Case No. 23-cv-10524-DJC

CLASS ACTION

Honorable Judge Denise J. Casper

**SUPPLEMENTAL DECLARATION OF KATHLEEN M. BRAUNS REGARDING
IMPLEMENTATION OF THE SETTLEMENT NOTICE PROGRAM**

I, Kathleen M. Brauns, pursuant to 28 U.S.C. § 1746 declare as follows:

1. I am a Project Manager with A.B. Data, Ltd. (“A.B. Data”),¹ the Court-appointed Settlement Administrator in the above-captioned matter. *See* ECF No. 89 at 9. Pursuant to that role, A.B. Data designed and implemented the settlement notice program authorized by the Court (the “Notice Program”) to inform Settlement Class Members about their rights and options under the Settlement. I oversaw the Notice Program that A.B. Data implemented in accordance with the Preliminary Approval Order. *See* ECF No. 89.

2. I submit this Supplemental Declaration to my earlier declaration, the Declaration of Kathleen M. Brauns Regarding Implementation of the Settlement Notice Program (the “Initial Notice Program Declaration”) (ECF No. 96-2). The following statements are based on my personal knowledge and information provided to me by other A.B. data employees and if called to testify I could and would do so competently.

¹ Unless otherwise indicated, defined terms shall have the definitions set forth in the Stipulation of Settlement (“Settlement” or “Settlement Agreement”), which was filed on February 26, 2025 (ECF No. 87-2). Citations to the Settlement Agreement are abbreviated as “§ ____.”

UPDATE ON DISSEMINATION OF NOTICES

3. As more fully detailed in the Initial Notice Program Declaration, as of June 23, 2025, A.B. Data caused the Email Notice to be emailed to 1,554,528 potential members of the Settlement Class. *See* Initial Notice Program Declaration ¶ 6.

4. Since June 23, 2025, A.B. Data has not caused any Email Notices to be emailed to any additional potential Settlement Class Members in response to requests for the same. Therefore, as of July 21, 2025, A.B. Data has caused the Email Notice to be emailed to 1,554,528 potential Class Members.

5. As of June 23, 2025, A.B. Data caused the Postcard Notice to be mailed via First-Class U.S. Mail to 11,310 potential members of the Settlement Class. *See* Initial Notice Program Declaration ¶ 8.

6. Since June 23, 2025, A.B. Data has caused the Postcard Notice to be mailed via First-Class U.S. Mail to an additional 110 potential Settlement Class Members in response to requests for the same. Therefore, as of July 21, 2025, A.B. Data has caused the Postcard Notice to be mailed via First-Class U.S. Mail to 12,284 potential Class Members.

7. A.B. Data also established and maintains a website, an email shared mailbox, a toll-free telephone number, and a P.O. Box Address for potential Settlement Class Members to email, call, and obtain information about the Settlement. As of July 21, 2025, the website has received 43,090 visits and A.B. Data has responded to 2,084 emails, and 418 phone calls..

CLAIM FORMS AND EXPECTED PAYMENT PERCENTAGE

8. The postmark and online filing deadline for Settlement Class Members to file claims in this Action passed on July 21, 2025. As of July 21, 2025, A.B. Data received 14,606 timely-filed claim forms. These timely-filed claim forms include 5,759 from the 171,050 members

of the Settlement Class identified in the Settlement Class Information as having purchased DraftKings NFTs, resulting in a claims rate of 3.36%. A.B. Data will continue to process claim forms through the claim filing deadline.

EXCLUSION REQUESTS

9. The Notice Program informed Settlement Class Members that requests for exclusion from the Class are to be postmarked no later than July 9, 2025. As of the exclusion deadline, A.B. Data received, in total, eight (8) requests for exclusion. In addition to the three (3) exclusions attached to the Initial Notice Program Declaration, a true and correct copy of the five (5) additional requests for exclusion received are attached as Exhibit A.

OBJECTIONS

10. The Notice Program informed Class Members that objections were to be filed using ECF or mailed to the Clerk of Court for scanning and uploading to the docket and that the postmark deadline to object to the Settlement was July 9, 2025. As of the date of the exclusion deadline, A.B. Data is aware of three (3) objections filed with the Court.

11. Based on A.B. Data's experience, the proposal made by Objector Cory Siemon to account for a 'tier-weighted valuation' and a '3-year utility horizon' would introduce subjective variables that are not present in the current, data-driven Plan of Allocation. Developing and implementing the complex logic, manual review, and bespoke systems required to process such qualitative data would substantially increase administrative costs and likely extend the timeline for distribution.

ADMINISTRATION COSTS

12. As reported in the Initial Notice Program Declaration, as of June 23, 2025, A.B. Data had incurred approximately \$108,612.71 for administrative fees and costs. *See* Initial Notice

Program Declaration ¶ 22. This includes, but is not limited to, costs incurred in connection with out-of-pocket spending on the publication notice program, postage, developing the website, monthly telephone charges, and professional fees and expenses. This amount does not include future costs related to claims processing, distribution of funds, etc.

13. A.B. Data is still administering this Settlement and does not expect its final invoice to exceed the total cap for fees and charges of \$180,000.00.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

Executed on July 22, 2025 in Milwaukee, Wisconsin.

To be clear, I "requests exclusion from the Settlement Class in Dufoe v. DraftKings, et al., No. 1:23-cv-10524 (D. Mass.)"

I had over 50,000 NFT's, it is not feasible to "identify and state the DraftKings NFTs that the person requesting exclusion purchased/acquired and/or sold during the Settlement Class Period (i.e., from August 11, 2021 through and inclusive of the date of entry of the Judgment), as well as the dates and prices of each such purchase/acquisition and/or sale".

Please confirm I have been excluded.
