jazmin H. (DraftKings), advising me to use 2FA and she provided a link to do so, but the link she provided me brought me to the area in which a new user is creating an account. Since DK's rules state it's unauthorized for one person to own multiple DK accounts, I wondered if they were trying to set me up. I had no intention of creating a new account and thus did not do as the link was prompting me to. She added that my account was restricted as a precaution while the matter was being investigated and that I'd get a follow up once they had an update. She said I'd get an update "***the second** they have an update!" In the same email she said she could confirm my "account was under review."

Despite making numerous attempts to get anyone at DK to call me to confirm the appropriate person was regaining access to their account, and despite receiving 2 separate emails indicating that someone from DK would call me, nobody ever did. Specifically, on or about 3:43p.m. (CST) on 11/24/22, I received an email at [REDACTED] from oyasanefe a [(DraftKings) spelled exactly like this with no capital letters in the first name and initial], asking me to provide a preferred call back time, my phone number, and a description of the issue. This person explained that I would need to provide an account name and email address that I'd registered with in the past. All of this information had already been provided. Additionally, on or about 9:18a.m. (CST) on 11/26/2022, I received another email from [REDACTED] (DraftKings), which said almost the exact same thing as her previous email. However, she contradicted her email from 7 minutes prior, and contradicted the email received from oyasanefe at 3:43p.m. (CST) on 11/24/22, by explaining to me that DraftKings would not provide the service of providing a callback to people in my state (Texas).

On or about 5:47p.m. (CST) on 11/26/2022, [REDACTED] (DraftKings) emailed me at [REDACTED], in response to my inquiry to him at about 3:06p.m. (CST) on 11/24/2024, as he explained he was unable to find any DK account listed with the email address I'd provided ([REDACTED]), and he further asked, "can you please let us know either the email address or username that is associated with the DK account? Once we locate your account, we can better help you."

On or about 6:30p.m. (CST) on 11/26/2022, [REDACTED] (DraftKings) emailed me at [REDACTED], to inform me that he was able to locate an account for [REDACTED], and that he could see it was associated with the email address [REDACTED]. This email from [REDACTED] provided links to reset the password as well as to set up 2FA, but the email didn't clearly articulate if the account had been properly moved back over to the proper email address and so I didn't feel safe with clicking either of the links.

On or about 3:49p.m. (CST) on 12/5/22, [REDACTED] (DraftKings) asked me again for information that had been provided many times: (i.e., my Username, Full name and address on my account, the 1st 6 digits of the card associated with my account, the new email address I'd like to use (although I never asked to use a new email address), and the reason for the email address change.

On or about 9:44p.m. (CST) on 12/7/22, I emailed [REDACTED] (DraftKings) via [REDACTED], providing again all requested information.

On or about 5:36p.m. (CST) on 12/11/22, [REDACTED] (DraftKings) emailed me at [REDACTED], offering me four \$25 tickets to enter contests (which of course is unrelated to the NFT game I'd been investing in).

On or about 5:42p.m. (CST) on 12/11/22, I emailed [REDACTED] (DraftKings) from [REDACTED], explaining that if DK considered this full compensation for the events spoken of, I could not accept the tickets. I told him thanks, but no thanks.

From weeks 1 to 11 of 2022, I won money every week by entering my NFTs into the available contests and considering the way this NFT game worked, I am absolutely certain this wouldn't have changed at all for the remaining 11 weeks (7 weeks of the remaining regular season and 4 postseason weeks) in which I should have been able to continue participating. From a relatively early point in the season, my target weeks were weeks 12, 13, and 15, as I knew that these weeks would provide by far my greatest chance to gain a very solid return on my investment considering the slate of games available and the NFTs I possessed. I had a very realistic chance to win at least \$100k during each of those weeks.

Sometime after 6:26p.m. (CST) on 12/11/22, DK enabled me to briefly regain access into my account. I had already missed the opportunity to enter all of the available contests that I should've been able to enter with my paid entry fees (NFTs) for the contests for weeks 12, 13, and 14, with well over \$100k that could've been won in each of those weeks, and I had a very solid chance at doing just that, especially in week 12. They allowed me to regain access at the latter end of the week 14 contests, so that I could only enter the smaller paying contests for the Sunday Night and Monday Night games, which I entered and for which I won a very minimal amount. DK relocked my account just before 6:00p.m. (CST) on 12/12/22, so that I could not even make any edits to my lineup/s for the Monday Night Football game. Although I'd already been blocked from gaining a very substantial return on my investment, I still had 1 more target week left (week 15), for which I knew I also had a very high probability of winning a substantial amount of money (\$100k or more).

Prior to my account being re-locked, on or about 7:14p.m. (CST) on 12/11/22, while in the account, I took a video of all of the NFTs that I possessed, and I had 371 at that time.

On or about 10:12p.m. (CST) on 12/11/22, while in the account, I went to the security section and saw the saved addresses in the account, and I noticed the last two addresses had phone numbers attached to my address that were not my phone numbers. I also recognized that the last 4 digits of each of these phone numbers were identical to phone numbers in which messages from DK had previously advised of 6 digit codes being sent to when I was trying to regain access into my account. I took a photo of this screen, capturing the full phone numbers since DK had never told me what those phone numbers were. Those phone numbers were listed as [REDACTED] and [REDACTED]. I have never tried to call either of these.

On or about 5:21p.m. (CST) on 12/12/22, [REDACTED] (DraftKings) emailed me at [REDACTED] to ask me to confirm my phone number; she said, "once we have that information, we will be able to change your phone number and you can enable into 2FA."

On or about 5:58p.m. (CST) on 12/12/22, I emailed [REDACTED] (DraftKings) from [REDACTED] to clarify that my phone number never changed.

On or about 7:57p.m. (CST) on 12/13/22, I received an email from [REDACTED] (DraftKings) at [REDACTED], providing another password reset link and stating she was adding \$50 in DK dollars "for the wait." Although I

never used any of those DK dollars, the account somehow only reflected that \$40 dollars' worth of the current account balance was in DK dollars. I was not concerned with that, but I just happened to notice it, as I did not even want any of their "DK dollars." I only wanted them to do their best to make me whole.

On or about 8:29p.m. (CST) on 12/13/22, I emailed [REDACTED] (DraftKings) from [REDACTED], explaining that the link she provided only asked me to change my password, which I'd already done, but I let her know that I did so again. I added that I'd also already provided the SCID (self-certified ID) before too. I also mentioned that it brought up an error message when I tried to log in that said, "Too many requests."

On or about 9:18p.m. (CST) on 12/13/22, I emailed [REDACTED] (DraftKings) from [REDACTED], advising I was finally back into my account with the password changed and 2FA updated. I also advised that I'd uploaded a new SCID, but that a moment ago I received a notification to indicate my account was again locked. I asked her why it was locked.

On or about 10:17p.m. (CST) on 12/13/22, [REDACTED] (DraftKings) emailed me at [REDACTED] to thank me for uploading my SCID. His email also indicated that the account was restricted again.

On or about 10:33p.m. (CST) on 12/13/22, I emailed [REDACTED] and [REDACTED] (DraftKings) from [REDACTED], explaining that my account was still locked, but that I'd followed all instructions (again).

On or about 2:59p.m. (CST) on 12/15/22, I emailed [REDACTED] (DraftKings) from [REDACTED], explaining it had been 2 more full days and I hadn't heard anything yet. I mentioned that my account was still locked.

On or about 10:27a.m. (CST) on 12/16/22, [REDACTED] (DraftKings) emailed me at [REDACTED], which was the first time I had ever received an email that appeared to be from any official DraftKings account ([REDACTED]). I had already received at least 40 emails from DK representatives regarding this issue (albeit useless emails), yet all of the prior emails appeared to be from different people using a shared account. The email offered to invite me and a guest to see the Houston Rockets play against the Dallas Mavericks on 12/23/22 in a suite. I did not trust this.

On or about 11:20p.m. (CST) on 12/16/22, I emailed [REDACTED] (DraftKings), explaining that I would not be accepting the tickets. I explained my frustration regarding this entire ordeal, and I expressed very clearly that I would not attend this event even if Kevin Hart were sent to pick me up from my home to escort me to such game. I explained that I had also completely lost trust in DraftKings being a reputable company and that this seemed more like a setup than anything else.

On or about 9:31a.m. (CST) on 12/20/22, [REDACTED] (DraftKings) emailed me at [REDACTED], explaining that they had removed the restrictions and that I had full access to my account. This was not even 1 full day after week 15 had finished. I did not think it was coincidental at all that my access to my account first became blocked just prior to my first target week, and that it was now being unblocked immediately after my final target week (week 15) passed. However, there were still additional issues.

I removed about 3 pages worth of additional notes from the above summarized version of the timeline of events, but the deadline to submit this is too near, and it takes time download each referenced email to submit with this. The main reason for providing the above notes was to explain that my account access had been wrongfully taken from me, moved to another person, hence preventing me from participating in contests that I'd paid thousands

of dollars' worth of NFTs, and that if there were any prizes that were promised for 2022, such were inaccessible and worthless.

I would not have spent any time on this response if the Notice of Claim Calculation had indicated that my total amount of prize receipts were worth \$1,000, but \$19,917.00 is extreme and untrue.

With all of this said, I believe DK's customer service has changed tremendously since these events, and I hope I am right. I never thought they'd regain my trust, but they apparently have and I don't think they operate in the same way anymore. Therefore I don't anticipate these sort of events will ever occur again.

Based on the formula provided in the Notice of Claim Calculation, if the Prize Receipts (PR) were calculated at a more accurate amount of \$1,000 (which is also being conservative), my IR should be \$21,157.76, instead of \$2,240.76. Obviously, that can't take into account all that I lost, while erroneously being locked out of my account in the manner and timeframe for which I was, but it's still a fairer assessment.

All of the above referenced emails and the FMV Excel spreadsheet titled [REDACTED] (2023) are being included in this email, and I can provide.

Sincerely,

[REDACTED]

Re: DraftKings NFT Settlement — Notice of Claim Calculation

Claimant: [REDACTED]
Claim No.: 936050010
Notice Date: October 7, 2025
Response Deadline: October 28, 2025

FORMAL OBJECTION AND REQUEST FOR RECONSIDERATION OF “INDIVIDUAL RECOGNIZED LOSS” DETERMINATION

To the Settlement Administrator:

I submit this timely objection to the “Individual Recognized Loss” (“IR”) determination reflected in your October 7, 2025 Notice, which sets my IR at **\$4,733.76** based on the formula **IR = [PP + SP] – [SR + CR + PR]** and the following line items:

- **Primary Market Payments (PP):** \$9,530.49
- **Secondary Market Payments (SP):** \$3,414.76
- **Secondary Market Receipts (SR):** \$6,563.49
- **Closure Receipts (CR):** \$0.00
- **Prize Receipts (PR):** \$1,648.00

I. Threshold and Plan-of-Allocation Concerns

1. **Undefined Terms / Ambiguity.** The Notice uses undefined or insufficiently defined terms (e.g., “Primary Market Payments,” “Secondary Market Receipts,” “Closure Receipts,” and “Prize Receipts”) and gives no itemization tying each transaction to a definition. Without clear definitions and a transaction-level mapping, it is impossible to verify accuracy or challenge specific categorizations.
2. **Unknown Net Settlement Fund / Percentage Allocation.** The Notice does not disclose the size of the Net Settlement Fund or the applicable pro-rata percentage to be applied to my IR. Because the pool from which any distribution will be calculated is unknown, I cannot determine how the current IR translates to an actual recovery. **There are not enough facts to formulate a more complete objection at this time, and I expressly reserve all rights to supplement, amend, and renew these objections upon disclosure of the necessary information.**

II. Substantive Objections to the Calculation Methodology

3. **No viable secondary market to mitigate damages.** The methodology appears to assume a functioning, liquid secondary market capable of mitigating losses. In practice, liquidity for DraftKings NFTs was sporadic and insufficient, and, at times, effectively non-existent. Treating “Secondary Market Receipts” as a reliable, loss-offsetting proxy overstates mitigation and understates loss.
4. **Speculative and appreciating nature of NFTs as original works.** NFTs are speculative assets tied to digital scarcity and original creative works. Their value can be volatile and, as a class of crypto-native collectibles, **tends to appreciate over longer horizons** as cultural adoption, licensing, and platform features evolve. A static, transaction-date-based loss framework that ignores longer-term appreciation potential and non-price utility (access, status, set completion) artificially depresses recognized loss.
5. **Performance-driven utility; tiers are not fungible.** A significant portion of value was derived from the **viability of player performances** and game mechanics (contests, utilities, and rewards). Cards within the same “tier” (Core/Rare/Elite/Legendary, etc.) are **not fungible**—player quality, scarcity within sets, challenge utility, and lineup correlation materially impact market value. Any allocation that flatly treats all cards within a tier as equivalent mismeasures economic reality and unfairly reduces loss for holders of higher-utility or higher-performing assets.
6. **Prize Receipts should not be a dollar-for-dollar offset.** The inclusion of **Prize Receipts (PR)** as a direct offset to payments is improper or, at minimum, should be discounted. Contest prizes were contingent on additional skill, effort, and gameplay risk; they do not “undo” capital outlays for collectibles and should not reduce loss one-for-one like a refund. Moreover, some prizes may be non-cash, promotional, or illiquid, further undermining their use as a pure offset.
7. **Fees, slippage, and taxes.** It is unclear whether PP/SP include marketplace fees, gas, slippage, or sales taxes, and whether SR is net of the same. If fees and frictions on purchases are not fully included—but fees on sales are netted—loss is understated. Please confirm fee treatment and recalculate accordingly.

III. Relief Requested

Given the foregoing, I request that the Settlement Administrator:

- A. **Provide full transaction-level detail** used for each of my line items (PP, SP, SR, CR, PR), including timestamps, item identifiers, marketplaces, fee treatment, and any exchange-rate assumptions.
- B. **Produce the governing definitions** from the Plan of Allocation as applied to my claim, along with any internal calculation worksheets or audit logs.
- C. **Disclose the Net Settlement Fund** amount expected to be used for distribution and the current estimated pro-rata percentage so I can meaningfully evaluate expected recovery.

D. **Recalculate my IR** after (i) properly accounting for marketplace fees, gas, and slippage; (ii) discounting or excluding Prize Receipts as offsets; (iii) differentiating among cards within any given tier based on player performance, scarcity, and in-game utility; and (iv) recognizing the absence of a viable secondary market during relevant periods.

E. **Hold my objection open** and toll the response deadline as needed pending production of the above information. If additional information is produced after the stated deadline, please treat this as a continuing objection and grant leave to supplement.

IV. Reservation of Rights

This objection is made without waiver of, and with full reservation of, all rights and remedies, including the right to submit additional evidence and argument, to challenge any aspect of the calculation and allocation methodology, to object to the size and composition of the Net Settlement Fund or the final distribution percentages, and to seek Court review of any adverse determination.

Please confirm receipt of this objection, provide the requested materials, and advise when a corrected calculation will issue.

Respectfully submitted,

Hello,

Thank you for confirming receipt.

I submit this supplemental objection and request for information regarding my "Individual Recognized Loss" (IR) calculation and any eventual distribution.

1) Plan of Allocation requires enough detail to verify IR/PR.

Per the Notice/Plan of Allocation, you "shall use reasonable efforts to provide ... information necessary to determine each Settlement Class Member's IR and PR," including account and transaction data. Please therefore provide transaction-level detail (NFT identifier, date/time, price, fees/gas, and marketplace) and the exact mapping that produced my PP, SP, SR, CR, and PR totals.

2) Net Settlement Fund and pro-rata percentage are unknown.

The Notice explains that payment equals a claimant's pro-rata share of the Net Settlement Fund and expressly notes that "it is not possible to determine" an individual payment now. Without disclosure of the current or estimated Net Settlement Fund and aggregate recognized loss (AR), I cannot evaluate or finalize my objection. Please disclose (a) current estimates of NF, (b) AR to date, and (c) the expected pro-rata % that will be applied to my IR.

3) Secondary-market assumptions overstate mitigation.

Your totals treat "Secondary Market Receipts" as a reliable offset. In reality, liquidity for DraftKings NFTs was often thin or non-existent; thus, SR overstates mitigation and understates loss. Please explain how illiquidity was accounted for (or confirm that it was not) and recalculate IR accordingly.

4) Tier-equivalence is economically inaccurate.

Value was materially tied to player performance, scarcity, challenge utility, and lineup viability. Cards within the same tier (e.g., Core/Rare/Elite/Legendary) are not fungible, hence N"FT." Any approach that treats all items within a tier as equal misvalues loss for holders of higher-utility assets. Please confirm whether you differentiated by player, set, scarcity, challenge utility, and performance impacts and, if not, recalculate.

5) Prize receipts (PR) should not be a dollar-for-dollar offset.

Contest prizes involved additional skill, effort, time, and risk and often were non-cash or illiquid. Offsetting purchases 1:1 with PR is improper; at minimum, PR should be discounted or excluded. Please identify each PR component and its nature (cash/non-cash) and adjust IR.

6) Fees, gas, slippage, and taxes.

Please confirm whether PP/SP totals are gross or net of marketplace fees, gas, slippage, and taxes, and whether SR is net of the same. If fees on buys are not fully included (but fees on sales are netted), loss is understated. Provide your methodology and adjust IR.

7) Definitions and documentation.

Although the Notice defines the IR variables at a high level, your letter uses undefined terms without itemization. Please provide: (i) the operative definitions you applied; (ii) your calculation worksheet/audit log showing how each transaction mapped to PP, SP, SR, CR, and PR; and (iii) source data supplied by DraftKings for my account so I can reconcile it to my records.

8) Reservation of rights.

Because (a) the Net Settlement Fund and pro-rata percentage are undisclosed, (b) transaction-level data and fee treatment are missing, and (c) liquidity, tier non-fungibility, performance-based value, and prize-offset issues remain unresolved, there are not enough facts to formulate a complete objection at this time. I therefore reserve all rights to amend, supplement, and renew my objection upon receipt of the requested information and any later disclosures or motions regarding distribution.

Please confirm (1) that you will produce the above information; (2) when you will disclose the NF/AR estimates and the preliminary pro-rata percentage; and (3) that my objection remains open pending your production and any distribution motion.

Dear Claimant:

We have processed your Proof of Claim and Release Form ("Claim") submitted in connection with the DraftKings NFT Settlement. Each Claim's Individual Recognized Loss ("IR") was calculated in accordance with the Court-approved Plan of Allocation utilizing the following formula.

$$IR = [PP + SP] - [SR + CR + PR]$$

Your Claim's IR is **\$3,089.71**. The transactional information used to calculate your Claim's IR is listed below. This data was provided directly to the Settlement Administrator by DraftKings. More information on the Plan of Allocation is found in the Settlement Notice available at www.DraftKingsNFTSettlement.com.

Primary Market Payments (PP):	\$13,018.93
Secondary Market Payments (SP):	\$7,908.46
Secondary Market Receipts (SR):	\$10,891.68
Closure Receipts (CR):	\$0.00
Prize Receipts (PR):	\$6,946.00

If you believe the calculation of your IR set forth above is incorrect, you must, within twenty-one (21) days of the date of this notice, send us a signed written statement that states your reasons for contesting this determination, along with documentation supporting a different Recognized Net Loss amount under the Plan of Distribution.

The Settlement Administrator will review any information you submit in response to this determination. If there remains a dispute concerning the Settlement Administrator's determination of your Claim, such dispute will be presented to the Court for binding resolution.

To determine your Claim's final award, the Settlement Administrator will divide your Claim's IR by the "Aggregate Recognized Loss" (*i.e.*, all Settlement Class Member's recognized losses combined) with the resulting percentage multiplied against the "Net Settlement Fund" (*i.e.*, the balance remaining in the Settlement Fund after the payment of: (i) any and all Notice Costs; (ii) any and all Administration Costs; (iii) any and all Taxes; (iv) any Fee and Expense Award; (v) any Service Award; and (vi) any other fees, costs, or expenses approved by the Court).

Class Counsel will file a motion for Court approval to distribute the Net Settlement Fund after claimants have had an opportunity to respond to the determination from the Settlement Administrator and all Claims have been finalized. The distribution motion will be posted on the Settlement website (www.DraftKingsNFTSettlement.com). Claimants may file objections to the determination of their claim or otherwise make submissions to the Court in response to the distribution motion.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at 1-877-883-9186 or email us at info@DraftKingsNFTSettlement.com. DRAFTKINGS NFT SETTLEMENT
CONTEST OF DETERMINATION

Please find attached a screen capture of my DraftKings lifetime transaction history. This was retrieved from DraftKings Financial Center on my account on Saturday, October 25, 2025. First I would like to clarify that all of the numbers presented to calculate my Individual Recognized Losses ("IR") on the NOTICE OF CLAIM CALCULATION I received are slightly off in comparison to my DraftKings financial records. All of the accurate numbers are in the included transaction history. While these errors are minuscule, the large discrepancy that needs to be addressed is my Secondary Market Receipts ("SR"), and my Prize Receipts ("PR"), as listed on the NOTICE OF CLAIM CALCULATION. As you may, or may not be aware, DraftKings Reignmakers platform awarded all NFT secondary marketplace sales listed as WINNINGS; The same as actual Reignmakers contest winnings. As I remember it in the financial center, before DraftKings started to remove customer access to specifically older transactions, secondary marketplace sales were visually indistinguishable from Reignmakers (or for clarity, MARKETPLACE WINNINGS) contest winnings. The same can be said for Primary Market Payments ("PP") and Secondary Market Payments ("SP"). Both forms of sales were recorded together as MARKETPLACE WAGERS AND ENTRY FEES. That being said, I'm both a little confused at why DraftKings would provide the settlement administrator with records of both "SR" and "PR" amounts separately, and why my calculation is showing my SR as \$1401.33 and my PR as \$4011.00, when DraftKings own financial center transaction records are showing me that my TOTAL MARKETPLACE WINNINGS are in the amount of \$1401.03. I don't know if DraftKings is trying to add some kind of financial value to NFT's that were awarded as prizes, which would be an issue in itself as this lawsuit kind of argues that the NFT's have no real value. But I can assure you, probably in the range of 90-95% of what I won playing Reignmakers, were more Reignmakers NFT's. There is no way I personally won (via contest winnings, or secondary marketplace sales) more than the \$1401.03 that is showing on my DraftKings account.

So to be clear, I AM CONTESTING that I did NOT in fact have \$1401.33 in SR, and I did NOT have \$4011.00 in PR. My total SR and PR should be a COLLECTIVE TOTAL of \$1401.03 in receipts (obviously that number does not include the CLOSURE RECEIPTS ("CR")) as shown in the attached record, from DraftKings own financial center. By my calculation, using the accurate numbers from my financial records, my ACCURATE IR should be \$6528.38.

Hello,

Thank you for your email regarding the DraftKings NFT Settlement.

The data about your NFT transactions in your DraftKings account (from August 11, 2021 through the date of Judgment) was provided directly to us, the Settlement Administrator, by the Defense, DraftKings.

Your Claim, based on the Court-approved Plan of Allocation (IR= [PP+SP]- [SR+CR+PR]), calculates to an Individual Recognized Loss ("IR") of \$20.51. As stated in the letter you received, your transactional information includes:

- Primary Market Payments (PP): \$0.00
- Secondary Market Payments (SP): \$20.51
- Secondary Market Receipts (SR): \$0.00
- Closure Receipts (CR): \$0.00
- Prize Receipts (PR): \$0.00

IR= [\$0.00+\$20.51] - [\$0.00 + \$0.00 + \$0.00]
IR= \$20.51

If you disagree with the calculation of your IR, you must send in a reason for contesting this determination along with documentation supporting a different Individual Recognized Loss under the Plan of Allocation found in the attached Notice by **October 28, 2025**.

Please let us know if you have any additional questions.

Good Afternoon,

Claim number - 920030780

I received my Individual Recognized loss form in the mail - My IR looks to be incorrect.
My IR shows \$2,744.67

When reviewing my Lifetime transactions from DK, I noticed that any "Burned" NFT does not have a value tied to it, lowering my PP and SP payments.

When reviewing my PR, my DFS winnings (Daily Fantasy) from DK are being combined with the Reignmakers platform, which inflates my PR and lowers my IR.

Is there a way to cross-review my reporting that came from DK support to what is being used to calculate my IR?

DraftKings NFT Settlement

Settlement Administrator

C/O A.B. Data, LTD

P.O. Box 173039

Milwaukee, WI 53217

Dear Settlement Administrator,

I am writing in response to your letter regarding my Proof of Claim and Release Form in the DraftKings NFT Settlement. Your calculated Individual Recognized Loss (IR) is **\$71,407.33**, using the Court-approved formula:

$$IR = [PP + SP] - [SR + CR + PR]$$

with the following values:

Category	Amount
Primary Market Payments (PP)	\$132,951.71
Secondary Market Payments (SP)	\$154,598.85
Secondary Market Receipts (SR)	\$31,089.50
Closure Receipts (CR)	\$29,661.24
Prize Receipts (PR)	\$155,392.50

I accept the transactional data and base IR calculation as accurate but dispute the completeness of the Recognized Loss under the Plan of Allocation. The formula fails to account for the **future economic value (FV)** of the Reignmakers cards I held at shutdown — specifically, the **lost future prize earnings** and **recent capital outlay** that would have generated additional returns had the platform remained operational.

Dispute: Omission of Future Value (FV) Component

The Plan of Allocation defines Recognized Loss to compensate class members for economic harm caused by the abrupt closure of the Reignmakers ecosystem. This harm includes not only out-of-pocket losses but also the **foreseeable future earnings** tied to NFTs purchased and held in good faith for ongoing contest play.

1. Historical Prize Earnings Baseline

- Total Prize Receipts (PR): **\$155,392.50**
- Time period: **19 months** (full 2023 calendar year + 7 months of 2024 through July)
- **Monthly average:** $\$155,392.50 \div 19 = \$8,178.55$ per month

2. Remaining Season Durations at Shutdown (July 2024)

Sport Months Remaining

UFC 5

PGA 9

NFL 7

Weighted average remaining season: 7 months (reflecting typical portfolio exposure across contests)

3. Lost Future Earnings (FV – Opportunity Cost)

- Projected earnings for remaining 7 months:
 $7 \times \$8,178.55 = \$57,249.85$

4. Recent Capital Deployment (June & July 2024 Spending)

- These purchases were made in direct anticipation of continued platform operation:
 - **June 2024:** \$6,220.54
 - **July 2024:** \$2,217.65
 - **Total:** \$8,438.19

These funds were invested **immediately prior to closure** and represent capital that had **zero opportunity to generate returns** due to the shutdown.

Requested Corrected Total Recognized Loss (Including FV)

Component	Amount	Description
Base IR (as calculated)	\$71,407.33	Accepted per Administrator
+ FV (Lost Future Earnings)	\$57,249.85	7 months × \$8,178.55/mo
+ June/July Capital Outlay	\$8,438.19	Purchases with no earning window

Total Adjusted Recognized Loss \$137,095.37

Alternatively, expressed via augmented formula:

Total Recognized Loss = IR + FV + Recent Capital

I request that the Settlement Administrator **recognize the FV component** as part of my economic loss under the spirit and intent of the Plan of Allocation. The abrupt termination of Reignmakers destroyed not only past investment but the **entire future income stream** tied to cards I continued to acquire and use in good faith.

If this FV adjustment is outside current administrative guidelines, I respectfully request that this dispute be **elevated to the Court** for binding resolution, as provided in your notice.

Please contact me at [REDACTED] with any questions or to request additional records.

Thank you for your consideration.

Subject: Response to Notification of Claim Rejection – DraftKings Individual Recognizable Loss

Dear Settlement Administrator,

I am writing to formally dispute the calculation of my Individual Recognizable Loss (IR) as stated in the recent notification of claim rejection related to the DraftKings NFT Marketplace settlement.

According to your records, my prize receipts were listed as totaling \$425,154. However, this figure is inaccurate. It appears to include amounts already accounted for in both primary and secondary market payments. My actual winnings are reflected in the secondary market receipts, and the correct total for my true prize receipts is **\$65,913.06**.

Based on this corrected figure, my recalculated IR should be **\$246,011.68**, which represents the amount I lost through reinvestment into the DraftKings NFT Marketplace. I have attached the following documentation to support my claim:

- A detailed portfolio of my NFT holdings
- A screenshot of my lifetime winnings with a breakdown
- Clear evidence showing my true prize receipts totaling \$65,913.06

As a high school math teacher, I invested significant time, money, and trust into the DraftKings NFT platform. Over the past two years, this investment has caused considerable financial and emotional hardship. I respectfully request that you reconsider my claim and present this corrected information to the court on my behalf.

I am seeking to be made whole again and to have my true loss of **\$246,011.68** recognized. I appreciate your attention to this matter and your efforts to ensure fairness in the settlement process.

Sincerely,

Hello,

I received a notice of claim rejection in the mail today and am totally confused. The calculation doesn't make any sense...all I know is I had purchased a handful of NFTs through the DraftKings marketplace several years ago and was unable to sell them before the platform was terminated. I also never used these in any contests, they were strictly held as collectibles, so I don't understand how any 'secondary market receipts' nor 'prize receipts' mentioned in the letter would apply to my calculation. How is it possible that my individual recognized loss is \$0 if I lost my entire NFT collection value when they became defuncti? If I remember correctly, the total value of my NFT collection was around \$150.

Thanks,

Hello,

Thank you for your email regarding the DraftKings NFT Settlement.

Your Claim, based on the Court-approved Plan of Allocation (IR= [PP+SP]- [SR+CR+PR]), calculates to an Individual Recognized Loss ("IR") of \$0.00. As stated in the letter you received, your transactional information that was provided directly to us by Defense, DraftKings, includes:

Primary Market Payments (PP): \$86.98

Secondary Market Payments (SP): \$73.01

Secondary Market Receipts (SR): \$231.02

Closure Receipts (CR): \$0.57

Prize Receipts (PR): \$162.00

IR= [\$86.98+\$73.01] - [\$231.02 + \$0.57 + \$162.00]

IR= -\$233.60

As detailed in Footnote 2 of the attached Notice, "Should the resulting IR be a negative number, the Settlement Class Member's IR would be adjusted to

\$0 and the Settlement Class Member would not be eligible for a distribution from the Settlement Fund".

If you disagree with the calculation of your IR, you must send in a reason for contesting this determination along with documentation supporting a different Individual Recognized Loss under the Plan of Allocation found in the attached Notice by **October 28, 2025**.

Hello,

My name is [REDACTED], and I am a member of the Settlement Class in *Dufoe v. DraftKings*, et al.

I recently received the Claim Status Letter mailed on October 7, 2025, outlining my Individual Recovery (IR) amount. After reviewing this and speaking with other class members, it appears that the IR calculations may not include promotional or achievement-based earnings associated with the DraftKings Reignmakers platform—specifically, the Franchise Score and Achievement programs that distributed millions of dollars in rewards to players.

Could you please clarify whether these promotional earnings were considered in the final settlement calculations, and if not, what rationale was used to exclude them from the IR totals? I am requesting this clarification to ensure the settlement accurately reflects all forms of monetary value distributed through the Reignmakers ecosystem.

For reference, I've included several official DraftKings Network publications that document these promotional payouts and their monetary scale:

- <https://dknetwork.draftkings.com/2024/08/02/how-reignmakers-will-issue-final-payout/>
- <https://dknetwork.draftkings.com/2024/01/03/reignmakers-ufc-2024-achievements-and-franchise-score-details-of-note/>
- <https://dknetwork.draftkings.com/2024/01/24/reignmakers-pga-tour-2024-achievements-and-franchise-score-details-of-note/>
- <https://dknetwork.draftkings.com/2024/05/17/reignmakers-ufc-introduces-franchise-score-chase-trial/>
- <https://dknetwork.draftkings.com/2022/10/05/draftkings-reignmakers-weekly-franchise-score-contests-go-live-with-100k-up-for-grabs/>

I would appreciate confirmation on whether the Settlement Administrator reviewed or considered these types of payouts in determining recovery amounts. If these were excluded, I would like to understand the legal or data-based justification for doing so.

Thank you for your time and attention to this matter. I look forward to your response.

Sincerely,

Secondary Market Receipts (SR)

Dear Settlement Administrator,

I am writing in connection with my claim under the DraftKings NFT Settlement, Claim No. **897858116**. Upon reviewing the settlement data provided, I have identified a discrepancy in the reported **Secondary Market Receipts (SR)** amount.

The SR report indicates a gain of **\$6,040.93**, while my **lifetime marketplace receipts** indicate a gain of **\$4,807.57**. I have reviewed the accompanying figures and confirm that all other numbers appear accurate and consistent with my records.

Based on these figures, my **Individual Recognized Loss (IR)** should therefore be **\$2,527.55**. Please find attached documentation supporting this correction.

I respectfully request that the settlement administrator review and update my claim to reflect the accurate SR value and corresponding IR adjustment. Please confirm receipt of this correspondence and advise when I can expect an update on this matter.

Thank you for your prompt attention to this issue.

Sincerely,

A black rectangular redaction box covering the signature of the claimant.

*You have all my
info. Please process
the claim.*

Dear Claimant:

We have processed your Proof of Claim and Release Form ("Claim") submitted in connection with the DraftKings NFT Settlement. Your Claim, based on the Court-approved Plan of Allocation, calculates to an Individual Recognized Loss of \$0.00. **To have an Individual Recognized Loss, you must have purchased DraftKings NFTs in either the Primary or Secondary Market.**

Based on information provided to us by DraftKings, you did not purchase any DraftKings NFTs in the Primary or Secondary Market during the Class Period. Therefore, under the Court-approved Plan of Allocation your Claim's Individual Recognized Loss amount is zero.

More information on the Plan of Allocation is found in the Settlement Notice available at www.DraftKingsNFTSettlement.com.

If you believe you purchased DraftKings NFTs in the Primary or Secondary Market during the Class Period and the calculation of your Individual Recognized Loss is incorrect, you must, within twenty-one (21) days of the date of this notice, send us a signed written statement that states your reasons for contesting this determination, along with documentation supporting a different Recognized Net Loss amount under the Plan of Distribution.

The Settlement Administrator will review any information you submit in response to this determination. If there remains a dispute concerning the Settlement Administrator's determination of your Claim, such dispute will be presented to the Court for binding resolution.

Class Counsel will file a motion for Court approval to distribute the Net Settlement Fund after claimants have had an opportunity to respond to the determination from the Settlement Administrator and all Claims have been finalized. The distribution motion will be posted on the Settlement website (www.DraftKingsNFTSettlement.com). Claimants may file objections to the determination of their claim or otherwise make submissions to the Court in response to the distribution motion.

2. The administrative recommendations of A.B. Data (“A.B. 3. [Claimants' requests to accept the untimely Claim Forms listed in Exhibit B-3 to the Brauns Distribution Declaration, are hereby APPROVED.] [Claimants' requests to accept the untimely Claim Forms listed in Exhibit B-3 to the Brauns Distribution Declaration, are hereby DENIED.]
